My Mommy Is A Giraffe:

My Mommy Is a Giraffe Sal Bonsangue, 2005-01-18 My Mommy is a Giraffe shows young readers how other animal mothers care for their dependant young The young reader learns from reading this book that human Mommies are not the only animal mothers that love and take good care of their offspring Through the imaginary eyes of juvenile wild animals we learn how various wild animal mothers in their natural habitats take care of their young providing them in their own special way with the love and protection they need to someday become adults and possibly parents themselves Young readers will also hopefully learn that it is the sacred responsibility of people everywhere to protect the natural habitats homes of our wild animal friends and to respect their naturally given right to live and share the Earth with us Since humans demand and take so much from the environment and as a result cause the most amount of damage to our planet than any other living thing we are often the reason why many animals have sadly become extinct and many others are seriously threatened It is up to all of us to help protect and nurture natural habitats thereby insuring a secure future for wildlife everywhere We must all strive to discover acceptable alternatives to our destructive lifestyles that threaten the stability of Earth s many diverse ecosystems It is never too early to teach our young children the importance of respecting and cherishing all the varied life on our little blue planet Hopefully My Mommy is a Giraffe will educate young readers to the fact that it is up to all of us young and old to protect all the wild creatures that share our fragile planet with us [The Handbook of Child Life](#) Richard H.

Thompson, 2018-04-03 Child life is a profession that draws on the insights of history sociology anthropology and psychology to serve children and families in many critical stress points in their lives but especially when they are ill injured or disabled and encounter the hosts of caregivers and institutions that collaborate to make them well Children and their families can become overwhelmed by the task of understanding and navigating the healthcare environment and continue to face challenges through their daily encounters It is the job of child life professionals to provide care and guidance in these negotiations to serve as culture brokers interpreters of the healthcare apparatus to family and child and the child to medical professionals Despite the best efforts to provide quality sensitive psychosocial care to children and their families they remain vulnerable to lingering aftereffects The goal of this revised edition is to help prepare child life specialists to deliver the highest level of care to children and families in the context of these changing realities Each chapter has been substantially revised and two new chapters have been added This book will be a valuable resource for not only child life specialists but also nurses occupational and recreational therapists social workers and other hospital personnel **National Geographic**

Listen to us at last! Natalie Christine Walther,2025-01-17 What remains when the space for our children becomes increasingly limited and creativity curiosity and playful learning no longer have a place When Artificial Intelligence is suddenly supposed to be our future This book is a passionate plea for all children It makes the silent cries for help of our children and adolescents audible who struggle daily with physical and mental challenges In 37 works from conception to 18 years from desire for children birth or adoption to topics such as school neurodermatitis ADHD autism depression vaccinations or ChatGPT a deep look behind the scenes is taken This book is also addressed to all those who are searching for the causes of their own childhood wounds and want to understand how we can together create a worthwhile future with our children **Number9Dream** David Mitchell,2003-02-11 By the New York Times bestselling author of The Bone Clocks and Cloud Atlas Shortlisted for the Man Booker Prize A novel as accomplished as anything being written Newsweek Number9Dream is the international literary sensation from a writer with astonishing range and imaginative energy an intoxicating ride through Tokyo s dark underworlds and the even more mysterious landscapes of our collective dreams David

Mitchell follows his eerily precocious globe striding first novel *Ghostwritten* with a work that is in its way even more ambitious. In outward form *Number9Dream* is a Dickensian coming of age journey. Young dreamer Eiji Miyake from remote rural Japan thrust out on his own by his sister's death and his mother's breakdown comes to Tokyo in pursuit of the father who abandoned him. Stumbling around this strange awesome city he trips over and crosses through a hidden destiny or just monstrously bad luck, a number of its secret power centers. Suddenly the riddle of his father's identity becomes just one of the increasingly urgent questions Eiji must answer. Why is the line between the world of his experiences and the world of his dreams so blurry? Why do so many horrible things keep happening to him? What is it about the number 9? To answer these questions and ultimately to come to terms with his inheritance Eiji must somehow acquire an insight into the workings of history and fate that would be rare in anyone much less in a boy from out of town with a price on his head and less than the cost of a Beatles disc to his name. Praise for *Number9Dream*. *Delirious* a grand blur of overwhelming sensation. *Entertainment Weekly* To call Mitchell's book a simple quest novel is like calling Don DeLillo's *Underworld* the story of a missing baseball. *The New York Times Book Review* *Number9Dream* with its propulsive energy its Joycean eruption of language and playfulness represents further confirmation that David Mitchell should be counted among the top young novelists working today. *San Francisco Chronicle* Mitchell's new novel has been described as a cross between Don DeLillo and William Gibson and although that's a perfectly serviceable cocktail party formula it doesn't do justice to this odd fitfully compelling work. *The New Yorker* Leaping with ease from surrealist fables to a teenage coming of age story and then spinning back to Yakuza gangster battles and World War II era kamikaze diaries Mitchell is an aerial freestyle ski jumper of fiction. Somehow after performing feats of literary gymnastics he manages to stick the landing. *The Seattle Post Intelligencer* [MLM: Moms Losing Money](#) Mary Kate Lewis, 2020-02-08 Multi level marketing companies are a scam. Actually they are worse than a scam. They are tearing down relationships by turning your friends and your family into customers. Ever heard the expression Never mix business with family? There is a reason for that. By adding transactions to your relationships it complicates matters especially when one or more of you end up losing money. I grew up around multi level marketing companies and always assumed I would become a representative one day. I'm a natural salesperson and leader so it seemed like a great fit. I couldn't wait to turn 18 so that I could sign up. But somewhere along the way I started to realize that this business model does not work in the favor of the representatives. I did more research and found out that nearly everyone who pursues this business will lose money. I continued to research and that's when I started this book. I interviewed some former representatives and found common themes of regret, money wasted and time lost. As I continued to read other people's stories I became passionate about spreading the word. MLMs are a scam. Unfortunately I do not see these companies going away through government regulation. If anything the government is protecting these businesses. It will be up to us as individuals to open our eyes to the scam that they are and stop joining and supporting them. *The Star* David Skibbins, 2013-12-10 After two recent

