My Search For Love And How I Find It:

Searching for Love Lisa Bradford, 2020-04-15 As a little five year old girl I stood in a courtroom watching my mother choose a man over her three little girls The decision my mother made that day started me down a road filled with pain rejection and abuse causing me to wonder if love really existed After being in several foster homes and experiencing more physical and sexual abuse I became even more confused on what love was and if I would ever experience it As I grew into a teenager I thought I found true love in the arms of an older man However that relationship started a domino effect of bad relationships falling one by one until all hope of finding love had faded away The next eighteen years I would walk through a series of events that would challenge and push me to search for the one thing that could break the chains of my past After years of looking my search led me to finding grace the only thing powerful enough to erase my past and set me free

Treasure of Love Dalston Harrison Jr., 2015-11-05 As I write this 1st novel I am highly motivated to be able to continue my writing which I do very well and I am writing this novel based on my life experiences and my relationships with women because I want to be able to remember the good the happy the sad and the bad with all my relationships Most of all I want people to relate to my experiences and learn from my experiences so that they wont make the same mistakes in their relationships and be able to motivate them to do whatever it takes to make it work Finding Love Everywhere Robert Holden, 2020-09-01 May Robert s wonderful life and work and heart keep helping others to know that inherent in life is Love from the foreword by Daniel Ladinsky I didn t have much time for poetry when I was young Robert Holden writes in the introduction to this elegant and inspiring book Maybe I was in too much of a hurry Fortunately for me one poem after another found their way through my defenses and came to my rescue Slowly but surely I began to see that inside each poem there was a gift waiting for me A gift to help open up something inside of me a new awareness an epiphany a cure for loneliness renewed courage and a call to action Finding Love Everywhere offers that same gift to you A luminous collection of original poetry set within a framework of deep wisdom from an acclaimed teacher it invites you on a journey that will move you and transform you as you awaken to the awareness of love s presence all around you The 66 poems in these pages are meditations with lyrics Robert explains They invite you to be wise to choose love and to live your most authentic life

Searching for God, Finding Love Teresa Leshner, 2024-02-09 Searching for God not only offers an inspiring emotional insight to the author s journey to and through Islam it beautifully maps out Islamic principles in an understandable and relatable way Truly a five star read Ameena Blake Muslim scholar UK A story of a Christian who always carried Islam unknowingly in her heart until she finally discovered it then artistically crafted her experience with a feather Rarely does a book touch my heart and inspire me like that Fadel Soliman Bridges Translation of the Ten Qira at of the Noble Quran One of my earliest memories is of contemplating God I was a freckle faced girl of five sitting quietly in catechism class when the teacher casually said God is bigger than everything The words hit me like a blast force The classroom disappeared the

teacher's voice muted and I gasped at the revelation Bigger than the tallest tree in the yard Bigger than a mountain Bigger than the world The enormity of God impressed me but I couldn't help wondering If He is bigger than anything where is He In this inspirational memoir Teresa Leshner shares her search for God She explores factors that have made her who she is as well as influencers who shape who she aspires to be and who lead her in her quest for the Divine She dissects basic concepts that have been essential for her understanding of God as well as paradigms that shape her experience of Him She shares her journey along the Divine Path and closer to Divine Presence through expressions of submission to Him This quest for God takes her to her innermost self and ends with a discovery of life an understanding of love and a commitment to truth Love Builders , The Search for David George Schwimmer,1996 *Every Day Love* Judy Ford,2010-10-01 In a book full of tiny tales of lovers quarrels heartaches and triumphs a nationally recognized family counselor gives readers snapshots of the loving nuances that transform differences into common bonds *In Search of My Father's Love: Finding Love In the Right Place* Debra McNeill,2016-12-19 The book is in two parts The Old Story is how Debra's life began and progressed while not being Awake to the Love that exists for all The story unfolds revealing the decisions and choices Debra made based on her limited beliefs and how these affected her life and those of her loved ones The second part The New Story focuses on Debra's supernatural Awakening to the Love from Father God and the revelations that intertwine into her new life finding peace joy and Love A completely changed life full of True Love **Lost in Love** Aditi Agarwal,2020-11-27 LOST IN LOVE is a collection of quotes poetries and short stories by different co authors from all over India Each writer has penned down their views in such a way that you'll feel empowered happy and also experience the impact of words These writers have used the power of their words silently to express their imagination The main reason behind the publication of this book is to create love and awareness towards literature in our new generation and to provide a platform for all the emerging writers to showcase their talent **Meet the Right Man** Kimberly Houghtaling,2015-02-28 Stop wasting time with the wrong men If finding the right man is what you want this book has everything a single girl needs to stay on track Today's dating scene may seem different but the game is the same Avoid being played for a fool Finding the right man means redefining what you want Know the difference between a bad date and a dating rut This book offers a modern approach to traditional dating etiquette Proven techniques that can be applied to any dating environment including the Internet Reach your goals faster than ever imagined when you have a clear mission Take the dreaded interview process out of dating and add some purpose The most direct path to love and happiness comes from you but you're not in this alone This book will show you how to fulfill your deepest romantic desires See how easy it is to transform the things you want into the things you have Careful what you wish for Many of these ideas and techniques are based from neuroscience Which means when it comes to love and happiness attitude is everything Seasons of Love Jack Mooney,2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work

under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep

I Love Dollars and Other Stories of China Wen Zhu, 2007 In five richly imaginative novellas and a short story Zhu Wen depicts the violence chaos and dark comedy of China in the post Mao era A frank reflection of the seamier side of his nation s increasingly capitalist society Zhu Wen s fiction offers an audaciously plainspoken account of the often hedonistic individualism that is feverishly taking root Set against the mundane landscapes of contemporary China a worn Yangtze River vessel cheap diners a failing factory a for profit hospital operating by dated socialist norms Zhu Wen s stories zoom in on the often tragicomic minutiae of everyday life in this fast changing country With subjects ranging from provincial mafiosi to nightmarish families and oppressed factory workers his claustrophobic narratives depict a spiritually bankrupt society periodically rocked by spasms of uncontrolled violence For example I Love Dollars a story about casual sex in a provincial city whose caustic portrayal of numb disillusionment and cynicism caused an immediate sensation in the

Chinese literary establishment when it was first published The novella's loose colloquial voice and sharp focus on the indignity and iniquity of a society trapped between communism and capitalism showcase Zhu Wen's exceptional ability to make literary sense of the bizarre ideologically confused amalgam that is contemporary China Julia Lovell's fluent translation deftly reproduces Zhu Wen's wry sense of humor and powerful command of detail and atmosphere The first book length publication of Zhu Wen's fiction in English *I Love Dollars and Other Stories of China* offers readers access to a trailblazing author and marks a major contribution to Chinese literature in English *Remembering a King* Euphonious Poet, 2019-01-11
