My Life East West:

My Life and Times William B. Wray, 2022-12-12 *My Life and Times* is the narrative of a life both ordinary and extraordinary. The author grew up in the Midwest in a lower middle class working household. His immediate forebears lost their jobs and occupations, homes, and money in the Great Depression. His more distant ancestors emigrated from many parts of northern Europe and settled in what would become or was Pennsylvania, New Jersey, and Maryland between the seventeenth and nineteenth centuries. Although the author's family had little money, as the first born of four children, it was understood that he would go to college. In due course, he graduated magna cum laude from the University of Utah, obtained a PhD in economic geology from the University of California at Berkeley, and a Juris Doctor degree from Harvard Law School. His professional career included work in the natural resources industries and in the law profession. The author describes himself, his experiences, and observations about life over three quarters of a century in a candid, authentic, and accurate way. His life has been that of ethnic mainstream White Protestant America, a category and subject rarely written about. He has observed from the vantagepoint of an ordinary person the social and economic environment of the times. Supported by a personal diary, correspondence, and photographs, this account is both factually accurate and objective. The story is a record of how his life and the lives of those around him, including many relatives, friends, and associates, evolved over time as American and world societies developed and changed.

My Life Map Kate Marshall, David Marshall, 2012 An introspective fill-in-the-blank that helps readers reflect on their past, evaluate the present, and dream for the future. *My Life Map* helps people at any stage of life create a visual road map of both their past and their future in major life areas such as family, work, play, friends, and education. Charting the past highlights patterns you may not have noticed before. Seeing the years ahead encourages you to set goals and shape a future with intention and purpose. This interactive self-help journal includes innovative mapping and chapters on Creating Your Maps, warm-up exercises for envisioning your future, and tips on how to fill out your maps. Sample Journeys, completed maps of fictitious people at different stages of life. *My Life Maps* blank whole life, ten-year, and subject maps to fill out. Putting Your Maps into Practice, tips and tools for establishing next steps and annual checkups, and Reflections, blank pages to record discoveries, challenges, or promises.

My Life Richard O. Rafanovic, 2017-01-13 Richard O. Rafanovic was born and lived throughout his youth in a country that was occupied by Hitler's military, then the Russians, and finally the Communist government of his country. His quest for liberty inspired him to find freedom, which led to his crossing the Iron Curtain on foot in the middle of the night. While in Germany, it became possible for him to come to the United States of America to realize his quest for freedom.

The Time of My Life Willard Van Orman Quine, 1985 Some Power did us the gift, to see ourselves as others can't. With that play on Burns' famous line as a preface, Willard Van Orman Quine sets out to spin the yarn of his life so far. And it is a gift indeed to see one of the world's most famous philosophers as no one else has seen him before. To catch an intimate glimpse of his seminal and controversial theories of philosophy, logic, and language as

they evolved and to hear his warm and often amusing comments on famous contemporary philosophers From his beginnings in Akron Ohio in the early 1900s Quine takes us on a tour of over 100 countries over three quarters of a century including close observations of the Depression and two world wars Far from a philosophical tract it is an ebullient folksy account of a richly varied and rounded life When he does dip into philosophy it is generally of the armchair sort and laced with a gentle good humor There is that which one wants to do for the glory of having done it and there is that which one wants to do for the joy of doing it One can want to be a scientist because he wants to see himself as a Darwin or an Einstein and one can want to be a scientist because he is curious about what makes things tick In normal cases the two kinds of motivation are in time brought to terms In me the glory motive lingered In this book Quine approaches the details of his life the way he has always approached them with a sharp sense of interest adventure and fun And he has a skill for picking a word that is just off center enough to pull an ordinary event out of the humdrum of daily life and evoke its personal meaning The result is a book of memories that is utterly mesmerizing Willard Van Orman Quine is the author of numerous books including *Word and Object* published by The MIT Press in 1960 A Bradford Book *My Life With Redskins* Corinne Griffith, 2013-04-26 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Michael in My Life** Elizabeth Billeaudeau, 2015-05-20 Michael in My Life chronicles my lifelong recollections and journals of prophetic dreams messages symbols spiritual visitations poems and prayers I explore my connection to the Divine in life to Michael and to friends and family as well We all have signs and clues guiding us along our paths in life sometimes we see them in time sometimes we don't However it's especially easy to see these signs when looking back on your life and that's what I've done with Michael in My Life Michael Jackson has always been at the heart of my spirituality even when I didn't recognize it at the time Looking back over the past 50 plus years it is crystal clear to me He was is and will always be with me I'm so happy to be joined by 24 fellow Disciples Soldiers of Love whom have shared their loving stories of Michael in their lives All wonderful MUST reads Full color awesome artwork included *My Life, My Food, My Kurdistan* Chiman Zebari, 2015-06-19 My Life My Food My Kurdistan is a compelling story of a woman who immigrated to the United States after Saddam Hussein's tyranny and purging of the Kurds in the 1970s As a young girl Chiman was in an arranged marriage yet ultimately she tells a story of personal strength achievement and autonomy She shows us that even the most turbulent journeys are often simultaneously rewarding I would like to take this moment to acknowledge this powerful story from a strong woman and good friend [My Life with Trains](#) Jim McClellan, 2017-06-16 A vivid memoir of a long career in the industry packed with color photos Classic Trains Named one of the 75 People You Should Know by Trains Magazine Jim McClellan was a railroading legend and one of the railroad industry's titans An iconic and innovative executive McClellan participated in the creation of both Amtrak and Conrail and worked for the Norfolk Southern the New York

