The Outlook ,1916 **Luminous Traitor** Martin Duberman,2018-11-06 Martin Duberman is a national treasure Masha Gessen The New Yorker Roger Casement was an internationally renowned figure at the beginning of the 20th century famous for exposing the widespread atrocities against the indigenous people in King Leopold s Congo and his subsequent exposure for which he was knighted in 1911 of the brutal conditions of enslaved labor in Peru An Irish nationalist of profound conviction he attempted at the outbreak of World War I to obtain German support and weapons for an armed rebellion against British rule Apprehended and convicted of treason in a notorious trial that captured worldwide attention Casement was sentenced to die on the gallows A powerful petition drive for the commutation of his sentence was inaugurated by George Bernard Shaw and a host of other influential figures A gay man Casement kept detailed diaries of his sexual

escapades and the British government upon discovering the diaries circulated its pages to public figures thereby crippling what had been a mounting petition for clemency In 1916 he was hanged In this gripping reimagining acclaimed historian Martin Duberman paints a full portrait of the man for the first time Tracing his evolution from servant of the empire to his work as a humanitarian activist and anti imperialist Duberman resurrects and recognizes all facets from the professional to the personal of the fantastic life of this pioneer for human rights The Gentleman's Magazine ,1883 **The Parliamentary Debates** Great Britain.
