Levenson, 2025-10-07 From a beloved faith leader a collection of powerful conversations on faith and meaning with twelve public figures who explore the impact of faith in their lives and their success An openhearted testament to the power of religious belief in a chaotic world Publishers Weekly Through interviews with twelve remarkable and renowned people of various Christian faiths author Russell J Levenson Jr explores different ways people come to faith and sustain it in their daily lives The result is a collection of fascinating moving and unique stories rarely shared with the public For instance Secretary Rice notes that she knelt down to pray every night when she worked in Washington but often was so tired she fell asleep during prayer time Denzel Washington asked to begin and end the interview for this book in prayer with Levenson and Amy Grant shared that because of a brain injury she now has trouble reciting scripture so she sings it instead Each interview delves into the private spiritual side of public figures and reveals that behind success and fame there is often a vibrant personal faith in God that nourishes them Jim Nantz and Brit Hume reflect on the role of their faith as they pursued careers in broadcasting Sam Waterston and Gary Sinise share thoughts on faith as they navigated fame in the entertainment industry James A Baker III Admiral William McRaven and Ambassador Nikki Haley consider how faith helped them make tough political decisions and Dr Francis Collins and Jane Goodall ponder the bridge between faith and science You will come away contemplating the role of faith in your own life and consider what truly matters at the end of the day **Gangster Prayer** Autumn Miles, 2019-07-16 Change your life and become an inspiring passionate praying warrior who proclaims God's Word with this refreshingly honest guide to strengthening your faith If you want positive results from prayer you first need to pray But so many people who say they believe in the power of prayer actually pray very little or not at all It's time to get serious about prayer Autumn Miles says that we must stop being prayer wimps and instead be transformed into prayer gangsters people who are passionate about their faith and loyalty to God Autumn believes that God wants to give us so much more than what we've been settling for It's time our prayer life which has been mediocre at best becomes something that is Fervent intentional and highly expectant **Gangster Prayer** won't teach you how to pray Instead it will help reveal the heart behind a believing prayer and put the focus back on who we are praying to instead of on what we are praying for With a changed perspective and objective we can finally see the results from prayer we've been longing for not just answers but a changed life **The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet** Mary Cowden-Clarke, 1845 *On the Same Page with God* Jenn Soehlin, 2024-07-30 *On the Same Page with God* will help you view the Bible as a treasure trove of prayer possibilities providing you with the words that can align your heart and your will with God

Thin Places Marshall E. Quilling, 2022-04-14 What Doing Where Going Why When we were young and recently married we purchased our first home in South St Paul Minnesota It was a very nice three bedroom rambler with a tuck under single car garage The basement was finished and the yard was beautifully landscaped with a terraced garden in the back yard complete with a statue of Jesus We paid 31 000 and had anxiety about how we were going to pay the mortgage payment of 160 per month Our side door was directly across from our neighbor's house 20 feet away Our neighbors had two little boys around the ages of three and five They did not let their boys play with any other children and kept them inside most of the time Their vocabulary was very limited and we only heard them say three things They were however very friendly and came running up to me every time I would see them The first thing they would say was What doing When you told them what you were doing they would ask Where going When they were satisfied with your answer the final question was Why As I have reflected about these questions over the years I have come to realize that these are very profound questions What am I doing where am I going and why Have you ever asked yourself these questions I have never sat down and charted my life but I have been lead and protected by a mysterious force As you read this book ask yourself these questions Is life more than eating drinking and being merry and then you die Is there someone or something out there in the universe who is watching me Is there someone wanting to interact with me This is the story of my life my search for truth and my journey I am not an extraordinary person Some of my adventures may seem a little strange They were strange for me too Sometimes I identify with Sergeant Joe Friday in Dragnet Just the facts ma'am Just the facts I hope that in sharing my life you too may find answers to these basic questions I hope that you will find peace and contentment as I have found in my life Blessings Marshall E Quilling To contact author E mail marshall_marshallquilling.com Website www.marshallquilling.com
