

YOU'VE EITHER DONE IT OR KNOW SOMEONE WHO HAS: THE ONE-NIGHT STAND, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, the one-night stand is a social rite as old as sex itself and as common as a bar stool.

Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea gives a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her fling with a Vegas stripper to her dalliance with a well-endowed little person, from her tryst with a cruise ship performer to her rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. **MY HORIZONTAL LIFE** is one guilty pleasure you won't be ashamed to talk about in the morning.

"Where have I been all of Chelsea Handler's life? I had no idea how funny, how brilliant she is . . . she is too clever for words."

—LIZ SMITH, **NEW YORK POST**

"Chelsea Handler is a terrific comedian and a hilarious writer."

—JAY LENO

"I laughed out loud and read parts to my husband, my best friend, and my mom (which might have been a mistake). This book is no-holds-barred hilarious."

Stephen R. Baker, 2020-12-03 THE ENCYCLOPEDIA OF QUIZZES Devoted Exclusively to Facts 15 000 SEPARATE ENTRIES

The novel format of The Encyclopedia of Quizzes provides a fun way to both acquire facts and to retrieve and retain them. They are presented as active participatory exercises designed to expand your knowledge base. Each of these 730 QUIZZES consists of an ensemble of 20 or more clues and response choices sharing a common topical relationship. The answers to each quiz can be found easily by examining the adjacent facing page. This makes it easy and enjoyable to learn alone or with friends. Each quiz is part of a chapter allowing for subject cohesion and reinforcement. Volume two is broad in scope. It encompasses sports, both national and global popular culture, art, music, literature, gastronomy, and animals, as well as separate chapters posing questions about accomplished men and women and onomastics, the study of names. These quizzes are complementary to volume one, which focuses on history and geography.

Midlife Bites Jen Mann, 2022-01-04 A smart, personal, darkly funny examination of what it's like to be a woman at the crossroads of a midlife crisis from the New York Times bestselling author of *People I Want to Punch in the Throat*. I inhaled this book in one sitting; it's a must read for anyone over forty. This should become the gift all girlfriends give one another. Zibby Owens, host of the award-winning podcast *Moms Don't Have Time to Read Books*. Jen Mann had what appeared to be the perfect life: a successful career as a bestselling author and award-winning blogger, a devoted husband, teenage kids who weren't total jerks, and a badass minivan. So imagine her surprise when at forty-seven years old a midlife crisis kicked her straight in the ladybits. *Midlife Bites* offers Jen's trademark wit and honesty when it comes to important conversations and observations about women in midlife. Here, readers will be able to come together and find anecdotes and practical ideas to help navigate through this major point in their lives. For women who may feel isolated or overlooked, this collection of original essays offers valuable insights, takeaways, and most important, a productive way forward. Jen shares her own story as well as advice and wisdom from the online community she built tackling everything that bites about midlife: where nothing is off-limits, raging hormones, sex after forty, finding your purpose, learning to make new friends, yes, even as a grown-up moving out of your comfort zone, having conversations that count, no more small talk, and how to deal with rogue chin hairs and other nuisances. Jen Mann is leading the movement to create a new space where middle-aged women can share openly and honestly with one another. This no-BS collection of essays will help start the conversation and keep it going because, as women, we all have a right to be happy, fulfilled, and whole, no matter what stage of life.

The Murder Mystique Laurie Nalepa, Richard Pfefferman, 2013-02-07 Although they account for only ten percent of all murders, those attributed to women seem especially likely to captivate the public. This absorbing book examines why that is true and how some women literally get away with murder. Combining compelling storytelling with insightful observations, the book invites readers to take a close look at ten high-profile killings committed by American women. The work exposes the forces that underlie the public's fascination with female killers and determine why these women so often become instant celebrities. Cases are paired by motive: love, money, revenge, self-defense, and psychopathology. Through them, the authors examine the appeal of women who commit murders and show how perceptions of

their crimes are shaped The book details both the crimes and the criminals as it explores how pop culture treats stereotypes of female murderers in film and print True crime aficionados will be fascinated by the minute descriptions of what happened and why while pop culture enthusiasts will appreciate the lens of societal norms through which these cases are examined

The Rake and The Recluse Jenn LeBlanc, 2012-05-31 She never thought time travel was real Until it happened to her Researching her father s journals in her spare time was closest Francine came to time travel and frankly who would believe it But when she s tossed back in time she regrets she didn t pay more attention to the past of course that s only after she finally admits to herself that she s been tossed into another world much like a Victorian freaky Friday The first thing Francine has to reconcile is that a woman in Victorian England is a commodity She s owned Francine is no longer the powerful business woman she was only moments ago and on top of it all she s being chased by a man who wants her dead or worse Her only chance for safety lies in Gideon Trumbull the lionhearted but evasive duke who discovers her terrified running for her life at the edge of his lands What began as a compulsion to learn anything she could about him turns into an urgent need and she finds herself in an inescapable new reality a world in which she doesn t belong Meanwhile Gideon s brother Perry has likewise been caught up in an incident Finding a stowaway housemaid in his carriage as he s bound for London will be the most life changing moment of his life She s plotting to seduce the rake who refuses to touch her Propriety be damned Getting him to teach her what love is seems like just the right challenge to sooth her damaged soul Until the man who chased Francine sets his sites on someone much more accessible The entire Trumbull family comes together to protect the women they ve accepted into the fold in the first installment in the Trumbull Family Saga The Rake and The Recluse Books in the LORDS OF TIME SERIES THE RAKE AND THE RECLUSE THE DUKE AND THE BARON THE DUKE AND THE DOMINA THE TROUBLE WITH GRACE THE SPARE AND THE HEIR THE SADIST AND THE STOLEN PRINCESS THE LADY AND HER SECRET LOVER

The Shatzkin Files: The Most Powerful Trends in Publishing Mike Shatzkin, 2013-01-06 Note from the Author I first wrote for publication and pay as an 11 year old covering the Little League for a local paper we re talking 1958 here which was the first tangible payoff for having learned to type properly a year or two before Taking the physical effort out of writing was a key element enabling me to do a lot of it in all the years since Perhaps I wasn t born to blog but I was sure raised to take great advantage of this communication form which has arisen over the past ten years I entered the book publishing business a little later when I was 15 1962 and through my father s connections got employed for the summer selling books in Brentano s With some brief interruptions to get a college education UCLA 1969 and work on a presidential campaign for two years McGovern 1971 72 I ve been working in publishing ever since I was sired and mentored by Leonard Shatzkin who made a career out of changing publishing from executive positions in major houses before he created a distribution company Two Continents which employed me in the 1970s and where I learned the fundamentals of the business calling on accounts working with dozens of diverse publishers who distributed through us hiring and training sales reps getting familiar with the annual US trade show then called the American

Booksellers Association convention and now called BookExpo America and with the Frankfurt Book Fair Being raised and then employed by Len Shatzkin was a way to get a PhD in publishing with a specialty in change Len s principal interest was the supply chain although we didn t call it that in those days My consulting career began in 1979 primarily selling my expertise in distribution But when the digital transition began I found my true calling synthesizing and articulating how the digital capabilities and the Internet changed publishing At first that change was mostly about how books got found and sold Amazon then Ingram started Lightning Source and almost nothing ever went out of print anymore and then we got ebooks and it became increasingly clear to everybody in the industry that almost nothing we knew to be true couldn t be overruled by changing circumstances very shortly
