

PRAYERS FOR TODAY

Help Me To Rely On You

Father,
I come before you today to seek guidance
and protection.
I do not know what the day has in store for
me but you do. I do not know who I will
encounter today.
But you Lord, are aware of everything
ahead of me today
So I pray that you lead me in all I do today.
Help me to rely on you no matter what.
Remind me that you are my rock and my
fortress. When circumstances cause me to
worry, please remind me that you are ever-
present in my life.
In Jesus name I pray, *Amen*

Bailey, 2021-10-04 How should we pray Do we believe God answers our prayers Is it acceptable to complain to God Should we bargain with him to receive the response we desire Why do we praise God Does our praise make him any more God John Calvin argued basically that the purpose of prayer is to realign the petitioner's feelings and beliefs with God's Many today seem to have adopted this idea One says Why pray at all God knows everything so

my prayers cannot change his mind I must pray to discover God's will for my life I must realign my will with God's will for my life In contrast the psalmists assumed a reciprocal process They believed they could bring pressures on God to answer their requests They would bargain with God and promise him certain things if he would only grant their petitions Indeed this was part of the process They would obligate themselves to praise God if he would grant their desires Such bargaining was the foundation of their prayers Comparisons of Calvin's views with the psalmists allows the reader to investigate the nature of his or her prayer life and make improvements where necessary

Thin Places Marshall E. Quilling, 2022-04-14 What Doing Where Going Why When we were young and recently married we purchased our first home in South St Paul Minnesota It was a very nice three bedroom rambler with a tuck under single car garage The basement was finished and the yard was beautifully landscaped with a terraced garden in the back yard complete with a statue of Jesus We paid 31 000 and had anxiety about how we were going to pay the mortgage payment of 160 per month Our side door was directly across from our neighbor's house 20 feet away Our neighbors had two little boys around the ages of three and five They did not let their boys play with any other children and kept them inside most of the time Their vocabulary was very limited and we only heard them say three things They were however very friendly and came running up to me every time I would see them The first thing they would say was What doing When you told them what you were doing they would ask Where going When they were satisfied with your answer the final question was Why As I have reflected about these questions over the years I have come to realize that these are very profound questions What am I doing where am I going and why Have you ever asked yourself these questions I have never sat down and charted my life but I have been lead and protected by a mysterious force As you read this book ask yourself these questions Is life more than eating drinking and being merry and then you die Is there someone or something out there in the universe who is watching me Is there someone wanting to interact with me This is the story of my life my search for truth and my journey I am not an extraordinary person Some of my adventures may seem a little strange They were strange for me too Sometimes I identify with Sergeant Joe Friday in *Dragnet* Just the facts ma'am Just the facts I hope that in sharing my life you too may find answers to these basic questions I hope that you will find peace and contentment as I have found in my life Blessings Marshall E Quilling To contact author E mail marshall_marshalllequilling.com Website www.marshalllequilling.com
