

# My Platonic Sweetheart

BY MARK TWAIN

*Note.—Mark Twain was always interested in those psychic phenomena which we call dreams. His own sleep fantasies were likely to be vivid, and it was his habit to recall them and to find interest, and sometimes amusement, in their details. In the story which follows he set down, and not without some fidelity to circumstance—dream circumstances—a phase of what we call recurrent dreams. As the tale progressed he felt an inclination to treat the subject more fully—more philosophically—and eventually he laid the manuscript away. The time did not come when he was moved to rewrite it; and for the pure enjoyment of it as a delicate fancy it may be our good fortune that he left it unchanged.—A. B. F.*

I MET her first when I was seventeen and she fifteen. It was in a dream. No, I did not meet her; I overtook her. It was in a Missouri village which I had never been in before, and was not in at that time, except dreamwise; in the flesh I was on the Atlantic seaboard ten or twelve hundred miles away. The thing was sudden, and without preparation—after the custom of dreams. There I was, crossing a wooden bridge that had a wooden rail and was vitally with scattered wisps of hay, and there she was, five steps in front of me; half a second previously neither of us was there. This was the exit of the village, which lay immediately behind us. Its last house was the blacksmith-shop; and the peaceful clinking of the hammers—a sound which nearly always seems remote, and is always touched with a spirit of loneliness and a feeling of soft regret for something, you don't know what—was wafted to my ear over my shoulder; in front of us was the winding country road, with woods on one side, and on the other a rail fence, with blackberry vines and hard bushes crowding its angles; on an upper rail a blackbird, and scurrying toward him along the same rail a fox-squirrel with his tail bent high like a shepherd's crook; beyond the fence a rich field of grain, and far away a farmer in shirt-sleeves and straw hat wading knee-deep through it; no other representative of life, and no noise at all; everywhere a Sabbath stillness.

I remember it all—and the girl, too, and just how she walked, and how she

was dressed. In the first moment I was five steps behind her; in the next one I was at her side—without either stepping or sliding; it merely happened; the transfer ignored space. I noticed that, but not with any surprise; it seemed a natural process.

I was at her side. I put my arm around her waist and drew her close to me, for I loved her; and although I did not know her, my behavior seemed to me quite natural and right, and I had no misgivings about it. She showed no surprise, no distress, no displeasure, but put an arm around my waist, and turned up her face to mine with a happy welcome in it, and when I bent down to kiss her she received the kiss as if she was expecting it, and as if it was quite natural for me to offer it and her to take it and have pleasure in it. The affection which I felt for her and which she manifestly felt for me was a quite simple fact; but the quality of it was another matter. It was not the affection of brother and sister—it was closer than that, more clinging, more endearing, more reverent; and it was not the love of sweethearts, for there was no fire in it. It was somewhere between the two, and was finer than either, and more exquisite, more profoundly contenting. We often experience this strange and gracious thing in our dream-loves; and we remember it as a feature of our childhood-loves, too.

We strolled along, across the bridge and down the road, chatting like the oldest friends. She called me George, and that seemed natural and right, though

## **My Platonic Sweetheart:**

*My Platonic Sweetheart* Mark Twain, 2015-12-11 *My Platonic Sweetheart* is a short dream narrative written by American writer Mark Twain. It was originally titled *The Lost Sweetheart* and written during Jul Aug 1898 but only published in late 1912. The main character believed to represent Twain has several dreams throughout his life about the same woman. The narrative depicts five of these dreams and in each dream the main character and the woman take on different names. The woman's appearance, hair, and eye color also changes in each dream. However, the characters' ages in the dreams remain the same: he is seventeen and she is fifteen, and the two characters never fail to recognize each other.

**Dark Twins** Susan Gillman, 1989-01-15 Many persons have such a horror of being taken in, wrote P. T. Barnum, that they believe themselves to be a sham and are continually humbugging themselves. Mark Twain enjoyed trading on that horror as the many confidence men, assumed identities, and disguised characters in his fiction attest. In *Dark Twins*, Susan Gillman challenges the widely held assumption that Twain's concern with identity is purely biographical and argues that what has been regarded as a problem of individual psychology must be located instead within American society around the turn of the century. Drawing on Twain's whole writing career but focusing on the controversial late period of social pessimism and literary incoherence, Gillman situates Twain and his work in historical context, demonstrating the complex interplay between his most intimate personal and authorial identity and the public attitudes toward race, gender, and science. Gillman shows that laws regulating race, classification, paternity, and rape cases underwrite Twain's critical exploration of racial and sexual difference in the writings of the 1890s and after, most strikingly in the little-known manuscripts that Gillman calls the tales of transvestism. The pseudoscience of spiritualism and the science of psychology provide the cultural vocabularies essential to Twain's fantasy and science-fiction writings of his last two decades. Twain stands forth finally as a representative man, not only a child of his culture but also as one implicated in a continuing American anxiety about freedom, race, and identity.

