My Little Blue Dress Bruno Maddox,2002-03-26 Very funny A pitch perfect account of how it feels to be part of as culture that s better at showing you what to wear than what to believe in a real original New York Magazine A gorgeous girl recalls her coming of age in her tiny picturesque English village at the turn of the last century After she opts out of a rural beauty pageant her life and its telling begins to unravel And it unravels into a multitude of extremely amusing searingly beautiful strands that eventually lead her and a troubled young man who befriends her through the wall upholstered hellholes of modern Manhattan toward a heartrending and hugely satisfying climax that will almost literally blow your socks off Fun full throttle stuff which rather miraculously dresses down the pernicious personal history trend while remaining both giggly and moving in its own terms Entertainment Weekly
