My Mum And Our Dad:

Where's My Mum Now? Brian Cranwell, 2010 For a long time opinion has varied on the role of children when a loved parent granny relative or friend is dying has died There are those who exclude the child from knowledge of impending death and the funeral arguing that it is all too distressing for a child while others maintain that children want to be involved and can make decisions quite young When my husband died we gave the grandchildren the choice It was the youngest two who agreed straight away but Mary 11 hesitated and then said I don't want to go but if I don't I will never forgive myself All three were glad to have gone and said their goodbyes Brian not only believed that children are well able to be involved in the process of death he was prepared to test it with a research project that involved not adults but children who had had a parent die This book records that research its problems and results I have known and worked with Brian for many years His work is meticulous for he is dedicated to the theme having been a clergyman and seen the many sides of dying and the way it is handled by families who themselves are often dealing with the unknown and their own fears of death and dying This book is a must for all who have contact with children parents teachers those in social services and all who need reassurance on the resilience of children who yes have many ways of coping but what they all want from their grownups is honesty openness involvement and love Ann Faulkner Retired Professor of Communication in Health Care [My Mother's Eyes](#) Shanelle Dawson, 2023-10-11 Imagine living with the knowledge that your father had murdered your mother and lied to you your whole life telling you she left because she didn't love you anymore How could a father do this to his children How could a husband do this to a woman he at one time loved When she was four years old Shanelle Dawson's mother Lynette disappeared On 8 January 1982 the woman who had been a loving constant presence vanished without a trace Four year old s might not be able to articulate questions or understand a lot but the ache of absence is very real Year after year that ache persisted Shanelle's father Chris Dawson claimed that his wife just needed to get away This is what he told Lyn's parents and siblings This is what he told his daughters But Lyn never returned home Her side of the bed was immediately filled by Shanelle's teenage babysitter a former student of her father's After thirty six years of her father's lies a podcast called The Teacher's Pet investigated her mother's case Sordid details about the father she loved became public Whispers that he had murdered Lynette grew louder The police refocused on the cold case Then Chris Dawson faced court Forty years after she went missing he was sentenced to twenty four years in prison for the murder of Lynette Now in this brave emotionally powerful memoir Shanelle reclaims her mother's story and finds a channel for her own voice It is an unforgettable insight into the ripples of trauma and loss that family violence brings and shows how Shanelle found the strength to confront her father and can now create a new life after unimaginable deception This is Shanelle's story [My Daddy's Best Friend](#) Billiejo Priestley, Get ready to break all the rules with My Daddy's Best Friend Harley is the wild princess of a biker club and she's got a secret that could get her into serious trouble she's been sneaking around with her father's best friend and the