**The Mysterious Stranger** Mark Twain, 1922

**Chronologies of A Mental Patient** Oscar Osorio, 2010-12-15 This book is a collection of my stories which I would like to share with you, hoping that it would make you think about what goes on in my head and other mental patients' heads. That we might be labeled as something, but society wants to bring us down from our gift by giving us medication. That's what I think, anyways. This is my gift to the world. Because once a man said, don't ask what your country can do for you, but ask what you can do for your country. Now I tell you, don't ask what God can do for you, but ask what you can do for God.

The Author-cat Forrest Glen Robinson, 2007 Forrest G. Robinson argues that a strong autobiographical impulse infuses the whole of Clemens's fiction. He shows how Clemens wrote out of an enduring need to come to terms with his remembered experiences, not to memorialize the past but to transform it. Clemens's special curse was guilt. He was unable to forgive himself for the deaths of those closest to him, especially members of his family, from his siblings's death in childhood to the deaths of his own children. Nor could he reconcile himself to his role in the Civil War, his ignominious part in the duel

that prompted his departure from Virginia City in 1864 and worst of all his sense of moral complicity in the crimes of slavery Tracing the theme of bad faith in all of Clemens s major writing but with special attention to the late work Robinson sheds new light on a tormented moral life directing attention to what William Dean Howells describes as the depths of a nature whose tragical seriousness broke in the laughter which the unwise took for the whole of him **Autobiography of Mark Twain** Mark Twain,2010-12-30 Autobiography of Mark Twain Volume 1 by Harriet Elinor pdf free download Between 1870 and 1905 Mark Twain Samuel L Clemens tried repeatedly and at long intervals to write or dictate his autobiography always shelving the manuscript before he had made much progress By 1905 he had accumulated some thirty or forty of these false starts manuscripts that were essentially experiments drafts of episodes and chapters many of these have survived in the Mark Twain Papers and two other libraries To some of these manuscripts he went so far as to assign chapter numbers that placed them early or late in a narrative which he never filled in let alone completed **Autobiography of Mark Twain,**

**Volume 1** Mark Twain,2010-11-15 I ve struck it Mark Twain wrote in a 1904 letter to a friend And I will give it away to you You will never know how much enjoyment you have lost until you get to dictating your autobiography Thus after dozens of false starts and hundreds of pages Twain embarked on his Final and Right Plan for telling the story of his life His innovative notion to talk only about the thing which interests you for the moment meant that his thoughts could range freely The strict instruction that many of these texts remain unpublished for 100 years meant that when they came out he would be dead and unaware and indifferent and that he was therefore free to speak his whole frank mind The year 2010 marks the 100th anniversary of Twain s death In celebration of this important milestone and in honor of the cherished tradition of publishing Mark Twain s works UC Press is proud to offer for the first time Mark Twain s uncensored autobiography in its entirety and exactly as he left it This major literary event brings to readers admirers and scholars the first of three volumes and presents Mark Twain s authentic and unsuppressed voice brimming with humor ideas and opinions and speaking clearly from the grave as he intended Editors Harriet E Smith Benjamin Griffin Victor Fischer Michael B Frank Sharon K Goetz Leslie Myrick

