and created both a sense of community among the children and a deep sense of loneliness From walking silently single file through the cold narrow halls of the hospital to nurses recording every detail of their bathroom habits to extremely limited visitation from family Currie s time at the preventorium changed her and those around her leaving an indelible mark even after their return home While many of the records from the preventorium have been lost Currie s memoir opens to readers a lost history largely forgotten Told in evocative prose The Preventorium explores Currie s personal trials both in the hospital and in the echoes of her experiences into adulthood *Little Guide for Teachers: Healthy Habits for Teacher Life* Charlie Burley,2025-02-07 Empowering teachers to live their healthiest happiest lives and to thrive both in and out of the classroom A practical realistic guide for teachers supporting them to develop and maintain the behaviours beliefs and boundaries they need for a positive teacher life The Little Guide for Teachers series is little in size but BIG on all the support and inspiration you need to navigate your day to day life as a teacher Authored by experts in the field Easy to dip in and out of Interactive activities encourage you to make it your own Read in an afternoon or take as long as you like with it **Over the Boards** Hayley Wickenheiser,2021-10-12 NATIONAL BESTSELLER Hayley Wickenheiser is an incredible human being this is what a billion hours of hard work looks like Ryan Reynolds The greatest women s hockey player of all time Hayley Wickenheiser shares the lessons that won her four Olympic gold medals and hard earned wisdom distilled from moments when she fell short There is no one in the world like Hayley Wickenheiser 13 World Championship appearances 6 Olympic Games Hockey Hall of Famer All while raising a child earning multiple university degrees and not benefiting from the financial stability male professional athletes have She gave the game everything she had now Hayley shares what the game gave her From motherhood to pro leagues to her new career in medicine Hayley shares the hard won lessons she learned on and off the ice that helped her not only have a record breaking hockey career but craft a life filled with joy growth and challenges In her own words Hayley shares how she rose from the backyard pond and changing in boiler rooms because girls dressing rooms didn t exist to Olympic MVP twice How becoming a parent made her a better athlete How she learned to thrive under monumental pressure But she doesn t stop at revealing the pillars to her tremendous success Hayley delves into her immense failures and how she grew from them Like Kobe Bryant Tom Brady and Abby Wambach before her Hayley shares her wisdom through personal stories of triumph relentlessness and more than a couple confrontations Told with humour compassion and steadfast optimism Hayley s practical advice coaching and invaluable perspective inspires readers to never accept that s not the way we do things or that hasn t been done before as limitations An empowering and pragmatic guide Hayley encourages readers to not follow in her footsteps but to carve their own ice *Mrs. Overthway's Remembrances* Juliana Horatia Gatty Ewing,2025-07-09 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Babyhood** Leroy Milton Yale,1887 **Crave** Chris Tomlinson,2010-01-01
