My Side Ruth Gordon,1986      **Visions of Belonging** Judith E. Smith,2004 Elaine May author of Homeward Bound American Families in the Cold War Era      **The Broadcast 41** Carol A Stabile,2018-10-16 How forty one women including Dorothy Parker Gypsy Rose Lee and Lena Horne were forced out of American television and radio in the 1950s Red Scare At the dawn of the Cold War era forty one women working in American radio and television were placed on a media blacklist and forced from their industry The ostensible reason so called Communist influence But in truth these women among them Dorothy Parker Lena Horne and Gypsy Rose Lee were by nature of their diversity and ambition a threat to the traditional portrayal of the American family on the airwaves This book from Goldsmiths Press describes what American radio and television lost when these women were blacklisted documenting their aspirations and achievements Through original archival research and access to FBI blacklist documents The Broadcast 41 details the blacklisted women s attempts in the 1930s and 1940s to depict America as diverse complicated and inclusive The book tells a story about what happens when non male non white perspectives are excluded from media industries and it imagines what the new medium of television might have looked like had dissenting viewpoints not been eliminated at such a formative moment The all white male dominated Leave it to Beaver America about which conservative politicians wax nostalgic existed largely because of the forcible silencing of these forty one women and others like them For anyone concerned with the ways in which our cultural narrative is constructed this book offers an urgent reminder of the myths we perpetuate when a select few dominate the airwaves

Lamphier,Rosanne Welch,2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter      *The Films of Hal Ashby* Christopher Beach,2009-09-22 Analyzes the films and filmmaking career of director Hal Ashby placing his work in the cultural context of filmmaking in the 1970s Hal Ashby directed eleven feature films over the course of his career and was an important figure in the Hollywood Renaissance of the

late 1960s and 1970s Though he was a member of the same generation of filmmakers as Martin Scorsese Francis Ford Coppola and Robert Altman Ashby has received comparatively little critical or scholarly validation for his work Author Christopher Beach argues that despite his lower profile Ashby was an exceptionally versatile and unusually creative director Beach focuses primarily on Ashby's first seven films *The Landlord* *Harold and Maude* *The Last Detail* *Shampoo* *Bound for Glory* *Coming Home* and *Being There* to analyze Ashby's contributions to filmmaking culture in the 1970s The first two chapters of this volume provide an overview of Ashby's filmmaking career as Beach makes the case for Ashby's status as an auteur and provides a biographical survey of Ashby's most productive and successful decade the 1970s In the following chapters Beach analyzes groups of films to uncover important thematic concerns in Ashby's work including the treatment of a young male protagonist in *The Landlord* and *Harold and Maude* the representation of the U S military in *The Last Detail* and *Coming Home* and the role of television and mass media in *Shampoo* and *Being There* Beach also examines the crucial role of the musical score in Ashby's films as well as the rapid decline of the director's career after *Being There* *The Films of Hal Ashby* is based on Beach's extensive use of unpublished archival materials as well as a number of interviews with actors directors producers cinematographers and others involved in the making of Ashby's films This volume will interest film and television scholars as well as readers interested in filmmakers of the 1970s

Claude Rains David J. Skal, Jessica Rains, 2008-11-07 The first full length biography of the actor known for his roles in *The Invisible Man* *Casablanca* and other classics based on newly released interviews Given his childhood speech impediments and his origins in a destitute London neighborhood the ascent of Claude Rains to the stage and screen was remarkable Rains's difficulties in his formative years provided reserves of gravitas and sensitivity from which he drew inspiration for acclaimed performances in *The Invisible Man* *Mr Smith Goes to Washington* *Casablanca* *Notorious* *Lawrence of Arabia* and other classic films In this book noted Hollywood historian David J Skal draws on more than thirty hours of newly released Rains interviews to create the first full length biography of the man nominated multiple times for an Academy Awards for Best Supporting Actor Skal's portrait also benefits from the insights of Jessica Rains who provides firsthand accounts of the enigmatic man behind her father's refined screen presence and genteel public persona As Skal shows numerous contradictions informed the life and career of Claude Rains He possessed an air of nobility and became an emblem of sophistication but he never shed the insecurities that traced back to his upbringing in an abusive and poverty stricken family Though deeply self conscious about his short stature Rains drew notorious ardor from female