Emerson,2017-02-17 Selected by Choice magazine as an Outstanding Academic Title Mark Twain endures Readers sense his humanity enjoy his humor and appreciate his insights into human nature even into such painful experiences as embarrassment and humiliation No matter how remarkable the life of Samuel Clemens was what matters most is the relationship of Mark Twain the writer and his writings That is the subject of this book from the Preface In Mark Twain A Literary Life Everett Emerson revisits one of America s greatest and most popular writers to explore the relationship between the life of the writer and his writings The assumption throughout is that to see Mark Twain s writings in focus one must give proper attention to their biographical context Mark Twain s literary career is fascinating in its strangeness How could this genius have had so little sense of what he should next do As a young man Samuel Clemens s first vocation that of journeyman printer took him far from home to the sights of New York Philadelphia and Washington while his next vocation would give him the identity by which we most frequently know him His choice of Mark Twain as a pen name cemented his bond with the river as did such books as Life on the Mississippi and Huckleberry Finn Then following an unsuccessful try at silver mining Clemens worked as a newspaperman humorist lecturer but also cultivated an interest in playwriting politics and philosophizing In reporting the author s life Emerson has endeavored to permit Mark Twain to tell his own story as much as possible through the use of letters and autobiographical writings some unpublished These fascinating glimpses into the life of the writer will be of interest to all who have an abiding affection for Samuel Clemens and his extraordinary legacy **Great American Ghost Stories** Mike Ashley,2008-01-01 Sixteen spine tingling tales from the dark side of our nation s literary history include The Gray Champion by Nathaniel Hawthorne Ligeia by Edgar Allan Poe plus fables by Sarah Orne Jewett Henry James Mark Twain Mary Wilkins Freeman Ambrose Bierce Edith Wharton Willa Cather Frank R Stockton Parke Godwin and others **Passages from the Search for Eternal Love** Kelly Brown,2011-06-01 DescriptionPassages from the search for eternal love is a book of fiction about a community called Illigruum House and two women Eva and Rosa Eva is an artist who has accepted being alone as a necessary artistic path But when Rosa a beautiful and wise woman in her seventies invites Eva to join her on the course learning through love Rosa offers to show Eva her true path Eva finds that through Rosa a stories of love and a spiritual meeting in the caves of Bearn a new way of thinking about love the concept of abundance and a universal love that will change her life forever About the AuthorKelly Brown born in London 1970 began writing very early and had two poems published before she was fourteen After a three month research trip to Africa Kelly was asked to write a play for the Theatre Centre which was performed at the Lilian Baylis theatre eating Strawberries in the toilet and another for the Royal Court YPT about the Morant Bay Uprising After this Kelly Studied Literature and Philosophy at University under the tuition of JonathanR e excelling in European Literature and philosophy As a writer Kelly then struggled to find an authentic voice and decided to work with children traveling and learning about life She wanted to write about more than the angst inside her head However just when Kelly felt that she had found her authentic voice the change was difficult for people

to understand When she gave up her work with children and started writing her family panicked She was labeled as mentally ill and she found her self in hospital with the diagnosis of manic depression Kelly says that getting over the stigma of having a mental illness was really hard but that eventually she found that it gave her permission to be who she wanted to be an artist in a very surrealist sense of the word A writer and philosopher dancer and photographer It also opened up a new spiritual and healing dimension to her life She gained a Masters in Fine art studying with Geoff Brunel who helped her to develop a very valuable creative process working from images and concepts calmly and relaxed not manically **Mark**

**Twain's Which Was the Dream? and Other Symbolic Writings of the Later Years** Mark Twain,1966-12-01 All of these selections in this volume were composed between 1896 and 1905 Mark Twain wrote them after the disasters of the early and middle nineties that had included the decline into bankruptcy of his publishing business the failure of the typesetting machine in which he invested heavily and the death of his daughter Susy Their principal fable is that of a man who has been long favored by luck while pursuing a dream of success that has seemed about to turn into reality Sudden reverses occur and he experiences a nightmarish time of failure He clutches at what may be a saving thought perhaps he is indeed living in a nightmare from which he will awaken to his former felicity But there is also the possibility that what seems a dream of disaster may be the actuality of his life The question is the one asked by the titles that he gave to two of his manuscripts Which Was the Dream and Which Was It He posed a similar question in 1893 I dreamed I was born and grew up and was a pilot on the Mississippi and a miner and journalist and had a wife and children and this dream goes on and on and on and sometimes seems so real that I almost believe it is real I wonder if it is Behind this naive query was his strong interest in conscious and unconscious levels of mental experience which were then being explored by the new psychology **Mark**

**Twain** Ron Chernow,2025-05-13 The 1 New York Times Bestseller One of Barack Obama's Summer Reading List Picks Comprehensive enthralling Mark Twain flows like the Mississippi River its prose propelled by Mark Twain's own exuberance The Boston Globe Chernow writes with such ease and clarity For all its length and detail Mark Twain is deeply absorbing throughout The Washington Post Pulitzer Prize winning biographer Ron Chernow illuminates the full fascinating and complex life of the writer long celebrated as the father of American literature Mark Twain Before he was Mark Twain he was Samuel Langhorne Clemens Born in 1835 the man who would become America's first and most influential literary celebrity spent his childhood dreaming of piloting steamboats on the Mississippi But when the Civil War interrupted his career on the river the young Twain went west to the Nevada Territory and accepted a job at a local newspaper writing dispatches that attracted attention for their brashness and humor It wasn't long before the former steamboat pilot from Missouri was recognized across the country for his literary brilliance writing under a pen name that he would immortalize In this richly nuanced portrait of Mark Twain acclaimed biographer Ron Chernow brings his considerable powers to bear on a man who shamelessly sought fame and fortune and crafted his persona with meticulous care After establishing himself as a journalist

