

My Reminiscences is Rabindranath Tagore's 1917 memoir written just before he embarked on a trip to Europe and America in 1912 due to his bad health.

Rabindranath Tagore FRAS (1861–1941) was a Bengali writer, poet, painter, and composer who is credited with reshaping Bengali and Indian art through Contextual Modernism in the late nineteenth and early twentieth centuries. In 1913 he became the first non-European winner of the Nobel Prize in Literature.

This book offers a unique insight into the life and mind of this amazing polyglot who single-handedly changed the face of literature, art and music on the Indian subcontinent.
