

The book cover features a red diagonal banner with the title 'MY LAST MILLION READERS' in large, bold, yellow-outlined letters. Below the banner, the author's name 'EMILE GALVREAU' is printed in smaller yellow-outlined letters. The background of the cover is a light brown color with a stylized illustration of several people's heads and shoulders, each holding an open book and appearing to read. The left edge of the book shows significant wear and damage, with the outer cover material missing, revealing the underlying cardboard binding.

My Last Million Readers:

My Last Million Readers Emile Gauvreau, 1974 Autobiography of Emile Gauvreau a tabloid journalist *My Life with Charlie Brown* Charles M. Schulz, 2010-03-12 While best known as the creator of Peanuts Charles M Schulz 1922 2000 was also a thoughtful and precise prose writer who knew how to explain his craft in clear and engaging ways *My Life with Charlie Brown* brings together his major prose writings many published here for the first time Schulz s autobiographical articles book introductions magazine pieces lectures and commentary elucidate his life and his art and clarify themes of modern life philosophy and religion that are interwoven into his beloved groundbreaking comic strip Edited and with an introduction by comics scholar M Thomas Inge this volume will serve as the touchstone for Schulz s thoughts and convictions and as a wide ranging unique autobiography in the absence of a traditional extended memoir Inge and the Schulz estate have chosen a number of illustrations to include With the approval and cooperation of the Schulz family Inge draws on the cartoonist s entire archives papers and correspondence to allow Schulz full voice to speak his mind The project includes his comics criticism his introductions to Peanuts volumes his essays about philanthropy his commentary on Christianity his newspaper articles about the creation of his characters and more *My Life with Charlie Brown* will reveal new dimensions of this legendary cartoonist *Peaches & Daddy* Michael M. Greenburg, 2008-10-02 A lively intelligently rendered account of a tabloid romance scandalous divorce and the rise of yellow journalism in Gilded Age New York Kirkus Reviews Edward Daddy Browning was a famously eccentric millionaire when he crossed paths with fifteen year old shop clerk and aspiring flapper Frances Heenan at the Hotel McAlpin Frances reminded Daddy of peaches and cream and a scandalous romance began Thirty seven days later amid headlines announcing the event and with the Society for the Prevention of Cruelty to Children in close pursuit Peaches and Daddy were married Within ten months they would begin a courtroom drama that would blow their impassioned saga into a national scandal Peaches yet at the time the lurid details of their brief courtship and marriage captured the imagination of the American public like no other story of its day Winchell Neal Gabler, 1995-09-26 Hailed as the most important and entertaining biography in recent memory Gabler s account of the life of fast talking gossip columnist and radio broadcaster Walter Winchell fuses meticulous research with a deft grasp of the cultural nuances of an era when virtually everyone who mattered paid homage to Winchell Time of photos *Mark Twain, A Literary Life* Everett Emerson, 2017-02-17 Selected by Choice magazine as an Outstanding Academic Title Mark Twain endures Readers sense his humanity enjoy his humor and appreciate his insights into human nature even into such painful experiences as embarrassment and humiliation No matter how remarkable the life of Samuel Clemens was what matters most is the relationship of Mark Twain the writer and his writings That is the subject of this book from the Preface In *Mark Twain A Literary Life* Everett Emerson revisits one of America s greatest and most popular writers to explore the relationship between the life of the writer and his writings The assumption throughout is that to see Mark Twain s writings in focus one

must give proper attention to their biographical context Mark Twain's literary career is fascinating in its strangeness How could this genius have had so little sense of what he should next do As a young man Samuel Clemens's first vocation that of journeyman printer took him far from home to the sights of New York Philadelphia and Washington while his next vocation would give him the identity by which we most frequently know him His choice of Mark Twain as a pen name cemented his bond with the river as did such books as *Life on the Mississippi* and *Huckleberry Finn* Then following an unsuccessful try at silver mining Clemens worked as a newspaperman humorist lecturer but also cultivated an interest in playwriting politics and philosophizing In reporting the author's life Emerson has endeavored to permit Mark Twain to tell his own story as much as possible through the use of letters and autobiographical writings some unpublished These fascinating glimpses into the life of the writer will be of interest to all who have an abiding affection for Samuel Clemens and his extraordinary legacy

