My Friend Bingham:

My Friend Bingham Henry James, 2017-11-19 *My Friend Bingham* by Henry James *Henry James: Complete Stories Vol. 1 1864-1874 (LOA #111)* Henry James, 1999-08-30 A dignified and impressive addition to your bookshelf that reveals James's virtuoso performance in a genre he helped to define, refine and elevate. The Commercial Appeal This Library of America volume, the first of five of Henry James's short fiction, brings together his first twenty-four published stories, thirteen never collected by James. Encompassing a wide range of subjects, settings and formal techniques, they show the first explorations of some of James's most significant themes: the force of social convention and the compromises it demands; the complex and often ambiguous encounter between Europe and America; the energies of passion measured against the rigors of artistic discipline. By his mid-twenties, James was a regular contributor to the most prestigious and popular magazines of his era. He is equally at ease writing historical tales such as *Gabrielle de Bergerac*, a love story set in pre-Revolutionary France, as he is exploring contemporary events as in the three stories that treat the effects of the American Civil War on civilians. James's psychological acuity is already evident in *Master Eustace*, a study of the ruthlessness of a spoiled child, and in *Guest's Confession*, where the comic portrayal of an arrogant businessman hints at his cruelty and self-absorption. In *The Romance of Certain Old Clothes* and *The Last of the Valerii*, James begins to work with the supernatural and fantastic motifs that would continue to surface in his work. Early examples of James's lifelong fascination with art and artists include *A Landscape Painter*, about a young painter's attraction to a seemingly simple family living in a desolate coastal town, and *The Madonna of the Future*, where an aging artist avoids the unveiling of his masterpiece. Adumbrating later triumphs and compelling in their own right, these stories reveal and accomplished and cosmopolitan young talent mastering the art of the short story. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries. *My Friend Bingham* Henry James, 2021-04-11 Henry James's novel *My Friend Bingham* is a poignant exploration of friendship, betrayal, and the complexities of human relationships. Set in the backdrop of 19th-century England, the book delves into the intricacies of social hierarchies and the impact of familial obligations on personal choices. James's prose is characterized by its nuanced portrayal of characters and their inner struggles, making the reader ponder on the themes of loyalty and self-discovery. The narrative style is rich in detail and symbolism, inviting readers to unravel the layers of meaning beneath the surface. *My Friend Bingham* stands as a classic example of James's insightful storytelling and keen observations of human nature. Henry James, known for his psychological depth and intricate plots, draws upon his own experiences and observations to craft a compelling narrative that resonates with readers from all walks of life. His exploration of friendship and moral dilemmas in *My Friend*

Bingham showcases his unparalleled talent for capturing the complexities of human emotions and interpersonal dynamics I highly recommend My Friend Bingham to readers who appreciate thought provoking literature and intricate character studies

Essays in Law and History for David Ibbetson Joe Sampson, Stelios Tofaris, 2024-12-12 Over the last 40 years David Ibbetson has paved the way in a remarkably broad range of fields In ancient law his scholarship has spanned both the detailed doctrine of the Roman law of obligations and the cross pollination of legal influences around the ancient Mediterranean His work on English legal history has ranged from the earliest days of the common law through to the turn of the 20th century combining forensic archival research with a sensitivity to how lawyers thought about their subject In European legal history he has shown the porousness of the civil law and the extent to which it has been shaped by other areas of intellectual life from theology to rationalist philosophy The contributions to this volume in his honour mirror both the breadth and the depth of Ibbetson's scholarship The book combines chapters from leading legal historians close colleagues and over a dozen of Ibbetson's students Some chapters build upon or respond to Ibbetson's ideas others his areas of interest The contributions are introduced by Ibbetson's valedictory lecture on the importance of legal history to modern practice and scholarship and the work yet to be done [The Atlantic Monthly](#), 1877 [The Method of Henry James](#) Joseph Warren Beach, 1918

Clara Hopgood William Hale White, 2019-12-11 In Clara Hopgood William Hale White crafts a poignant narrative that delves into the complexities of human relationships and societal expectations in Victorian England The novel is marked by a rich introspective style that intertwines lyrical prose with deep psychological insight Set against the backdrop of a rapidly changing society White explores themes of individuality moral conflict and the search for personal authenticity challenging the conventions of his time The character of Clara emerges as a symbol of the struggle against societal norms embodying both vulnerability and resilience William Hale White often overshadowed by his contemporaries was a fervent observer of social dynamics and a prominent figure in the literary culture of his era His experiences as a Nonconformist and a writer gave him unique insight into the human condition influencing his portrayal of Clara's journey White's commitment to exploring the inner lives of his characters reflects his belief in the importance of self exploration and moral integrity which resonates throughout the narrative Clara Hopgood is a compelling read for anyone interested in Victorian literature and the exploration of the self White's intricate character development and thematic depth invite readers to engage in a profound reflection on the perennial struggles of identity and belonging making this work a timeless contribution to the canon of English literature [Congressional Record](#), 1889 [Congressional Record](#) United States. Congress, 1985 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *the ladies treasury and treasury of literature*, *The*
