My Hometown Burley Idaho:

My Hometown Robert Bailey Lee Carmody, 2004-11 There are fundamental problems with the official version of ancient history Why are Bible scholars unable to find any evidence of the Exodus and why is it that the annals of Israel nowhere resemble those of Egypt Because historians look in the wrong place If we look for New York on the West Coast we end up with a distorted picture That is what happened to Egyptology Pharaohs dynasties and even kingdoms were assigned places where they do not belong A number of scholars came to realize that ancient history is in dire need of revision The reconstructed version of history drastically relocates Pharaohs to their proper places and all of a sudden Old Testament history rings true Add to this important archaeological finds such as the location of the real Mt Sinai still intact and we arrive at an astounding conclusion The fantastic stories of the Exodus and the events surrounding the giving of the law at Mount Horeb are true It really happened What caused these unusual events There is a controversial theory that may or may not be true it involved a cosmic catastrophe This combined with strange natural occurrences during the reigns of the Judean Kings is the background of this book It deals with the message of the Bible redemption and a possible solution to baffling historical puzzles The theory of cosmic catastrophes may be difficult to accept but it is worthy of consideration **Life Is an**

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
