My Lifethose Wonderful Years:

Insights on Retirement: The Wonder Years of Your Life Jay Hettiarachchy, 2014-08-22 This book on retirement is a useful ally in the hands of every worker who works intends to work or planning to retire from work Unlike many other books on retirement this book introduces a very practical way of looking at retirement The insights given at the end of each chapter are stepping stones meant to dispel the negative mental attitudes held by most workers regarding retirement from work They provide valuable ideas towards formulating a plan for the retirement life from the very beginning of any career most people engage in during the most productive years of life The insights reveal that a systematic plan for retirement is as important for every worker as much as a career plan they do develop throughout their working years It is a time for retirees to begin a second life in which they do things that they were not able to do during the time they worked **These Wonderful Years**

Locals of Covington Robert Schrage,2014-11-10 Covington was a natural place for people to settle Located on the banks of the Ohio and Licking Rivers it developed quickly as the urban core of northern Kentucky Sitting just opposite of Cincinnati Ohio it was a great location for travel by both animals and people Originally owned by Thomas Kennedy the land was ultimately purchased by Thomas Carneal and John and Richard Gano and thus the city of Covington was founded in 1815 Not long after its establishment railroads made Covington their home and many other businesses followed By 1850 it was the

second largest city in Kentucky Over its 200 years Covington has seen many people play a role in its history development and reputation Some are great business and community leaders Others made tremendous contributions to the arts and some are notorious A community is defined more by its people than its buildings and streets The individuals who have lived and worked in Covington provide a colorful insight into its past From its founding until the present day these individuals are a fascinating look into the city's history

Jesus Changes Everything Doug Burleigh, 2021-06-01 Discover how participating in religion or having information about Jesus is not the same as knowing Jesus personally There is significant difference between pursuing a personal encounter with Jesus and pursuing information about Jesus Information alone can become heavy religious baggage Information does not love forgive comfort save or heal

Jesus does Many people desire a closer relationship with Jesus of Nazareth and are seeking a deeper understanding of his teaching and how they might apply to their daily life Would it surprise you to know that Jesus has the same desire He wants to know you love you and be part of your daily life The teachings of Jesus reveal the heart of Jesus as nothing else does An intriguing and inspiring book that offers invaluable lessons about living an abundant life drawn from the fascinating experiences of the author and the captivating stories about people from all walks of life who were blessed by spiritual enlightenment Edwin Meese III former US Attorney General Ronald Reagan Distinguished Fellow Emeritus at Heritage Foundation An amazing book that captures the essential teachings of Jesus and how to apply them as a modern day disciple This book could be titled Jesus Distilled If anyone is interested in learning more about the Jewish carpenter of Nazareth and how He changed everything I highly recommend Doug Burleigh s new book Jim Slattery lawyer businessman and former Democrat Congressman Kansas 2nd District King of Sprinkler Lane: A Charmed Life Michael R. Gardner,2014-08-26 A humorous memoir about a mischievous kid who through relentless efforts by his parents Jesuit teachers and wife succeeds as a U S Ambassador lawyer author Georgetown professor and four time Presidential appointee **Another One of Riley's Pianos** John J. Riley,2007-04-24 In 1947 John J Riley at age 17 founded with a capitol of 250 00 a one man piano business selling and restoring used pianos that lasted for 58 years His story is of the piano industry The people he met and who frequented his shop They are interesting and poignant characters Mr Riley is among a rare and vanishing breed of people who loves their lives work In the beginning of the book he quotes the Chinese philosopher Confucius Choose a job you love and you will never have to work a day in your life Mr Riley did just that His story is a rare insight into a small American piano industry That has seen better days that is now in its twilight years Mr Riley spins his story in a real down to earth narrative reminiscing to a kinder and more gentle time of life **Maria's Life in Guatemala and USA** Maria M. Torres,2022-09-14 Maria s story begins in Guatemala a country in Central America It describes the hardships mischievousness and happiness of her childhood along with her parents five brothers and four sisters At an early age and being the oldest child she assumes the responsibility to take care of her younger siblings Despite their poverty and austere life Maria and her family enjoy the best they can with their scarce resources Destiny takes Maria to Los Angeles California a place where she settles and starts a new family She meets her future husband Cree and has two children who are her world It also depicts the sacrifices challenging experiences and the long hours of hard work she endures to begin building the foundation for a better future not only for herself but for her family as well Maria s story is an ordinary but a unique story given her humble beginnings her adaptation to a new society and her successful achievements This is a story of a simple and brave woman an inspiration to emulate **Always Enough** L. Craft,2006-06 As a child Sue Martin struggles to understand why her mother keeps her at a distance Always eavesdropping she hears her mother constantly referring to her as poor ol Sue This contributes to her low self esteem and leaves her feeling abnormal The story begins in the 1960 s and spans the most formative years of her life Possessing an

intensity about everything Sue intellectually and emotionally matures at a young age Gary Waltham a student of art seeks to show her the beauty of the world Everything about him is a contrast to the turmoil and unrest inside her Very mature for their age they grow in love However one night while Sue is alone at a party her curiosity about alcohol leads to reckless drinking As her inhibitions diminish her repressed sexual desires quickly unfold This is the beginning of Sue s secret life of sexual exploration Slowly the reckless disregard for herself erodes her stability Seeking to sort life out at college Sue is stunned by the coldness and indifference of Dr Sarah McBride the Dean of Women Challenged by her demeanor Sue relentlessly breaks through her facade and discovers an amazing story of Sarah s character and strength to out live her sentence of death Unbeknownst to either of them their lives have a parallel reality and connection Sarah McBride now in her sixties is forced to look back at the great love story of her life meanwhile Sue is forced to cope with a devastating tragedy that reveals overwhelming evidence of a love beyond her comprehension An appealing 1960s coming of age story Sue Martin struggling with an emotionally distant mother who refers to her as poor ol Sue suffers from low self esteem and feelings of abnormality But with the encouragement of others she begins to transform her life losing weight and dressing in her own style Narrated by Sue the story reads like a diary imbued with all of the attendant emotional intimacy and quotidian minutiae Though the characters often seem impossibly good forthright and articulate they remain highly sympathetic as they travel through the predictable but engaging plot Always Enough is a pleasant reminder of the magic of young love and the importance of cherishing our loved ones A rewarding read Kirkus Discoveries **The Living Church** ,1919
