Empire of Dreams Scott Eyman, 2010-09-07 BEST KNOWN AS THE DIRECTOR of such spectacular films as The Ten Commandments and King of Kings Cecil B DeMille lived a life as epic as any of his cinematic masterpieces As a child DeMille learned the Bible from his father a theology student and playwright who introduced Cecil and his older brother William to the theater Tutored by impresario David Belasco DeMille discovered how audiences responded to showmanship sets lights costumes etc He took this knowledge with him to Los Angeles in 1913 where he became one of the movie pioneers in partnership with Jesse Lasky and Lasky's brother in law Samuel Goldfish later Goldwyn Working out of a barn on streets fragrant with orange blossom and pepper trees the Lasky company turned out a string of successful silents most of them directed by DeMille who became one of the biggest names of the silent era With films such as The Squaw Man Brewster's Millions Joan the Woman and Don't Change Your Husband he was the creative backbone of what would become Paramount Studios In 1923 he filmed his first version of The Ten Commandments and later a second biblical epic King of Kings both enormous box office successes Although his reputation rests largely on the biblical epics he made DeMille's personal life was no morality tale He remained married to his wife Constance for more than fifty years but for most of the marriage he had three mistresses simultaneously all of whom worked for him He showed great loyalty to a small group of actors who knew his style but he also discovered some major stars among them Gloria Swanson Claudette Colbert and later Charlton Heston DeMille was one of the few silent era directors who made a completely successful transition to sound In

1952 he won the Academy Award for Best Picture with *The Greatest Show on Earth* When he remade *The Ten Commandments* in 1956 it was an even bigger hit than the silent version He could act too in Billy Wilder's classic film *Sunset Boulevard* DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy's anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clichéd image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era

Hollywood Divided Kevin Brianton, 2016-11-15 On October 22 1950 the Screen Directors Guild SDG gathered for a meeting at the opulent Beverly Hills Hotel Among the group's leaders were some of the most powerful men in Hollywood John Ford Cecil B DeMille Joseph L Mankiewicz John Huston Frank Capra William Wyler and Rouben Mamoulian and the issue on the table was nothing less than a vote to dismiss Mankiewicz as the guild's president after he opposed an anticommunist loyalty oath that could have expanded the blacklist The dramatic events of that evening have become mythic and the legend has overshadowed the more complex realities of this crucial moment in Hollywood history In *Hollywood Divided* Kevin Brianton explores the myths associated with the famous meeting and the real events that they often obscure He analyzes the lead up to that fateful summit examining the pressure exerted by the House Un American Activities Committee Brianton reveals the internal politics of the SDG its initial hostile response to the HUAC investigations the conservative reprisal and the influence of the oath on the guild and the film industry as a whole *Hollywood Divided* also assesses the impact of the historical coverage of the meeting on the reputation of the three key players in the drama Brianton's study is a provocative and revealing revisionist history of the SDG's 1950 meeting and its lasting repercussions on the film industry as well as the careers of those who participated *Hollywood Divided* illuminates how both the press's and the public's penchant for the exciting story have perpetuated fabrications and inaccurate representations of a turning point for the film industry
