Facing Your Giants Max Lucado, 2013-04-29 How long has your Goliath dominated your days and pilfered your peace Like David you know well the presence of Goliath Your Goliath doesn't carry a sword or shield he brandishes blades of unemployment abandonment or depression Your giant doesn't parade up and down ancient hills he prances through your office your bedroom your classroom He brings bills you can't pay addictions you can't resist a past you can't shake and a future you can't face How long has your Goliath stalked you Invaded your first thought of the morning and last worry of the night David knows a little something about facing giants The shepherd boy seemingly had little to offer against the nine foot nine inch Goliath You could read his story and wonder what God saw in him Throughout his life David fell as often as he stood stumbled as often as he conquered But for those who know the threat of a Goliath David gives this reminder Focus on Giants You Stumble Focus on God Your Giants Tumble Are you ready to face your giant Let David's story inspire you The same God who helped him will help you

Creating Your Giant Self Robert Rose,2001-06-05 A critical reason this is well maybe not THE best a useful book is that YOU do the work The more you apply what you learn and understand the greater your growth This is not a quick fix book but one to assist you in a lifelong journey of self discovery It is difficult to understand what another person really thinks or feels because it is dangerous to your career your relationships and even your existence You can learn to know who you really are As you travel you will find things about yourself you dislike and like The more honest you are the more you will like yourself and amazingly enough like and be liked more easily by others By using the metaphors of Giant and diminished self you have a means to constantly evaluate what you are experiencing As you do this you are getting more in tune with what you re thinking and feeling Most people are not congruent that is what they think and what they feel are not in synch In psychology when this happens it is called inappropriate affect The face you show does not reflect what you feel or think Yet in many situations you cannot because the repercussions are too great express or even show what you re thinking and feeling so what you say does not reflect your internal experience As the years pass you move further away from congruency and often can no longer even recognize what you are feeling and thinking You believe that what you re supposed to feel or think in that setting is what you re actually feeling and thinking I will try to help you discover who you are or could have become or still could become In metaphor it is creating your GIANT SELF which is the realization of your inherent potentials plus hard work This self is a marked contrast to your diminished self This self is the brainwashed depressed frightened rigid self that those with greater power have made you believe is who you are Without even knowing you I can say that you can become a person who can look yourself in the mirror and honestly like who you see It means opening up to ideas and concepts that may be confusing unnerving and may mean that your world as you know it now will never be the same Many of the ideas seem to be

so simple and logical that you will say I knew that You may know it but have you had the courage to apply it I think one reason Dr Wilson believes in this book is that I send an honest searchlight into my mind body and soul Some of the things I discovered I did not like still do not like However I found that by challenging EVERYTHING I believed I was able to free myself from many of the errors of my past Besides my dark sides I found a rather decent intelligent person who was worthy of being loved and appreciated One thing I had to admit and face was the number and constancy of errors I made on a regular basis Humans are error making machines There are so many things that cause us to make mistakes that each of us could talk for hours about the stupid things we've done How many times have you pulled instead of pushed even though the sign on the door was very clear I know I have I shake my head and laugh most of the time Other times my inattention or stupidity creates errors of judgement that could have caused a serious accident I misjudge how far away a car is before I shoot out into the intersection Or I'm in a rush and I take a chance knowing full well that I'm acting like a fool Take our senses Each information bit that stimulates one of our sensory nerves is affected by our attention toward it its magnitude its intensity its uniqueness and the number and sensitivity of the nerve endings that receive it It then travels through that sensory system with countless chances for the message to be garbled or misinterpreted

Puppy Kisses To Partnership Joyce Guthrie, 2012-08-12 The purpose of this book is to take you and your puppy from the dream before your puppy is even a reality which means finding the right breeder one using ENS an enrichment program and PAT testing to picking the right puppy to properly training your puppy once you bring him or her home to build that ultimate relationship that perfect partnership that bonds you for life There are so many optimal steps that can be taken long before you and your puppy ever step into a training class The techniques used are applicable to large breeds mixed breeds and rescues as well as giants The term giants refers more to size and weight than any particular breed

