**Priesthood of the Mother of God** Walda Taylor-Javier, 2000-06-15 Pope John Paul II has claimed to have no authority to ordain women to the priesthood Since the Catholic Church believes that all legitimate authority is derived from its source God the Creator Dr Javier shows how the authority is present in the Church to ordain women priests by virtue of God s own example In choosing Mary as the one human parent of Jesus the Christ God ordained her priest by definition Dr Javier shows how the belief has been implicit in the Church since its inception using scripture tradition and theological writings including those of Pope John Paul II and Cardinal Ratzinger Examining the need of today s church for priestly vocations and the expressed desire of women to serve the Church through the Sacrament of Holy Orders Dr Javier concludes that Mary the Mother of God first woman priest is the exemplar for the ordination of women **Musicians Guide to Evangelical**

**Poetry of Life** Kenneth McIntosh, 2022-01-24 After reading that the great poets say that poetry makes truth more real and seeing so much poetry God used in the Bible I became convinced that it must be true that verse makes truth more real In 1996 I began writing Poetry from a Biblical Perspective with the goal of making the truth of the Bible more real For the next

twenty years I wrote 230 carefully crafted poems drawn from the veracity and wisdom of God's word. It's my suggestion that when you feel discouraged and need hope, comfort, and guidance, go to this book to pick some poems that hopefully will give you fresh hope, encouragement, and guidance. The Bible says God in his divine power has granted us everything pertaining to life and godliness. It is my hope and prayer that you will discover something through the poetry that touches the heart, moves the imagination, and makes truth more real.

**Storms and Faith** Algene Yeatman, 2008-12. After Algene Yeatman started this book, she realized her life had some serious times and serious issues. Being the daughter of a preacher, she saw her childhood and youth in a family with God and church as a full-time influence, the first thread during her life. The second thread was a constant hearing of theology from many great preachers. The third, dominating thread was the gift of musical talent, a music degree, and working as church organist, sometimes also as director, for most of her life. The fourth thread was working with her husband in the business of renovation, renting, and selling real estate. Algene feels greatly blessed beyond anything she imagined. She is surprised that she unlocked her heart so deeply to her experiences. But God, His word, and His providence work together for good to all that trust in Him. She hopes the book will encourage you to hold fast your faith in God and His Son, our Redeemer.

**Tension in the Tank** Barbara Lee, 2014-03-27. *Tension in the Tank* meets us where we are on a faith journey that includes doubt and pain. Here is a voice that speaks to the beauty and value of interfaith understanding and liberal social values while digging deep into the heart of Christian mysticism. If we are living a spirituality that matters, it will affect the way we treat ourselves and the way we treat each other. *Tension in the Tank* is about faith that is relevant, secure, and ever evolving. It is a guidebook for building meaningful relationships with Spirit, self, and each other. Radically open to possibility and wonder, *Tension in the Tank* offers the opportunity and the challenge to live our faith in such a way that the walls between us come down and we become pursuers and enactors of universal justice.