fans and was married six times His public displays of dry wit and good humor masked inner demons that drove Rains to alcoholism and its devastating consequences Skal s layered depiction of Claude Rains reveals a complex almost inscrutable man whose nuanced characterizations were in no small way based on the more shadowy parts of his psyche With unprecedented access to episodes from Rains s private life Skal tells the full story of the consummate character actor of his generation This highly readable biography written with the help of his daughter Jessica Rains reveals the witty talented man behind this universally respected Hollywood legend Tucson Citizen *Backstory* Patrick McGilligan,1986 Interviews with screenwriters Lillian Gish Charles Affron,2002-03-12 As someone who worked with and knew Lillian Gish for years I found Charles Affron s portrait revealing and moving He rekindles the life of this intuitive and generous artist beautifully Eva Marie Saint **Claude Rains** John T. Soister,JoAnna Wioskowski,2015-09-02 The career of Claude Rains is often and unfairly overshadowed by the careers of the ever popular Karloff Lugosi Chaney and Rathbone but few can dispute that he was truly one of the world s foremost character actors The Invisible Man ironically made him quite the visible star In his own inimitable way Rains later became John Jasper in *Mystery of Edwin Drood* Louis Renault *Casablanca* Julius Caesar Caesar and Cleopatra and Mr Dryden Lawrence of Arabia While concentrating on Rains more than fifty films this book also comprehensively examines his work in other media the stage radio television and recordings His only child Jessica in the foreword provides a brief biography of her father There are many rare photographs *Judith Anderson* Desley Deacon,2019-11-01 Everyone knows Mrs Danvers as a byword for menace in Hitchcock s *Rebecca* and as a poster girl for lesbians in the movies But only dedicated fans know her brilliant creator This book tells Judith Anderson s life story for the first time It recovers her career as one of the great stars of stage and television and an important character actress in film Born in Adelaide Australia in 1897 brought up by a determined single mother she parlayed her rich velvety voice and ability to give reality to strong emotional roles into stardom on Broadway in the 1920s Not a conventional beauty she was alluring with her beautiful body perfect dress sense and striking volatile personality After playing glamorous roles she was recognised as a Leading Lady of the American Stage under the direction of Guthrie McClintic in *Hamlet* and co starring with Laurence Olivier and Maurice Evans in *Macbeth* Her reputation as a great actress was confirmed by her landmark performance in 1947 in the ancient Greek *Medea* adapted for her by her friend poet Robinson Jeffers In a long career she appeared in *Medea* again in 1982 at the age of 85 playing the Nurse to fellow Australian Zoe Caldwell s *Medea* Ambitious and driven Anderson toured extensively made numerous highly praised appearances on television and after her unforgettable role as Mrs Danvers was a sought after character actress in film playing her last role as Vulcan High Priestess in *Star Trek III* at the age of 87 She won many awards and was made a Dame Commander of the British Empire in 1960 and Companion of the Order of Australia just before her death in 1992 She had a stormy private life and two short marriages which she remarked were much too long

**Historical Dictionary of Contemporary American Theater: 1930-2010** James Fisher,2011-06-01 From legends like

Eugene O'Neill, Tennessee Williams and Arthur Miller to successful present day playwrights like Neil LaBute, Tony Kushner and David Mamet, some of the most important names in the history of theater are from the past 80 years. Contemporary American theater has produced some of the most memorable, beloved and important plays in history including *Death of a Salesman*, *A Streetcar Named Desire*, *Barefoot in the Park*, *Our Town*, *The Crucible*, *A Raisin in the Sun* and *The Odd Couple*. Historical Dictionary of Contemporary American Theater presents the plays and personages, movements and institutions and cultural developments of the American stage from 1930 to 2010, a period of vast and almost continuous change. It covers the ever-changing history of the American theater with emphasis on major movements, persons, plays and events. This is done through a chronology, an introductory essay, an extensive bibliography and over 1,500 cross-referenced dictionary entries. This book is an excellent access point for students, researchers and anyone wanting to know more about the history of American theater.

***Maxwell Anderson and the Marriage Crisis*** Fonzie D. Geary II, 2022-10-23. This book focuses on the re-evaluation of four Maxwell Anderson plays within the context of the emergence of the New Woman and the perception of a marriage crisis in the United States during the 1920s. The four plays under consideration are *White Desert* (1923), *Sea Wife* (1924), *Saturday's Children* (1927) and *Gypsy* (1929). These plays are largely forgotten and even when the titles appear in Anderson scholarship, coverage has tended to be cursory and dismissive. This work represents a fresh approach and re-assessment of an American playwright who bore a significant impact on the drama of his time, serving not only to place Anderson's work more effectively within the context of American theatre during the 1920s but also to bridge the gap between his work and the marriage-related plays of the late twentieth and early twenty-first centuries.

**Lillian Lorraine** Nils Hanson, 2011-09-29. After a meteoric ascent on Broadway that began with Ziegfeld's 1910 *Follies*, Lillian Lorraine went on to become one of the most famous entertainers in America. Her passionately lived life made her a prime target for the tabloid gossip doyens of the day. This biography recounts the early West Coast life of this superstar as well as her coronation on Broadway, her work in silent film and her sexual liaisons that helped her gain her notoriety. It also covers her eventual disappearance from public life, her alcoholism and her death, which went largely unnoticed. She was buried in 1955 in a pauper's grave. The book includes first-hand personal anecdotes and observations from recently discovered tapes which were recorded by a confidante of Lorraine's.
