My Reflections On Grieving:

My Reflections on Grieving Marion E. Stephany, 1987-01-01 *My Journey Through Grief* Tammy Gann, 2021-05-23

Losing a loved one regardless of the circumstances can be an extremely difficult time in a person's life. However, a sudden and tragic loss adds even more issues and struggles. It is devastating and shocking to those left behind, leaving most people paralyzed, not knowing which way to turn. Death is not a topic we like to talk about, which leaves most of us unprepared and unequipped to deal with grief. Yet the unfortunate truth is that at some point we will all be faced with death. For some, it is easier to speak how they feel, and for others, it is better for them to write. No matter how you deal with the loss in your life, this journal will help guide you through the pain of losing someone you love. Every journey through grief is different. This journal will help you go through the painful process of grief. It assists and guides you step by step by asking questions to get you to reflect on your emotions. Every day is another step in your journey through grief. This will help you to identify your pain so you can begin to heal. It is structured in three categories: personal, devotional, and specific questions regarding the person you lost. Through the many tragedies in my life, I have found a purpose and a vision to help others walk through grief. Suffering and sorrow are never pleasant, however, the wisdom and compassion that come from such events are priceless. This kind of wisdom and empowerment can't be taught but rather must be experienced. My methodology is built upon real-life experience coupled with practical, down-to-earth guidance. Having the highest regard for each person's unique situation, I have created a journal that will help you walk through the pain of grief. My hope is that everyone walking in pain will be empowered, receive healing, and find joy once again.

Reflections of a Grieving Spouse H. Norman Wright, 2009-07-01 When author and counselor H. Norman Wright's beloved wife Joyce passed away, he grieved the loss of his partner and the life they shared. Even in his state of sorrow, he knew he had to find a way to live without Joyce, to forge a hopeful path, and to move forward in God's grace and strength. With vulnerability and emotional insight, Norm shares from his deeply personal journey and illuminates the way back to living when someone you love is gone. Readers who have lost their spouse will discover support and guidance as they work through anger, including anger at God, to ease toward God's peace, move away from denial, and what it's to move forward, allow memories to provide comfort without getting stuck in the past, create a healthy new daily routine to care for themselves, turn their new identity and life over to God's leading and mercy. This tender and inspirational book will help any reader who is grieving or who is walking alongside a grieving friend.

Troubled Paradise Eric Reitan, 2024-12-12 Grief over the loss of those we love is one of the most painful parts of life But Christianity has long offered consolation to those who grieve in the form of the Easter promise Death is not the end Beyond it lies a realm of perfect joy where mourning is no more and every tear is wiped away But won't this promise have limits if as

Christians have traditionally believed some of God's creatures are eternally lost. Can I really be perfectly happy in heaven if I say my children are damned or annihilated? And what about the Christian teaching that those in heaven are morally sanctified? Doesn't this mean they will be perfected in a love so wide it includes even our enemies and hence the lost? While delving deeply into the nature of grief and its relation to Christian ethics, this book explores the reasoning that generates this problem of heavenly grief, examines purported solutions, and invites deeper reflection on a frequently dismissed idea that avoids the problem altogether: the universalist notion that there are no limits to Easter's promise because all are ultimately saved.

Within the Madness That Is Grief Jeannette Fagan, 2012-11-16 This book is about the grief of a sudden young death and the madness that I was hurled into as a result. On March 12th 2004 I found my beloved brother dead at his flat and I was overcome with the grief that followed. I am a Registered General Nurse and have dealt with death and suffering within my profession for over 20 years. However, the impact of my grief after finding Kevin dead led to a nervous breakdown, the loss of my beloved job, and the sense of myself as a person. I have had to write this book not only for me but also for the countless people out there who, as I type, are getting a phone call, a knock on the door, the news that a young person has died suddenly. The impact of this type of grief is within the pages of my book, and I hope that my words and emotions experienced will support you within the madness that is created. But mainly it is for Kevin because I could not let his death mean nothing because he meant everything to me and his family. In memory of Kevin, this book has been written, but it is mainly intended for those that are left behind to live within the madness that their loss has created.