Sinclair Lewis Remembered Gary Scharnhorst, Matthew Hofer, 2012-09-28 *Sinclair Lewis Remembered* is a collection of reminiscences and memoirs by contemporaries friends and associates of Lewis that offers a revealing and intimate portrait of this complex and significant Nobel Prize winning American writer After a troubled career as a student at Yale Sinclair Lewis turned to literature as his livelihood publishing numerous works of popular fiction that went unnoticed by critics With the 1920s however came *Main Street* Lewis's first critical success which was soon followed by *Babbitt* *Arrowsmith* *Elmer Gantry* and *Dodsworth* five of the most influential social novels in the history of American letters all written within one decade Nevertheless Lewis's Nobel Prize for Literature in 1930 led to controversy Writers such as Theodore Dreiser William Faulkner and Thomas Mann expressed their dissent with the decision Unable to match his previous success Lewis suffered from alcoholism alienated colleagues and embraced unpopular political positions The nadir for Lewis's literary reputation was Mark Schorer's 1961 biography *Sinclair Lewis An American Life* which helped to legitimize the dismissal of Lewis's entire body of work Recent scholarly research has seen a resurgence of interest in Lewis and his writings The multiple and varied perspectives found in *Sinclair Lewis Remembered* edited by Gary Scharnhorst and Matthew Hofer illustrate uncompromised glimpses of a complicated writer who should not be forgotten The more than 115 contributions to this volume include reminiscences by Upton Sinclair Edna Ferber Alfred Harcourt Samuel Putnam H L Mencken John Hersey Hallie Flanagan and many others

True Story Shanon Fitzpatrick, 2022-07-19 Focusing on Bernarr Macfadden a bodybuilder turned publishing mogul Shanon Fitzpatrick charts the rise and export of US mass media and consumer culture Macfadden's magazines featuring fitness tips celebrity gossip and sensational true stories created an enduring editorial template and powered worldwide demand for interactive American media

Gold Digger Constance Rosenblum, 2015-08-18 A sparkling biography of the original blonde whom gentlemen preferred a woman who made a career of marrying millionaires and became the first tabloid celebrity One of America's most talked about personalities during the Jazz Age Peggy Hopkins Joyce was the quintessential gold digger the real life Lorelei Lee Married six times to several millionaires and

even a count Joyce had no discernible talent except self promotion A barber s daughter from Norfolk Virginia who rose to become a Ziegfeld Girl and briefly a movie star Joyce was the precursor of the modern celebrity a person famous for being famous Her scandalous exploits spending a million dollars in a week conducting torrid love affairs with the likes of Charlie Chaplin and Walter Chrysler were irresistible to the new breed of tabloid journalists in search of sensation and to audiences hungry for the possibilities her life seemed to promise Joyce s march across Broadway Hollywood and the nation s front pages was only slowed by the true nemesis of the glamour girl old age She died in 1957 alone and forgotten until now In prose as vibrant as its subject Constance Rosenblum s *Gold Digger* brings to life the woman who singularly epitomized this confident and hedonistic era *American Photojournalism* Claude Hubert Cookman,2009 The traditional approach to studying American photojournalism explains the what and who of photojournalism what events and developments occurred what notable images were taken and who took them Without neglecting those concerns American Photojournalism emphasizes the why **Public relations** Anonymous, Public relations Edward L Bernays and the American scene nnotated bibliography of and reference guide to writings by and about Edward L Bernays from 1917 to 1951 Supreme City Donald L. Miller,2015-05-19 An award winning historian surveys the astonishing cast of characters who helped turn Manhattan into the world capital of commerce communication and entertainment **Wisconsin Library Bulletin** ,1941 **Miracle at Sing Sing** Ralph Blumenthal,2005-05-15 From the riotous days of Prohibition and the Jazz Age to the brutal awakening of Pearl Harbor one man ruled the fate of America s most dangerous criminals He was Lewis E Lawes warden of Sing Sing prison the Big House up the river who believed that no man was beyond redemption Warden Lawes couldn t banish the electric chair though he tried but he knew that humanitarian care and good morale provided better security than the stoutest walls Lawes befriended the Hollywood greats Charlie Chaplin and Humphrey Bogart and Spencer Tracy and Harry Warner opening Sing Sing to the movies and exposing prisoners to the glamour of the silver screen He brought Babe Ruth to Sing Sing fielded a winning football team called The Black Sheep that brought gridiron glory to the circuit known as the Big Pen and ran training shops school classes and culture programs Truly Warden Lawes made Sing Sing sing But Lawes was no pushover He brought law to Sing Sing a tale that comes alive in the hands of prize winning New York Times reporter Ralph Blumenthal He killed on orders from the state consigning 303 condemned men and women to the electric chair But he crusaded fiercely against the death penalty as useless and preached that every man deserved a second chance even if in the end he faced a terrible betrayal Lawes taught the nation that a jail was a lockup but a prison was a community With his perfect name and flawless eye for fashion Lawes took over as the ninth warden in eight years at 39 the youngest man to lead the century old institution then overflowing with more than a thousand hardened criminals and luckless youths Vice was rife bribery alcohol drugs and sex The political bosses held sway swinging deals for favored inmates Enemies accused him of coddling prisoners but he ridiculed the charge No one was coddled on a food budget of 18 cents a day Lawes lived with his

wife and daughters in a Victorian mansion abutting the cellblock where he was shaved each morning by a prison barber convicted of slashing a man's throat the household cook was a murderer and his youngest daughter's favorite babysitter was serving twenty five years for kidnapping Lawes tamed the tyrannical Charles E Chapin who had terrorized generations of reporters as the editor of Joseph Pulitzer's Evening World before murdering his wife and winding up as Lawes's favorite horticulturist the Rose Man of Sing Sing Lawes championed the advent of radio and used it to inspire his prisoners and educate the public on penal reform He wrote film scripts and radio plays and dramas and best selling books But in the end his finest tribute came not from the mighty but a lowly prisoner in the yard who muttered to no one in particular There was a right guy

