My Of Seasons:

My Seasons Etta Barnes, 2019-10-24 Poetry Family and the changing of My Seasons My retirement has been an incredible challenge of every emotion known to humans We moved from California to Mississippi exchanging the city for the country This continuing evolution has enabled me to reintroduce myself to the changing dynamics of family and friends Re hatching old young and new acquaintances at a slower pace Come together with me in My Seasons as we navigate this slower pace unearthing hidden insights Of course there is always a chance to trip fall and experience bruises That s where heaven comes along Some memories are sacred Others are there to share transparency My Seasons is a collection of poetry songs and the preservation of my walk back home It s blessed to know that our Father in heaven is always seeking to greet us wherever we may roam
