My Four Visions Of Jesus:

The Four Vision Quests of Jesus Steven Charleston, 2015-05-01 A unique look at Christian biblical interpretation and theology from the perspective of Native American tradition This book focuses on four specific experiences of Jesus as portrayed in the synoptic gospels It examines each story as a vision quest a universal spiritual phenomenon but one of particular importance within North American indigenous communities Jesus experience in the wilderness is the first quest It speaks to a foundational Native American value the need to enter into the we rather than the I The Transfiguration is the second quest describing the Native theology of transcendent spirituality that impacts reality and shapes mission Gethsemane is the third quest It embodies the Native tradition of the holy men or women who find their freedom through discipline and concerns for justice compassion and human dignity Golgotha is the final quest It represents the Native sacrament of sacrifice e g the Sun Dance The chapter on Golgotha is a discussion of kinship balance and harmony all primary to Native tradition and integral to Christian thought [My Four Visions of Jesus](#) Roxanne Brant, 1984 **A Dynamic Reading of the Holy Spirit in Revelation** Hee Youl Lee, 2014-04-07 A Dynamic Reading of the Holy Spirit in Revelation attempts to read the book of Revelation in a new way as a narrative embracing literary elements such as plot point of view narrative voice character and story structure to help readers discover its meanings by tracing the story anew Lee s unique narrative perspective offers readers a bird s eye view to experience four levels of the story heaven earth abyss and the lake of fire Lee develops a theological account of John s pneumatology and surely extends Christian pneumatology a doctrine inseparable from the life of the church Readers will come away with a greater understanding of the role of the Holy Spirit which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before Lee portrays the book of Revelation as a mission oriented book that tells how the kingdom of God will be built in this world through spiritual warfare rather than as a book of eschatology Lee s book will serve as a spiritual wake up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare [Zechariah and the Creator Lord Jesus Christ](#) Dale M. Presley, 2001-04 Zechariah the Creator LORD Jesus Christ is the third verse by verse commentary that the author has published on a Bible book The first book Way Truth Life is a complete commentary on the book of Revelation Way Truth Life contains an introduction and four chapters that very simply explain the most complex theological issues and has a scripture indexed Chronology Chart of the 7 year Tribulation The second book Daniel the Creator LORD Jesus Christ is a complete commentary on the book of Daniel All of the author s interpretations of scripture are based upon the most literal meaning of all passages of scripture that can be made without violating the true meaning of other scriptures contained elsewhere in the sixty six books of God s Holy Word All of the author s books are liberally supplied with scripture references so that the reader can verify the truthfulness of the commentary as he or she proceeds The book of Zechariah deals with what is happening in our own day perhaps more than any other Old Testament book However because the book of Zechariah

is written in highly apocalyptic language much like the book of Revelation it is little understood by most Bible students The author has therefore taken great care to include commentary on related passages of scripture in order to explain the meaning of every verse of this magnificent book in the simplest most understandable terms possible In addition a table is included that shows the time being referred to by every verse of the book of Zechariah Since so much of Israel s history was accurately predicted by this sixth century BC prophet the actual history of Israel that has come to pass during their first century Roman wars and during the period since the nation was reestablished in the promised land in 1948 is particularly described in detail No study of eschatological end time events is complete without a clear understanding of what God is doing through Israel today as explained in this book Holy Week in Norwich Cathedral Edward Meyrick Goulburn,1885

Words of Life Leland Ryken,2019-08-08 Books on the Bible as literature neglect the New Testament The author of Words of Delight A Literary Introduction to the Bible devotes this companion volume Words of Life to the principle that literary approaches are as important for understanding the New Testament as they are for comprehending the Old The result is a volume brimming over with insights into New Testament books and passages insights that have escaped most traditional commentators Those who study preach or teach the New Testament will admit this volume into the inner circle of reference works they always keep within reach *Light* ,1888 *The New Testament in Color* Esau McCaulley,Janette H. The Cradle, the Cross, and the Crown Andreas J. Köstenberger,L. Scott Kellum,Charles L Quarles,2009-08-01 Although Scripture cannot be reduced to a mere piece of human writing there is much to gain by paying careful attention to the historical literary and theological dimensions of the biblical text For this reason The Cradle the Cross and the Crown is offered to the serious New Testament student who seeks to better understand and share God s word of truth 2 Timothy 2 15 Across nearly one thousand pages it thoroughly introduces all twenty seven New Testament books and closely examines Christ s incarnation and virgin birth the heart of His ministry shown so vividly in the Gospels Passion Narratives and the triumphant return of Jesus and our eternal reign with Him as depicted in Revelation Simply an outstanding work Its up to date research alone makes The Cradle the Cross and the Crown an invaluable resource Add to this its comprehensive survey of the crucial issues related to New Testament studies and you have a textbook well suited for the college or seminary classroom Daniel L Akin president Southeastern Baptist Theological Seminary Wake Forest NC Among the finest such studies of recent decades in classic matters of New Testament introduction What sets it apart includes 1 attention to theology and the history of interpretation 2 extended presentation of the history of New Testament times and the rise of the canon 3 appropriate rigor 4 frequently creative layout features and 5 conceptual clarity Beyond an impressive digest of scholarship it

is an appeal to faithful appropriation of the New Testament's message Robert W Yarbrough professor of New Testament and department chair Trinity Evangelical Divinity School Deerfield IL Clear thorough up to date and engaging all the contemporary alternatives people are putting forward discerning and judicious Well done and highly recommended Darrell L Bock research professor of New Testament Dallas Theological Seminary Dallas TX The Cradle the Cross and the Crown sets a new standard for excellence among textbooks dealing with New Testament introduction and offers a veritable gold mine of information often found only in several texts A distinctively unique textbook that displays not only careful and balanced scholarship but is lucidly written and user friendly Richard D Patterson emeritus professor Liberty University Lynchburg VA
