My Kitchen Wars:

My Kitchen Wars Betty Fussell, 2015-03-03 A fierce and funny memoir of kitchen and bedroom from James Beard Award winner Betty Fussell A survivor of the domestic revolutions that turned American television sets from *Leave It to Beaver* to *The Mary Tyler Moore Show* to *Julia Child's The French Chef* food historian and journalist Betty Fussell has spotlighted the changes in American culture through food over the last half century in nearly a dozen books In this witty and candid autobiographical mock epic Fussell survives a motherless household during the Great Depression gets married to the well known writer and war historian Paul Fussell after World War II goes through a divorce and finally escapes to New York City in her mid fifties batterie de cuisine intact *My Kitchen Wars* is a revelation of the author's lifelong love affair with food cooking it eating it and sharing it no matter where or with whom she finds herself From Princeton to Heidelberg and from London to Provence Fussell ladles out food sex and travel with her wooden spoon welcoming all who come to the table

Food in Time and Place Paul Freedman, Joyce E. Chaplin, Ken Albala, 2014-10-31 Food and cuisine are important subjects for historians across many areas of study Food after all is one of the most basic human needs and a foundational part of social and cultural histories Such topics as famines food supply nutrition and public health are addressed by historians specializing in every era and every nation *Food in Time and Place* delivers an unprecedented review of the state of historical research on food endorsed by the American Historical Association providing readers with a geographically chronologically and topically broad understanding of food cultures from ancient Mediterranean and medieval societies to France and its domination of haute cuisine Teachers students and scholars in food history will appreciate coverage of different thematic concerns such as transfers of crops conquest colonization immigration and modern forms of globalization

New Essays on Life Writing and the Body Christopher Stuart, Stephanie Todd, 2009-03-26 In light of materialist revisions of the Cartesian dual self and the increased recognition of memoir and autobiography as a crucial cultural index the physical body has emerged in the last twenty five years as an increasingly inescapable object of inquiry speculation and theory that intersects all of the various subgenres of life writing *New Essays on Life Writing and the Body* thus offers a timely original focused and yet appropriately interdisciplinary study of life writing This collection brings together new work by established authorities in autobiography such as Timothy Dow Adams G Thomas Couser Cynthia Huff and others along with essays by emerging scholars in the field Subjects range from new interpretations of well known autobiographies by Edith Wharton Gertrude Stein and Lucy Grealy as well as scholarly surveys of more recently defined subgenres such as the numerous New Woman autobiographies of the late 19th century adoption narratives and sibling memoirs of the mentally impaired Due to their wide interdisciplinary focus these essays will prove valuable not only to more traditional literary scholars interested in the classic literary autobiography but also to those in Women's Studies Ethnic and African American Studies as well as in emerging fields such as Disability Studies and Cognitive Studies

The Culinary Imagination: From Myth to Modernity Sandra M. Gilbert, 2014-08-25 From the recipe novel to the celebrity chef renowned scholar Sandra M. Gilbert explores the poetics and politics of food In this stunning and important work the prominent critic poet and memoirist Sandra M. Gilbert explores our relationship with food and eating through discussions of literature art and popular culture Focusing on contemporary practices *The Culinary Imagination* traces the social aesthetic and political history of food from myth to modernity from ancient sources to our current wave of food mania What does it mean to transform raw stuff into cooked dishes which then become part of our own bodies to savor festive meals yet resolve to renounce gluttony to act as predators where in another life we might have become prey Do the rituals of the kitchen have different meanings for men and women for professional chefs and home cooks Why today do so many of us turn so passionately toward table topics on the page online and on screen What are the philosophical implications of the food chain on which we all find ourselves In *The Culinary Imagination* Gilbert addresses these powerful questions through meditations on myths and memoirs children's books novels poems food blogs paintings TV shows and movies Discussing figures from Rex Stout to Julia Child and Andy Warhol from M. F. K. Fisher and Sylvia Plath to Alice Waters and Peter Singer she analyzes the politics and poetics of our daily bread investigating our complex self definitions as producers consumers and connoisseurs of food The result is an ambitious lively and learned examination of the ways in which our culture's artists have represented food across a range of genres

Dunak provides a nuanced history of the American wedding and its celebrants Blending an analysis of film fiction advertising and prescriptive literature with personal views from letters diaries essays and oral histories Dunak demonstrates the ways in which the modern wedding epitomizes a diverse and consumerist culture and aims to reveal an ongoing debate about the power of peer

culture media and the marketplace in America iVino! Karl J. Trybus, 2023-10 *Vino* explores the history and identity of Spanish wine production from the mid nineteenth century to today Nineteenth century infestations of oidium fungus and phylloxera aphids devastated French and Italian vineyards but didn't extend to the Iberian Peninsula at first giving Spanish vintners the opportunity to increase their international sales Once French and Italian wineries rebounded however Spanish wine producers had to up their game Spain could not produce only table wine it needed a quality product to compete with the supposedly superior French wines After the Spanish Civil War the totalitarian Franco regime turned its attention to Spain's devastated agricultural sector but the country's wine industry did not rebound until well after World War II In the postwar years it rebranded itself to compete in a more integrated European and international marketplace with the creation of a new wine identity As European integration continued Spanish wine producers and the tourism industry worked together to promote the uniqueness of Spain and the quality of its wines Karl J Trybus explores the development of Spanish wine in the context of national and global events tracing how the wine industry has fared and ultimately prospered despite civil war regional concerns foreign problems and changing tastes **Corkscrewed** Robert V. Camuto, 2008-11-01 Robert V Camuto's interest in wine turned into a passion when he moved to France and began digging into local soils and cellars *Corkscrewed* recounts Camuto's journey through France's myriad regions and how the journey brought about a profound change in everything he believed about wine The world of great wines was once dominated by great Bordeaux châteaux As those châteaux were bought up by moguls and international corporations the heart of French winemaking moved into the realm of small producers whose wines reflect the stunning diversity of regional environment soil and culture terroir In this book we follow Camuto across France as he works harvesting grapes in Alsace learns about wine and bombs in Corsica and eats and drinks his way through the world's greatest bacchanalia in Burgundy Along the route he discovers a new generation of winemakers who have rejected chemicals additives and technologically altered wines His book charts an odyssey into this new world of French wine a world of biodynamic winegrowing herbal treatments lunar cycles and grape varieties long ago dismissed as difficult A celebration of the diversity that makes French wine more than a mere commodity Camuto's work is a delightful look beyond the supermarket to the various flavors offered by the true vintners of France