The Battle Worth Fighting Julie Ann Allen, 2018-10-30 When we first become parents we don't imagine ever being single parents Regardless this is where we are Instead of evaluating God's love based on your circumstances evaluate your circumstances through the lens of God's love This is what it is to co parent your children with God The Battle Worth Fighting is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing

you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them *Unleash Your Giant & Step into Your Greatness* Jaha Knight, 2018-05-31 *Unleash Your Giant Step into Your Greatness* is a leadership book for entrepreneur women designed to help you shake loose your shrinking thinking and uncover the magnificent being you were made to be As entrepreneur women we are each presented with a continuous stream of moments in life in which we exercise choices The choices we make can either lead to self defeating behaviors or to behaviors that affirm and honor our lives Over time depending on the mix of our choices we are either headed for breakdowns or breakthroughs Our power is in how we choose to lead ourselves within the breakdown or the breakthrough and in order to lead in business we must be clear on the leadership we provide to ourselves Not believing in your greatness especially when faced with challenges stunts your growth You can be a leader in place as long as you re committed to continual growth in your mindset your language and an understanding of self But what happens when you stop growing or you stop believing in your greatness especially when faced with challenges As women we tend to play small and that stops us from growing in the way we need to in order to honor leadership roles Almost every entrepreneur worries about the fear of failure not feeling good enough and can even suffer from imposter syndrome at some point in their business journey In this book and workbook you will discover tools to help you tap into your growth mindset so those big beautiful dreams you have can come into fruition You are amazing but when it comes to receiving your blessings you find yourself stretched thin by trying to stay in your comfort zone So it s time to get out of your comfort zone to rid yourself of limitations that hold you back from harnessing your power So join us on this journey to equip you with the tools and techniques that will lead to exposing and resolving any self limiting beliefs fears or actions that keep you from reaching personal greatness *Slay Your Giants* Nell W. Mohny, 2007-09-01 This book by popular author Nell W Mohny draws from the biblical story of David and Goliath offering readers inspiration and encouragement for facing and defeating the spiritual giants in their lives such as grief depression procrastination stress perfectionism anger and resentment jealousy lust and loneliness Questions are provided at the end of each chapter to help individuals and groups dig a little deeper *Through Valleys to Victory* William L. Stephens, 2020-10-03 Depression is a thief It can steal your confidence your sleep your peace of mind your relationships and even your life Depression can feel like a dark tunnel where the only light is the headlamp of an oncoming train If you find yourself feeling alone even in a room full of friends losing sleep irritable for no obvious reason struggling to concentrate on things you used to love you re in good company Author Bill Stephens spent years wondering why he felt so bad before he figured out he was depressed Like millions of others suffering with this insidious disease Stephens found relief in counseling and medication but his problems persisted

Through Valleys to Victory is about one ordinary man's determination not just to survive but to thrive in spite of recurring depression. In this book, Stephens describes his own battle with depression and his efforts to understand how the disease can mess with your mind, body, and spirit. Stephens' story is ultimately about victory and hope for anyone willing to face their fears and stand up to their own demons with God's help. There are plenty of books on depression from a medical or counseling perspective, but this account adds a unique spiritual approach. Stephens believes that depression attacks not only the human mind and body but the spirit as well. Beating depression requires healing in all three areas. Through Valleys to Victory is an open, honest, and insightful approach to defining, identifying, and overcoming depression. With careful research, personal anecdotes, and emphasis on faith in Jesus Christ, it will help to relieve any soul burdened by the blues. **The First Rule of Slaying Giants** Leif Hetland, *Ashes to Life* Ray Amadi, 2009-01-01. Chike, a businessman at Alaba International Market, dies in a car crash and then finds himself alive again inhabiting the body of a streetwise goat. But Chike has a driving force for survival: his family. He must locate them. Will he find them? Will he be welcome? *Goliath Must Fall for Young Readers* Louie Giglio, 2020-10-27. Louie Giglio, the director of the Passion Movement that has reached more than a million young people, shares *Goliath Must Fall for Young Readers*, a children's book about facing fears and overcoming adversity by relying on God. Our kids face more pressure and stress than ever before. Issues such as fear, jealousy, loneliness, and anxiety seem like giants standing in the way of the joy-filled childhood and adolescence we want them to have. In *Goliath Must Fall for Young Readers*, pastor Louie Giglio shows kids that only God can help them defeat those giants, and He will. This book is adapted for middle-grade readers, ages 8 to 12, from the national bestseller *Goliath Must Fall*, which has sold over 200,000 copies. It has practical tools and thought-provoking activities to help kids learn strategies to surrender their fears, overcome bad habits, and let go of the comforts this world tells them they have to have. It is a great purchase for kids who are struggling with stress, anxiety, technology addiction, or other troubles, and for fans of Louie's other children's books, *Indescribable* and *How Great Is Our God*. While addressing the struggles kids face today with temptation, social media comparisons, and anxiety, Louie Giglio reveals a surprising twist in the David and Goliath story that might just change everything about the way we see Jesus and how to conquer the giants in our lives.
