My Past Is Now Further Memoirs Of A Labour Lawyer

Edited by Butler Marian, Marian Butler

My Past Is Now Further Memoirs Of A Labour Lawyer:

My Past is Now John Stanton, Canadian Committee on Labour History, 1994 **Militant Minority** Benjamin

Isitt, 2011-01-01 *Militant Minority* tells the compelling story of British Columbia workers who sustained a left tradition during the bleakest days of the Cold War Through their continuing activism on issues from the politics of timber licenses to global questions of war and peace these workers bridged the transition from an Old to a New Left In the late 1950s half of B C s workers belonged to unions but the promise of postwar collective bargaining spawned disillusionment tied to inflation and automation A new working class that was educated white collar and increasingly rebellious shifted the locus of activism from the Communist Party and Co operative Commonwealth Federation to the newly formed New Democratic Party which was elected in 1972 Grounded in archival research and oral history *Militant Minority* provides a valuable case study of one of the most organized and independent working classes in North America during a period of ideological tension and unprecedented material advance Power, Politics, and Principles Taylor Hollander, 2018-06-12 Set against the backdrop of the U S

experience *Power Politics and Principles* uses a transnational perspective to understand the passage and long term implications of a pivotal labour law in Canada Utilizing a wide array of primary materials and secondary sources Hollander gets to the root of the policy making process revealing how the making of P C 1003 in 1944 a wartime order that forced employers to the collective bargaining table involved real people with conflicting personalities and competing agendas Each chapter of *Power Politics and Principles* begins with a quasi fictional vignette to help the reader visualize historical context Hollander pays particular attention to the central role that Mackenzie King played in the creation of P C 1003 Although most scholars describe the Prime Minister s approach to policy decisions as calculating and opportunistic *Power Politics and Principles* argues that Mackenzie King s adherence to moderate principles resulted in a less hostile legal environment in Canada for workers and their unions in the long run than a more far reaching collective bargaining law in the United States

Radical Housewives Julie Guard, 2019-02-22 *Radical Housewives* is a history of Canada s Housewives Consumers

Association This association was a community based women s organization with ties to the communist and social democratic left that from 1937 until the early 1950s led a broadly based popular movement for state control of prices and made other far reaching demands on the state As radical consumer activists the Housewives engaged in gender transgressive political activism that challenged the government to protect consumers interests rather than just those of business while popularizing socialist solutions to the economic crises of the Great Depression and the immediate postwar years Julie Guard s exhaustive research including archival research and interviews with twelve former Housewives recovers a history of women s social justice activism in an era often considered dormant and adds a Canadian dimension to the history of politicized consumerism and of politicized materialism *Radical Housewives* reinterprets the view of postwar Canada as economically prosperous and reveals the left s role in the origins of the food security movement *Spying on Canadians* Gregory S. Kealey, 2017-01-01

Award winning author Gregory S Kealey's study of Canada's security and intelligence community before the end of World War II depicts a nation caught up in the Red Scare in the aftermath of the Bolshevik Revolution and tangled up with the imperial interests of first the United Kingdom and then the United States. Spying on Canadians brings together over twenty five years of research and writing about political policing in Canada. Through its use of the Dominion Police and later the RCMP, Canada repressed the labour movement and the political left in defense of capital. The collection focuses on three themes: the nineteenth century roots of political policing in Canada; the development of a national security system in the twentieth century; and the ongoing challenges associated with research in this area owing to state secrecy and the inadequacies of access to information legislation. This timely collection alerts all Canadians to the need for the vigilant defence of civil liberties and human rights in the face of the ever increasing intrusion of the state into our private lives in the name of countersubversion and counterterrorism.

Standing Up to Big Nickel Elizabeth Quinlan, 2025-06-06 All miners and smelter workers know the folly of going on strike when their employer holds a stockpile. In 1958 the International Nickel Company had enough nickel on hand to guarantee sales for at least six months. Despite this, fourteen thousand miners and smeltermen in Sudbury, Ontario, downed their tools and struck against the corporate titan of the mining industry. *Standing Up to Big Nickel* is a comprehensive portrait of a pivotal strike by the International Union of Mine Mill and Smelter Workers, a union that has inspired exceptional levels of solidarity among its members. The Cold War and the resulting instabilities in the Canadian labour movement form the backdrop to Elizabeth Quinlan's engrossing analysis. The union straddled the line she shows between its historical commitment to working class struggle and the newly restrictive legal landscape of the postwar era. Retrospective accounts by surviving union members, leaders, family and community members bring to life the history of a distinctive group of workers who sweated over smelter furnaces and toiled underground in perilous conditions. Quinlan traces the events before, during and after one of Canada's greatest strikes in both magnitude and duration. Featuring biographical sketches and scenes based on archival and documentary data, *Standing Up to Big Nickel* captures an intensely dramatic juncture in Canadian labour history.

From Left to Right Brian T. Thorn, 2016-07-22 In *From Left to Right* Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s. Although women in these decades are often depicted as being trapped in the suburbs caring for children, baking pies and leaving politics to men, they joined diverse political parties including the Social Credit Party, the Co-operative Commonwealth Federation and the Communist Party of Canada. Thorn argues controversially that while women on the left and right had different goals, their activism continued to be informed by maternalism. They used their roles as wives and mothers to influence their parties' positions on war and unions, to break down barriers between the private and public spheres and to push for a new world order. Along the way, they laid the foundations for the 1960s feminist movement.

Smelter Wars Ron Verzuh, 2022-01-27 In 1938 the Congress of Industrial Organizations (CIO) sent communist union organizer Arthur Slim Evans to the smelter city of

Trail British Columbia to establish Local 480 of the International Union of Mine Mill and Smelter Workers Six years later the local was recognized as the legal representative of more than 5 000 workers at a smelter owned by the powerful Consolidated Mining and Smelting Company of Canada But the union s fight for survival had only just begun Smelter Wars unfolds that historic struggle offering glimpses into the political social and cultural life of the semi rural single industry community Hindered by economic depression two World Wars and Cold War intolerance Local 480 faced fierce corporate media and religious opposition at home Ron Verzuh draws upon archival and periodical sources including the mainstream and labour press secret police records and oral histories to explore the CIO s complicated legacy in Trail as it battled a wide range of antagonists a powerful employer a company union local conservative citizens and Cooperative Commonwealth Federation CCF leadership More than the history of a union Smelter Wars is a cultural study of a community shaped by the dominance of a world leading industrial juggernaut set on keeping the union drive at bay **Enemies Within** Franca Iacovetta,Roberto Perin,Angelo Principe,2000-01-01 **Enemies Within** is the first study of its kind to examine not only the formulation and uneven implementation of internment policy but the social and gender history of internment It brings together national and international perspectives **Canadian Books in Print.
