Bostic, 2017-04-24 Patricia is born during WWII when racial segregation is a way of life particularly in the south A few years earlier in the small cotton mill town her father s poor judgment forces her parents and eventually their eight children to live in a crude unpainted three room dwelling located in an isolated area of four houses for African Americans They have no electricity or running water and a stone covered spring in the woods becomes a special place for mischief A single tree a chinaberry adjacent to the house serves many purposes Home church and school are the Littletons family core while their experiences are laced with fun humor and mischief However when temperamental Hazel an adult bully moves next door there are conflicts which escalate into unnerving dangerous situations especially with Patricia s easygoing soft spoken mother Hazel ridicules Patricia who is smart timid and labeled a crybaby and stubborn in school By high school Patricia blossoms and becomes popular but later her father warns her of wooden nickels www.chinaberriesandbeyond.com *The Gymnast* Patrick J. Bird, 2024-09-11 The Gymnast might have been an everyman memoir Patrick grew up hard and fast in the New York of the 1950s and 60s He found a sport and then a career he was passionate about Found love raised a

family Except The Gymnast isn't any old coming of age tale Patrick contracted polio and one of his legs atrophied because of it He became the boy with the repulsive leg as he called it and for a long time he didn't believe he'd have a normal life With grit and dedication and lots of luck Patrick forged the life he wanted He successfully competed on Big Ten and NCAA championship gymnastics teams and coached the sport at the collegiate level He earned a PhD with an emphasis in exercise science After a turbulent romance he married his childhood sweetheart and they raised three children Humorous and sad heartwarming as much as it is heart wrenching The Gymnast follows a unique thread that weaves together disability sport and romance Few stories talk about disabled people dealing with sex romance bullying and competing successfully at the highest level of sport Patrick may have grown up different but his compelling story will resonate with every reader Short Order - A Collection of Speculative Fiction and Science Fiction Short Stories R.
