tried to fall asleep that night my thoughts kept returning to the words I had shared with the little girl All of a sudden I remembered Norma Jean and the story she had told me two and a half years before Oh my could it be possible both of them had been telling me of the same little boy I knew then God was trying to tell me something Why else would he have placed these two people in my path more than two years apart There had to be a reason I was there with Jan now So many lives have touched mine and their stories are waiting to be heard Within these pages are the joys the pain the understanding the love the laughter and God s plan in each circumstance Each word is a glimpse into the inner being behind the face through the eyes which watch the world around me You just never know where God will lead you and you never know what God is leading you to But you can rest in the knowledge He has a plan and a reason for you to be where He places you each and every day of your life Keep your eyes open because it is always there in wait for you to recognize and grasp God s outstretched guiding hand Coffee & Chat Ross Richdale,2023-01-10 Coffee Chat is a contemporary novel that follows the life of Nicole Turner after she resigns from her Associate Principal position at Conway Intermediate School in Auckland New Zealand In her opinion the school is heading in a downwards spiral after a new politically correct principal Danielle Plier attempts to replace the technology section part of Nicole s responsibility with ethical and climate change studies Dustin Harris the chairperson of the school s Board of Trustees can t dissuade Nicole from leaving but instead he asks her to take a year s leave of absence She agrees but this decision affects her later in the year Nicole loves the early morning baking at Coffee Chat and her coffee shop where life is in complete contrast to the stress of the position she left One stormy winter morning she meets Rhett Fleming a local lawyer who drops in for a coffee Friendship soon grows into romance when they find they have much in common Shelby Fleming Rhett s wife who he recently divorced has had affairs since their separation but is jealous of Nicole and becomes a problem She has turned to drinking and finally goes to Alcoholics Anonymous where she meets Floyd Willis a quiet guy there They begin an affair before the horrible truth about what he is really like is exposed The Coffee Chat shops are expanded when Rhett suggests licensing their trademark that is an easier method than offering franchises Soon their shops appear in the supermarkets and malls around the city Conditions are agreed to by the licensee and a percentage of the firm s profit pay for the naming rights Nicole enjoys her expanded business and the opportunities involved Unexpectedly in

November Dustin Harris calls in and tells Nicole that Danielle Plier has resigned and she is invited to become acting principal until the end of the year She reluctantly accepts and replaces politically correct changes with the traditional ones These include allowing Christmas to be celebrated and the annual end of year dance is reinstated Her reputation is popular and falling numbers of new entrants enrolling for the next year are halted She resists applying for the permanent principal s position but does help find a suitable principal Danielle Plier hears about the changes blames Nicole for her own downfall and vows revenge But what can she do She seizes an opportunity but later regrets her actions Floyd a womaniser and fraudster meets his match when he answers the door and is shot by a woman who blasts him with a shotgun The police need to find if this assassin is Shelby or somebody else Though Sergeant Mike Pinfold is convinced the murderer is Shelby his superior Detective Inspector Gail McBride orders a wider investigation after a worker cutting grass in a ravine near the city discovers a shotgun Shelby contacts Rhett and asks for his help as a lawyer after she is interviewed over the murder She insists she never killed Floyd even though she found out he was also having an affair with another woman from Alcoholics Anonymous and he has impregnated them both Also he lied about who he really was and even his name and occupation is faked But is Shelby responsible And what does Danielle Plier do to revenge Nicole Also how does Nicole s Coffee Chat business continue to grow

The House on Lombardy Lane Dave Landry,2016-07-15 This book The House on Lombardy Lane was inspired by my days as a teen in Little Rock Arkansas where I was disappointed when my parents who were grocery store merchants did not buy the house we had looked at on Lombardy Lane Pulaski Heights Little Rock Arkansas with intentions of purchasing it Thoughts of this house haunted me throughout my life even throughout twenty five years of living abroad and teaching for the Department of Defense Overseas Dependent Schools throughout Europe My family actually bought a gorgeous house on Wolfe Street West Little Rock in 1945 conveniently placing our family close to then Little Rock High School now Little Rock

Central High and making it convenient to walk to school and to work at our third grocery store on West Fourteenth Street Little Rock The book tells of the many exciting places I lived and taught in the United States and abroad The House on Lombardy Lane still captivates my thoughts and illusions as to how much more dynamically I would have completed my life's journey had my parents purchased this fabulous house of my dreams **The Austrian Aroma** Ronaldo Siète,2023-01-05

The best spy story the worst spy A mouthwatering conspiracy A seven course mystery Luscious ludicrous What's the chance that an elderly lady by accident overhears a terrorist's plans What's the chance that this lady meets a spy whose job it is to save the world What's the chance that you pick the ace of spades from a shuffled deck five times in a row Coincidence doesn't exist Good and Evil play a deadly game of cards Evil is winning One gang is responsible for over three million mortal victims each year with their numbers rising fast What's the chance that Watson The Runner of the LSD and Shirley an old petite woman from Villach can stop them If you have faith you can beat the odds **The Brian "Gibbs" Glaze Story: Beyond Lucky** Brain Gibbs Glaze,Joseph Verola,2015-09-11

Time stopped I heard nothing but felt the recoil forcing my hand to jerk back I watched the bullet and sensed it travel through her head and then the sound as it exited made everything crystal clear I must have closed my eyes because I never saw any blood as her head didn't seem to budge It was surreal Then being so close the matter from her brain head and skull splattered onto my face I can recall not thinking taking my tongue licking the blood from my face and using the sleeve of my hoodie to wipe off the rest At that moment I realized I crossed over to the dark side Glaze suspected of killing of a rookie cop that enraged the country and started police drug raids and investigations throughout America tells the real facts behind the killing of Edward Byrnes Beyond Lucky is a story of extraordinary violence brutality and redemption Crack money murder and Brian Glaze Gibbs became synonymous to local and federal law enforcement agencies Brian admits he was guided by a distorted logic and the peer pressure of the inner city and the desire to be Fly shakin money makin and stylin From the bloody streets of New York to being singled out by Joe Biden's 1996 senate subcommittee investigating the effectiveness of the Witness Protection Program During that hearing the US Government admitted it had given him the deal believing he was responsible for fifty murders and was allowed to keep thirty five million dollars from his trade as a drug lord Glaze describes in great detail how despite being raised by a loving mother and being a church going child he became a major drug lord He started out as an enforcer for one of the most notorious drug lords and eventually became so bloodthirsty that his mentor and accomplices had to restrain him What makes Brian's story so special is that individuals such as Leslie Caldwell Assistant Attorney General who fought to get him into the Witness Protection program after Glaze confessed to multiple murders attempted murders and drug trafficking Beyond Lucky How does a man like Brian Glaze Gibbs roll the dice and escape a death sentence or multiple life sentences and survived the New York City drug wars that resulted in hundreds of people being killed too many of them by him He has been described as the murderer with a big heart and endless charisma After serving only eight years and eight months for his crimes he was given a new

identity and unbeknownst to his neighbors he is now a murderer in their midst It s easy for Brian to say he has changed been redeemed but to have it confirmed by key individuals whom he is still in contact with such as Joe Ponzi Chief Investigator for the New York State District Attorney s Office and Leslie Caldwell Assistant United State Attorney FBI agents Richard Martinez and David Higgins who originally were Glaze s nemesis fought to get him one more chance at life Glaze when asked why he was so fortunate he responded Well I wonder myself but I m not one to second guess God Brian Glaze Gibbs is the blueprint for every drug lord that that grew up in York City A story any wannabe criminal drug dealer should read before hitting The Street wanting to make 40 000 a day *Double Trouble?