Central US Railway Association and the Federal Railroad Administration My Life with Trains combines a world class photographer s love of railroading with the insights of a government and railroad official The book provides a short historical overview of the changes in the industry recounts McClellan s experience at various railroads and offers personal reflections on a lifetime of working with and chasing trains Expertly detailed with over 250 stunning color photographs My Life with Trains covers sixty years as observed by a legendary railroad strategist **My Life Through Six Continents** Azm Fazlul Hoque,2011-06-15 This book tells the story of the author s life work travel and experiences The book also deals with the geopolitical circumstances of the world specifically of Asia and South Asia during his life time and provides some dream like options for future The book also vividly describes some conflicts economic social political and familial that the author experiences at personal national regional levels It is a real life captivating story The Times of My Life and My Life with The Times Max Frankel,2016-04-20 Since 1949 when Pulitzer Prize winning journalist Max Frankel began to write for The New York Times readers have looked to his work as a lens through which they could witness America s role in a rapidly changing world In this vivid and unforgettable memoir Frankel chronicles the times of his extraordinary life as he experienced them within the context of the news stories that defined an era A quintessentially American story The Times of My Life traces Frankel s riveting personal relationship with history his harrowing escape from Nazi Germany his life as an immigrant on the streets of New York and his extraordinary half century long career at The Times In a rich first person account that moves from Hitler s Berlin to Cold War Moscow from Castro s Havana to the newsroom of America s most influential newspaper this powerful compelling work interweaves Frankel s personal and professional lives with the era s greatest stories from Sputnik to the Pentagon Papers to the collapse of the Berlin Wall And it reveals Frankel s fascinating off the record encounters with Nikita Khrushchev Henry Kissinger John Kennedy Richard Nixon and a host of other history makers who shaped their times and ours Guiding readers through Hitler s Berlin Khrushchev s Moscow Castro s Havana and the Washington of Kennedy Johnson and Nixon THE TIMES OF MY LIFE reevaluates the Cold War and interweaves Frankel s personal and professional life with the greatest stories of the era NOTE This edition does not include photographs My Life Journey Chris Holly,2024-12-06 The book is about the six children all girls the author and her husband adopted from South Korea The author s husband had a friend who happened to be a professor at the University of Arizona The professor had the author promise to write a book on adoption because he felt that this would be of great interest to sociologists With that in mind the author felt it more important to spread the gospel news through her ties with the church **Thomas Ince** Brian Taves,2012 Ince turned movie making into a business enterprise Progressing from actor to director and screenwriter he revolutionized the motion picture industry through developing the role of the producer Taves chronicles Ince s life from the stage to his sudden death as he was about to join forces with media tycoon William Randolph Hearst He explores Ince s impact on Hollywood s production system the Western his creation of the first American movies starring Asian performers