encounters with crime Warren Ritter is determined to live the quiet life but fate isn't paying any attention His daughter Fran with whom he has only recently become acquainted is in serious need of his help She has separated from her husband Orrin who has taken their five month old son and refuses to give him back If she challenges him he will lie about her suitability as a mother He's a police officer and she is afraid he can get away with it Things become even more complicated when Orrin is found dead and Fran becomes the prime suspect Now it's going to take Warren's full store of resources to clear his daughter's name David Skibbins's two previous novels have received high praise both for his unusual and likable sleuth the hippie of a certain age Warren and the vivid Berkeley setting With this third installment Skibbins gives readers another thrilling adventure embellished with the mysteries of the tarot *TWIGS in the Mitten* Diane Bogdan, 2003 **Papas with**

Ponytails Alexandra Flowers, 2019-09-25 For author Alexandra Flowers the mantra strength wisdom courage strength wisdom courage helps settle her mind and get through stressful times In *Papas with Ponytails* she shares how she came to this point in her life This memoir offers an account of Alexandra Flowers' journey It includes the recollection of a host of painful experiences which include surviving an abusive husband the heartache of having her son stolen being in Iran during the hostage crisis in 1980 her despair in rejecting God and turning to drugs and alcohol and includes tales of her experiences with ghosts and prophetic dreams *Papas with Ponytails* also highlights her accomplishments of overcoming fear and insecurity working with refugees in Costa Rica achieving recovery working with teenagers accomplishing lifelong dreams by earning two college degrees as well as details of her son's dangerous attempt to escape Iran in hope of reuniting with his mother **Going To War** Crystal Wolfer, 2025-01-29 While mental health awareness is on the rise it is still a heavily

stigmatized subject with people feeling as isolated and misunderstood as ever Their symptoms experiences and challenges are frequently ignored by health care professionals and support systems alike Whether it's the health care or judicial system author Crystal Wolfer knows from personal experience and her advocacy work how corrupt and broken these systems are *Going to War With Myself* is a genre bending manifesto on the importance of destigmatizing mental health and the pervasiveness of injustice Crystal's personal anecdotes provide insights on living with disabilities battling anxiety and depression and her journey to find faith A love letter to her younger self shows the tremendous dedication and persistence to overcome crushing negative self talk and outsider criticism A fictional short story illustrates common inequalities especially wrongful convictions through a glimpse into the life of a widowed single mother and her son This exposure of various forms of discrimination the people and organizations behind them will hopefully bring about meaningful change in our lives Perceptive and candid *Going to War With Myself* demonstrates the power of spirituality and the necessity for self reflection on the path to healing and self acceptance It's an essential reminder that mental health isn't shameful but not talking about it is **Blasian Invasion** Myra S. Washington, 2017-10-26 Myra S Washington probes the social construction of race through

the mixed race identity of Blasians people of Black and Asian ancestry She looks at the construction of the identifier Blasian

and how this term went from being undefined to forming a significant role in popular media Today Blasian has emerged as not just an identity Black Asian mixed race people can claim but also a popular brand within the industry and a signifier in the culture at large Washington tracks the transformation of Blasian from being an unmentioned category to a recognized status applied to other Blasian figures in media Blasians have been neglected as a meaningful category of people in research despite an extensive history of Black and Asian interactions within the United States and abroad Washington explains that even though Americans have mixed in every way possible racial mixing is framed in certain ways which almost always seem to involve Whiteness Unsurprisingly media discourses about Blasians mostly conform to usual scripts already created reproduced and familiar to audiences about monoracial Blacks and Asians In the first book on this subject Washington regards Blasians as belonging to more than one community given their multiple histories and experiences Moving beyond dominant rhetoric she does not harp on defining or categorizing mixed race but instead recognizes the multiplicities of Blasians and the process by which they obtain meaning Washington uses celebrities including Kimora Lee Dwayne Johnson Hines Ward and Tiger Woods to highlight how they challenge and destabilize current racial debate create spaces for themselves and change the narratives that frame multiracial people Finally Washington asserts Blasians as evidence not only for the fluidity of identities but also for the limitations of reductive racial binaries

Parentless Parents Allison

Gilbert,2011-02-15 Parentless Parents is the first book to show how the absence of grandparents impacts everything about the way mothers and fathers raise their children from everyday parenting decisions to the relationships they have with their spouses and in laws For the first time in U S history as the average age of women giving birth has increased significantly millions of children are at risk of having fewer years with their grandparents than ever before How has this substantial shift affected parents and kids Journalist award winning television producer and parentless parent Allison Gilbert has polled and studied more than 1 300 parentless parents from across the United States and a dozen other countries to find out Through her pioneering research Gilbert not only shares her own story and the significant and poignant effect that this trend has had on her and hundreds of other families but also the myriad ways these mothers and fathers have learned to keep the memory of their parents alive for their children and to find the support and understanding they need

My Mommy Is A Giraffe: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. My Mommy Is A Giraffe : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
