and in war They introduce the cultivated tastes the refined habits the freedom of thought of modern life and from the period in which they flourish modern history dates Of these three monarchs Francis is the boldest cleverest and most profligate The elegance refinement and luxury of his court are unrivalled and this luxury strikes the senses from its contrast with the frugal habits of the ascetic Louis XI and the homely Louis XII His reign educated Europe If ambition led him towards Italy it was as much to capture the arts of that classic land and to bear them back in triumph to France as to acquire the actual territory Francis introduced the French Renaissance that subtle union of elaborate ornamentation with purity of design which was the renovation of art When and how he acquired such exact appreciation of the beautiful is unexplained That he possessed judgment and taste is proved by the monuments he left behind and by his patronage of the greatest masters of their several arts The wealth of beauty and colour the flowing lines of almost divine expression in the works of the Italian painters of the Cinque cento delighted the sensuous soul of Francis Wherever he lived he gathered treasures of their art around him Such a nature as his had no sympathy with the meritorious but precise elaboration of the contemporary Dutch school led by the Van Eycks and Holbein It was Leonardo da Vinci the head of the Milanese school who blended power and tenderness that Francis delighted to honour He brought Cellini Primaticcio and Leonardo from Italy and never wearied of their company He established the aged Leonardo at the Chateau de Clos near his own castle of Amboise where the painter is said to have died in the arms of his royal patron As an architect Francis left his mark beyond any other sovereign of Europe He transformed the gloomy fortress home embattled turreted and moated into the elaborately decorated manorial chateau
