My Forty Years In New York:

My Forty Years in New York Charles Henry Parkhurst, 1971 My Forty Years in East China and West America Philip Wu,2008-04-28 Philip Fei Wu was born in the outskirts of Shanghai the Venice of the East where he lived the first 35 years of his life and endured the Chinese political turbulence From his teens all throughout early adulthood the author experienced the worst of human cruelty and madness in China during the government transition and cultural revolution My Forty Years in East China and West America is Philip Wu s story in English rewritten from the original Chinese version **Tycoon** Steven Watts, 2009-03-04 How a Michigan farm boy became the richest man in America is a classic almost mythic tale but never before has Henry Ford's outsized genius been brought to life so vividly as it is in this engaging and superbly researched biography The real Henry Ford was a tangle of contradictions He set off the consumer revolution by producing a car affordable to the masses all the while lamenting the moral toll exacted by consumerism He believed in giving his workers a living wage though he was entirely opposed to union labor He had a warm and loving relationship with his wife but sired a son with another woman A rabid anti Semite he nonetheless embraced African American workers in the era of Jim Crow Uncovering the man behind the myth situating his achievements and their attendant controversies firmly within the context of early twentieth century America Watts has given us a comprehensive illuminating and fascinating biography of one of America s first mass culture celebrities Forty Years in the World Robert Grenville Wallace, 1825 Forty Years' Familiar Letters of James W. Pasquini, 2014-04-15 In the past as in the present science has explored the reasons for belief In recent years with the rise of categorical practical and militant atheism the scientific and philosophical community has begun studying the worldview of atheism The Atheist Persona Causes and Consequences is a summary of the most recent research by the best of scholars on the subject of atheism In an effort to create a more courteous dialogue between theists and atheists this book acknowledges that while there are reasons for believing in God there are also reasons for not believing in God Atheist Persona showcases how the worldview we choose to accept determines how we live our lives and how we influence those around us Witness to Greatness Obi Nwasokwa, 2016-03-23 It is the very stuff of legend A man from the very bottom of the American caste emerges seemingly out of nowhere captures the nations imagination and improbably within four odd years defies gravity and rises to the dizzying height of the American presidency thereby becoming the first non white in history elected to lead an overwhelmingly white nation A Cinderella like fairy tale No Thats the story of President Barack Obama Seismic and epic it is a biblical tale of the trials travails tribulations and dazzling triumphs of the rejected stone that became cornerstone of Moses as pharaoh Reviled and vilified like his legendary idol Abraham Lincoln whose election sparked the American civil war Obamas election likewise triggered a cold

uncivil civil war That notwithstanding his achievements are impressive even historic Regarded as a Gettysburg like pivotal moment in American history Obamas metaphorical conquest of the American presidency is a monumental achievement a crossing of the Rubicon and a historic 1066 type turning point matched in its sheer historic weight and majesty only by the achievements of Washington and Lincoln It reboots American democracy and heralds a new Yes We can era of American and world history with new and expansive possibilities already evident in the unusual and iconoclastic demographic profiles of many of his wannabe successors It gives credence to the creed All men are created equal and confers legitimacy on American democracy It redounds to the credit of the nation and burnishes her image as the pacesetter in the quest for interracial harmony Citing these and Obamas many other achievements such as saving a moribund economy and reforming healthcare the author predicts that Obama will be revered as one of Americas greatest presidents Federal Programs for the Aged and Aging United States. Congress. Senate. Committee on Labor and Public Welfare. Nicholson, Anders J. Gillis, Russell M. Magnaghi, 2013-12-01 Immigration of Danes and Icelanders to Michigan began in the 1850s and continued well into the twentieth century Beginning with their origins this book takes a detailed look at their arrival and settlement in Michigan answering some key questions What brought Danes and Icelanders to Michigan What challenges did they face How did they adjust and survive here Where did they settle What kind of lasting impact have they had on Michigan s economic and cultural landscape Extensively researched this book examines the public and private lives of Danish and Icelandic immigrants in Michigan drawing from both individual and institutional histories Shedding new light on the livelihood traditions religion social life civic organizations and mutual benefit societies this thorough insightful book highlights a small but important population **The Chief** Joan Biskupic, 2019-03-26 An incisive biography of the Supreme Court's enigmatic within Michigan s borders Chief Justice taking us inside the momentous legal decisions of his tenure so far John Roberts was named to the Supreme Court in 2005 claiming he would act as a neutral umpire in deciding cases His critics argue he has been anything but pointing to his conservative victories on voting rights and campaign finance Yet he broke from orthodoxy in his decision to preserve Obamacare How are we to understand the motives of the most powerful judge in the land In The Chief award winning journalist Joan Biskupic contends that Roberts is torn between two often divergent priorities to carry out a conservative agenda and to protect the Court's image and his place in history Biskupic shows how Roberts's dual commitments have fostered distrust among his colleagues with major consequences for the law Trenchant and authoritative The Chief reveals the making of a justice and the drama on this nation s highest court Why the Right Went Wrong E.J. Dionne, 2016-01-19 Why the Right Went Wrong offers a historical view of the right since the 1960s Its core contention is that American conservatism and the Republican Party took a wrong turn when they adopted Barry Goldwater's worldview during

and after the 1964 campaign The radicalism of today s conservatism is not the product of the Tea Party Washington Post columnist E J Dionne writes The Tea Partiers are the true heirs to Goldwater ideology The purity movement did more than drive moderates out of the Republican Party it beat back alternative definitions of conservatism Publisher information
