

A serene sunset scene over a calm body of water. The sun is low on the horizon, creating a bright, warm glow that reflects on the water's surface. In the foreground, the dark silhouette of a fence or railing is visible on the left side. The sky is filled with soft, wispy clouds, and the overall atmosphere is peaceful and contemplative.

My son, Max, was born the day Princess Di
died.

My Son Max:

My Son Marie Kelly, 2012-05-21 When Kelly Brown's cousin and friend Trudy is killed she is left as the guardian to the son she has looked after his whole life However there is the father the playboy Marc De Santo to consider although he has never cared about his son or so she thought until the day he turns up at her doorstep declaring ignorance of Max and demanding him When he asks her to join Max at his Spanish home Kelly grasps at the only opportunity to keep the child in her life and makes the move However despite knowing Marc's reputation can she stop herself falling in love with the enigmatic man knowing that to do so would result in her losing her son **Dancing with Max** Emily Colson, 2010-09-07 The true story of a single mother's love and perseverance her son's autism diagnosis with its challenges and gifts and their triumph together over life's toughest obstacles Journey with Emily Colson daughter of former White House Special Counsel Chuck Colson as she takes you from her darkest days of pain to her adventure through life With candor and wit she shares about her personal battles and heartbreak when as a suddenly single mother she discovered that her only child has autism Emily illuminates the page with vivid imagery making you laugh making you cry and inspiring you to face your own challenges This is the story that will inspire you to break free of the barriers that threaten to constrict your life and Max is the young man who will capture and even change your heart As you learn more about Max and his journey you'll learn about The incredible power of community Facing each day with grace and faith Turning your challenges into blessings In a special prologue and epilogue from Chuck Colson his most personal writing since *Born Again* he details how Max's resilient spirit unraveled his thinking and brought out his tender side as a grandfather Along the way you'll discover that Max's disability does not so much define who he is but reveals who we are *Dancing with Max* is not a fairy tale with a magical ending It's a real life story of grace second chances and fresh starts in spite of life's hardest problems And Max Max will make you fall in love with life all over again leaving you dancing with joy Praise for *Dancing with Max* Emily shares her moving story of life's struggles but of its even greater victories in her own words This is a story of triumph in spite of the suffering and pain It is most of all a love story and a story about changed lives Emily's Max's and also mine Chuck Colson former White House Special Counsel *Live to the Max* Kevin Dwares, 2016-10-23 My son Max Gold Dwares passed away on February 18 2004 from complications related to a bone marrow transplant that he had on July 27 2001 to cure him of chronic myelogenous leukemia This book is Max's story as told by him and continued by me and captured by photographs by myself and other family friends in black and white and a few color photos as Max began his chemotherapy until his untimely demise at the tender age of twenty The book was in the initial stages by Max but stopped as Max grew sicker leading to his death Max asked me to continue his book shortly before he passed away as a tribute to everyone left behind but more importantly as a reminder that while disease can be brutal and take lives a positive attitude and faith can take you forward Faith comes in many shapes and flavors It doesn't matter what race or religion one is Max was born in the Jewish faith but believed we are

all created equal in the eyes of God Max from an early age always seemed somewhat special What I mean was he had a unique ability to seem to get along with adults and understand how they felt He always knew what words to say to offer comfort and understanding This continued throughout his life This book while at times quite emotional and honest hopefully will serve as a guide for families going through a disease and how one reacts and lives through the process It s a story of hope and dreams of faith and questioning and of one s belief in the eternal God when death appears around the corner It s also a story of dreams and trying to attain them It s a story of how families rely and rally around each other when the times get rough It s a story of how someone battling cancer still needs to carry on and live life to the best and it s a story and testament to a young man who lived a short time but accomplished so much and has left a lasting legacy It s a story of how one s belief in God during good times and bad will serve as a beacon to guide one s spirit forward during the journey of life and life beyond
