My Secret Lover Lorna Moon:

The Collected Works of Lorna Moon Lorna Moon, 2002 For the first time The Collected Lorna Moon brings together her much acclaimed novel *Dark Star* collected short stories *Doorways in Drumorty* and a selection of her previously unpublished letters and poetry to offer a fresh perspective on this unusual woman a woman who travelled a long distance from Scotland and yet imaginatively took Scotland with her and re fashioned the experiences of her early years The life story of Lorna Moon from her escape from Scotland a series of romantic adventures to a career as a script writer in the early days of Hollywood presents the wildest challenge to our expectations for a woman in rural Scotland in the early twentieth century Her writing in equally dramatic fashion takes the conventional subject of Scottish small town life and reshapes it through a combination of satirical analysis and melodramatic romance that no other writer from the north east has achieved The Collected Lorna Moon is an enchanting collection edited and introduced by Glenda Norquay scholar of Scottish fiction and featuring a foreword by Richard de Mille the illegitimate son of Lorna Moon and Hollywood director Cecil B de Mille s son William in order to provide insight into the life of an extraordinary woman *When Women Wrote Hollywood* Rosanne Welch, 2018-07-03 This collection of 23 new essays focuses on the lives of female screenwriters of Golden Age Hollywood whose work helped create those unforgettable stories and characters beloved by audiences but whose names have been left out of most film histories The contributors trace the careers of such writers as Anita Loos Adela Rogers St Johns Lillian Hellman Gene Gauntier Eve Unsell and Ida May Park and explore themes of their writing in classics like *Gentlemen Prefer Blondes* *Ben Hur* and *It s a Wonderful Life* *Bringing Up Oscar* Debra Ann Pawlak, 2012-01-12 The untold story of the innovative pioneers who helped make movies the preeminent art form of the twentieth century The founders of the now infamous Academy were a motley crew as individuals but when they first converged in Hollywood then just a small town with dirt roads sparks flew and fueled a common dream to bring artistic validity to their beloved new medium Who were these movers and shakers who would change movies forever And what about Oscar their famous son He is fast approaching his hundredth birthday and is still the undisputed king of Hollywood Yet with such dynamic parents what else could we expect *The Lost World of DeMille* John Kobal, 2019-10-25 Longlisted for the 2020 Moving Image Book Award by the Kraszna Krausz Foundation As only an accomplished author consummate collector and savvy insider can John Kobal tells the story of the man who invented Hollywood Cecil Blount DeMille 1881 1959 Kobal narrates the story of DeMille s life and follows the director s career from his first film *The Squaw Man* in 1914 through the seventy films he directed culminating with *The Ten Commandments* in 1956 before his death in 1959 Even that first film received an enthusiastic response from the public and that popular enthusiasm would follow DeMille throughout his career DeMille got his start by observing a film being shot once standing for hours on a box looking through a window watching every move made by the director players and cameraman From that humble beginning he soon mastered the craft of directing and created one of show business s greatest careers

Autocrat and artist DeMille immersed himself totally in each picture he directed and demanded complete fealty from his casts and crews DeMille was said to know more about what the American public wanted than anyone else in Hollywood He pushed the boundaries of censorship and audiences responded by forming long lines at the box office From the American West to ancient Egypt he created such magical films as *The Crusades* and *The Greatest Show on Earth* that brought vividly to life fantasies perfectly suited to post World War I and mid century America Kobal describes DeMille s impact on Hollywood as a director and showman He argues that this master filmmaker stands for something largely lost in American filmmaking a sort of na ve generous big thinking self confidence a belief that all things are possible John Kobal wrote over thirty books on film and photography His final manuscript *The Lost World of DeMille* was completed shortly before his death in 1991 It is published at last by University Press of Mississippi *Golden Boy* Clifford Odets,1964 *THE STORY The Acting Edition* contains notes showing how nearly all scene changes may be made with a minimum of effort People are inclined to laugh at Joe a moody young Italian with cockeyed notions At heart a musician he has a real talent for **Cecil B.