satirist and lecturer he eventually settled in Hartford with his wife and three daughters where he went on to write *The Adventures of Tom Sawyer* and *Adventures of Huckleberry Finn*. He threw himself into the hurly burly of American culture and emerged as the nation's most notable political pundit. At the same time his madcap business ventures eventually bankrupted him. Twain and his family spent nine eventful years in exile in Europe. He suffered the death of his wife and two daughters and the last stage of his life was marked by heartache, political crusades and eccentric behavior that sometimes obscured darker forces at play. Drawing on Twain's bountiful archives including thousands of letters and hundreds of unpublished manuscripts, Chernow masterfully captures the man whose career reflected the country's westward expansion, industrialization and foreign wars and who was the most important white author of his generation to grapple so fully with the legacy of slavery. Today more than one hundred years after his death, Twain's writing continues to be read, debated and quoted. In this brilliant work of scholarship, a moving tribute to the writer's talent and humanity, Chernow reveals the magnificent and often maddening life of one of the most original characters in American history.

### **My Love, My Life**

Pasquale De Marco, 2025-04-30 Embark on a profound journey of self discovery and personal growth with *My Love, My Life*, a thought provoking collection of essays and insights that illuminate the complexities of life and relationships. Discover the power within you to create a life filled with love, purpose and fulfillment. If you like this book, write a review on Google Books.

*John Doe No. 2 and the Dreamland Motel* Kenneth Womack, 2010-10-01 On April 19, 1995, a truck bomb exploded just outside of Oklahoma City's Murrah Federal Building, killing 168 people. Within a matter of hours, the FBI launched the largest manhunt in U.S. history, identifying the suspects as Timothy James McVeigh and John Doe No. 2, a stocky twentysomething with a distinctive tattoo on his left arm. Eventually, the FBI retracted the elusive mystery man as a bombing suspect altogether, proclaiming that McVeigh had acted alone and that John Doe No. 2 was the byproduct of unreliable eyewitness testimony in

the wake of the attack Womack recreates the events that led up to this fateful day from the perspective of John Doe No 2 or JD as he is referred to in the book With his ironic and curiously detached persona JD narrates from a second person point of view his secret life with McVeigh Terry Nichols and others in America's militia culture as McVeigh and JD crisscross the Midwest in McVeigh's beloved Chevy Geo Spectrum John Doe No 2 and the Dreamland Motel is the tragicomic account of McVeigh's last desperate months of freedom as he prepared to unleash one of the deadliest acts of domestic terrorism in the nation's history Womack's novel traces one man's downward spiral toward the act of evil that will brand his name in infamy and another's desperate hope to save his friend's soul before it's too late **Tales of Wonder** Mark Twain,2003-01-01 First

published in 1984 as The science fiction of Mark Twain by Archon Books North Haven CT T p verso *My True Love* Pasquale De Marco,2025-03-17 In a world often filled with darkness and uncertainty love shines as a beacon of hope and light It is the most powerful emotion known to humankind capable of transforming lives and creating a more just and peaceful world In this inspiring book the author embarks on a personal journey to explore the nature of love Through personal experiences and the wisdom of philosophers poets and spiritual teachers the author seeks to uncover the secrets of true love and discover how we can live lives filled with love and compassion Love is not just a feeling it is a way of life It is a commitment to caring for and connecting with others even when it is difficult Love is not about possession or control it is about freedom and liberation It is about letting go of our fears and insecurities and opening our hearts to the world The author explores the different forms of love from romantic love to familial love to platonic love and self love The author also examines the benefits of love such as improved physical and mental health stronger relationships increased happiness and well being and a more meaningful life The author also delves into the challenges of love such as loss heartbreak and betrayal However the author ultimately argues that love is worth fighting for even in the face of adversity Love has the power to heal wounds bridge divides and create a more just and peaceful world This book is a must read for anyone who wants to learn more about love and how to cultivate more love in their own lives and in the world It is a book that will inspire uplift and change lives If you like this book write a review *Delphi Complete Works of Mark Twain (Illustrated)* Mark

## **My Platonic Sweetheart Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free My Platonic Sweetheart PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free My Platonic Sweetheart PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of My Platonic Sweetheart free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About My Platonic Sweetheart Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. My Platonic Sweetheart is one of the best book in our library for free trial. We provide copy of My Platonic Sweetheart in digital format, so the resources that you find are reliable. There are also many Ebooks of related with My Platonic Sweetheart. Where to download My Platonic Sweetheart online for free? Are you looking for My Platonic Sweetheart PDF?