and his cinematic exploration of the status of women in society **My War, My Life** K. Sophie Stallman, 2013 Three generations ago author Sophie Stallman was a young girl living a normal and happy existence with her traditional and privileged Polish family But when the Germans invaded Poland on September 1 1939 Sophie's life as she knew it would cease to exist Under Nazi occupied Poland Sophie and her family were forced to endure a daily life of deprivation fear and struggle but despite the abysmal war conditions to which she was subjected Sophie was determined to pursue her own life in spite of the war Pressing forward with her academic education and following her love of music she excelled developing her modern dance talents and mezzo soprano voice Sophie also made the courageous decision to join the Polish resistance organization a move that would put her life in constant jeopardy especially during the 1944 Warsaw uprising *My Life Adventure* Sherwood H. Brock, 2009-03-10 **Six Chapters from My Life Downunder** Yang Jiang, 1988-05 By now the world is familiar with the disastrous consequences of the ten year period 1966-1976 in China's history known as the Great Proletarian Cultural Revolution The mistakes of Mao Zedong's later years have been officially acknowledged and the infamous Gang of Four publicly tried and sentenced for their crimes But on the cultural front the thaw had no sooner come than gone A campaign against what is regarded as spiritual pollution is being waged to inhibit free expression among creative writers Thousands of scholars authors respected professors and academicians who as a class were the most persecuted in what some observers called China's holocaust are back at their respective stations bent over the task of modernization For understandable reasons few have written candidly about their experiences during the Cultural Revolution Yang Jiang is an outstanding exception In this memoir she gives a poignant account of the more than two years she and her husband were sent down to the barren countryside for reeducation through labor Yang Jiang touches upon any horrendous acts only in passing or by indirection mainly she relates in well tempered tones the everyday incidents at their cadre school which add up to a harrowing tale Patterned after Shen Fu's *Six Chapters of a Floating Life* a minor classic of the Qing dynasty *Six Chapters from My Life Downunder* is a testimony of remarkable sophistication and at the same time a powerful indictment of the madness of ignorant totalitarian rule The author writes in a subtle almost allegorical style letting the reader share in her skepticism disappointment and frustration with the people or the system responsible for what was done to her family and her fellow victims More in sorrow than in anger here and there with a touch of wry humor she records the backwardness and distrust of the peasants who were their masters the utter waste of human resources the vicious nature of political campaigns and the people involved in them and above all the devotion between husband and wife which kept them going throughout their ordeal While describing a society in one of its darkest moments Yang Jiang reaffirms the endurance of humanity Although Yang Jiang lives in Beijing *Six Chapters from My Life Downunder* first appeared in a Hong Kong magazine in April 1981 and was published in book form there in the following month attracting wide attention it was published in the People's Republic of China later that year The edition sold out quickly and no subsequent printings have been available The present

English translation first published in the journal *Renditions* is issued here in slightly revised form and with the addition of footnotes and background notes

My Life in Politics Jacques Chirac, 2012-11-13 Along with Mikhail Gorbachev Helmut Kohl and Francois Mitterand Jacques Chirac is one of the most iconic statesmen of the twentieth century Two time president of France mayor of Paris and international politician a recent poll voted him the most admired political figure in France with current president Nicolas Sarkozy ranking in 32nd place This memoir covers the full scope of Chirac's political career of more than 50 years and includes the last century's most significant events A protégé of General de Gaulle Chirac started political life after France's defeat in Algeria in the early 1960s He then became Prime Minister George de Pompidou's bulldozer and a personal negotiator with Saddam Hussein for France's oil interests in the Persian Gulf He sold Iraq its first nuclear reactor and incurred the wrath of the United States and Israel which he discusses in striking detail As mayor of Paris Chirac was famed for his success in beautifying the City of Lights and keeping it whole during the heady days of the 1968 riots As president in the 1990s and early 2000s Chirac took controversial steps to privatize the economy and plan the European Union Chirac seldom pulls punches and in several dramatic chapters describes his opposition to the US invasion of Iraq in 2002 and his personal meetings with George W Bush These landmark events are brought into sharp focus in this memoir that the popular French magazine *Paris Match* said steals the show even after its author decamped the presidential palace

My Life, Our Lives Roger Molina, 2011-04-18 This autobiography is about a young man growing up during the great depression who fought in WW2 came home and started a family retired from the military and pursued a second civilian career You hear his frustration and joy in his own words as if he was speaking to us

The Story of My Life Mary Ashton Livermore, 1898

My Life in Verse Bill Inglis, 2023-12-08 As long as I can remember the only thing that fills my brain are words and ever since starting school and falling in love with rhyming iambic pentameters I have been writing old fashioned poetry This collection has been garnered and put together from hand drafted papers and my sister having taught me how to type so that she could read my scrawl from a life's collection of typed manuscripts

My Life As A Spy Leslie Woodhead, 2012-12-13 An award winning and highly distinguished documentary film maker Leslie Woodhead has written a funny sad and highly atmospheric memoir of what it was like to be hurled into maturity amidst the peculiar circumstances of the Cold War In the spring of 1956 like two million other men of his generation the eighteen year old Leslie Woodhead received a summons to serve Her Majesty Charting his progress from the austerity of post war Halifax via comically bleak RAF training camps and the grim isolated Joint Services School for Linguistics *My Life As A Spy* takes us finally to Berlin and the front line of the Cold War In the ruins of a city gripped by espionage and paranoia Leslie Woodhead discovered adulthood and his vocation as an observer and documenter of people A slice of Cold War history and a poignant tale of how our lives can be formed by events and experiences we barely comprehend at the time a delightfully irreverent memoir Woodhead's memories exude a wonderful sense of nostalgia for a world of lost innocence that to anyone over 60 is instantly recognisable
