Multicultural Curriculum Transformation in Literacy and Language Arts Amanda VandeHei-Carter, Nayelee Villanueva, Christine Clark, 2021-10-06 This book focuses on multicultural curriculum transformation in literacy and language arts subject areas. The discussion of each area outlines critical considerations for multicultural curriculum transformation for the area by grade level and then by eight organizing tools including content standards relationships with and among students and their families and evaluation of student learning and teaching effectiveness. The volume is designed to speak with PK-12 teachers as colleagues in the multicultural curriculum transformation work. Readers are exposed to things to think about but also given curricular examples to work with or from in going about the actual concrete work of curriculum change. This work supports PK-12 teachers to independently multiculturally adapt existing curriculum to create new multicultural curriculum differentiated by content areas and grade levels and by providing ample examples of what such multicultural transformed literacy and language arts curricula looks like in practice. *REFORMA Newsletter*, 2002 **MultiCultural Review**, 2003

School Library Journal, 2002 **My Tata's Remedies / Los remedios de mi Tata** Roni Capin Rivera-Ashford, 2015-09-07 This charming little book will introduce young readers to safe and effective natural remedies from the native traditions of the American Southwest. A good way to learn about the healing power of plants. Andrew Weil MD Aaron has asked his grandfather Tata to teach him about the healing remedies he uses. Tata is a neighbor and family elder. People come to him all the time for his soothing solutions and for his compassionate touch and gentle wisdom. Tata knows how to use herbs, teas, and plants to help each one. His wife Grandmother Nana is there too bringing delicious food and humor to help Tata's patients heal. An herbal remedies glossary at the end of the book includes useful information about each plant plus botanically correct drawings. Roni Capin Rivera Ashford grew up in Nogales on the Arizona-Mexico border. Born into a pioneering Jewish family with roots in Eastern Europe, Roni embraced the languages, cultures, and people on both sides of the border. Now a retired bilingual educator, her first book *My Nana's Remedies: Los Remedios de mi Nana* is a classic a parent's and teacher's friend for teaching children traditional values. Antonio Castro L. is nationally recognized for his illustrations of books by Joe Hayes. Teaming up with his son, book designer Antonio Castro H., he uses his exacting illustrative skills to bring to life this story of family and plants. Born in Zacatecas, Mexico, Antonio has lived in the Juarez-El Paso area for most of his life.
