the road toward self acceptance and true peace of mind **Modern Human's Handbook** Cave Man, 2020-09-02 This book's goal is not to make you feel better about yourself or improve your life. It may help you in those regards, but this book's essential aim is to teach you what life is and how to deal with it. This book is kind of a compilation of great thinkers before me like Nietzsche, Dostoyevsky, Jung, Frankl, Marcus Aurelius, and some others. In this book, I tried to take their ideas and adapt those ideas to the modern world. In order to explain those ideas, I shared my personal experiences. That's why I use a pen name instead of my own name. As a big George Orwell fan, I tried to make this book as simple as and as short as possible. I hope you can find some wisdom in this book to help you in your difficult times. Disclaimer: I edited this book. Since I'm not a professional editor, there might be some mistakes here and there. So beware of that before buying this book. If you spot one, please email me at yousuckasawriter@gmail.com so that I can update it. I want this book to help people, but I also want to make some money off it. Considering the person who can't afford 20 bucks is more likely to need more help than the one who can afford it, I would be a hypocrite if I didn't offer a free solution. So if you really can't afford it, just email me at imdevelopinganapp@gmail.com and I will send you a pdf copy in 10 days.