Changing Concepts of Time Harold Adams Innis, 2004 This classic book Harold A Innis's last returns to print with a new introduction by James W Carey An elaboration of Innis's earlier theories Changing Concepts of Time looks at then new technological changes in communication and considers the different ways in which space and time are perceived Innis explores military implications of the U S Constitution freedom of the press communication monopolies culture and press support of presidential candidates among other interesting and diverse topics

Body Love William R. Hunt, 1989 Bernarr Macfadden 1868 1955 entertained and instructed Americans for decades He championed physical exercise fasting and diet reform and was the relentless scourge of established doctors He presented his views in Physical Culture a popular magazine featuring photographs of strong men and healthy women and articles promoting the healthy life While some critics derided him as a health nut no one could dispute his genius as a magazine publisher He established the world's greatest magazine publishing empire through the innovation of such popular publications as True Story the first confession magazine True Detective and many others

Impresario James Maguire, 2011-11-23 Sullivan has nearly 100% name recognition among people 40 and older In a survey of the fifty most influential programs in the U S TV Guide ranked The Ed Sullivan Show 10 Show still appears on PBS and on cable stations across the country Sixty million baby boomers grew up watching The Ed Sullivan Show For more than twenty years from 1948 to 1971 fifty five million viewers watched The Ed Sullivan Show religiously every Sunday night Everyone who was anyone appeared the Beatles and Elvis of course and Woody Allen Bill Cosby and Elizabeth Taylor plus public figures such as Fidel Castro David Ben Gurion and Martin Luther King Jr More than thirty years later the program remains a pop culture icon But despite Ed Sullivan's prominence little was known about the private man until now Impresario reveals what the Sullivan viewers never saw nasty hot tempered craven yet also capable of high ideals and above all hugely ambitious At a time when Americans are looking back The Ed Sullivan Show stands out as a shining example of television during the golden era Impresario lets readers look behind the screen to see the man who made it happen

Never Seen the Moon Sharon Hatfield, 2005-04-13 Never Seen the Moon carefully yet lucidly recreates a young woman's wild ride through the American legal system In 1935 free spirited young teacher Edith Maxwell and her mother were indicted for murdering Edith's conservative and domineering father Trigg late one July night in their Wise County

Virginia home Edith claimed her father had tried to whip her for staying out late She said that she had defended herself by striking back with a high heeled shoe thus earning herself the sobriquet slipper slayer Immediately granted celebrity status by the powerful Hearst press Maxwell was also championed as a martyr by advocates of women s causes National news magazines and even detective magazines picked up her story Warner Brothers created a screen version and Eleanor Roosevelt helped secure her early release from prison Sharon Hatfield s brilliant telling of this true crime story transforms a dusty piece of history into a vibrant thriller Throughout the narrative she discusses yellow journalism the inequities of the jury system class and gender tensions in a developing region and a woman s right to defend herself from family violence

View from Xanadu Ian Mugridge,1995-05-01 Hearst is usually remembered as a flag waving jingoistic patriot who was anti British anti French anti Oriental anti almost everything except the United States He was regarded as an admirer of Hitler and Mussolini and a staunch isolationist who believed that minimizing American contact with the rest of the world was the only sure way to achieve security Using all the journalistic apparatus at his disposal Hearst trumpeted his views about the conduct of other nations and peoples and more particularly about the conduct of his own country in relation to them The Spanish American War of 1898 was often described as Mr Hearst s war because of the role he apparently played in pushing the United States into it Mugridge investigates Hearst s journalistic tactics which seldom varied and concludes that ultimately Hearst s flamboyant style militated against his being taken seriously by those responsible for the nation s affairs Exploring the personal side of this very public figure Mugridge argues that Hearst was a far more complex individual than previous biographers have assumed He probes beneath Hearst s largely self created image to delineate the aspirations anxieties and vanities that led Hearst to embrace and advance his positions on U S foreign relations **Catalog of**

Mark Twain's Homes and Literary Tourism Hilary Iris Lowe,2012-07-20 A century after Samuel Clemens s death Mark Twain thrives One way fans still celebrate the first true American writer and his work is by visiting any number of Mark Twain destinations They believe they can learn something unique by visiting the places where he lived Mark Twain s Homes and Literary Tourism untangles the complicated ways that Clemens s houses now museums have come to tell the stories that they do about Twain and in the process reminds us that the sites themselves are the products of multiple agendas and in some cases unpleasant histories Hilary Iris Lowe leads us through four Twain homes beginning at the beginning Florida Missouri where Clemens was born Today the site is simply a concrete pedestal missing its bust a plaque and an otherwise empty field Though the original cabin where he was born likely no longer exists Lowe treats us to an overview of the history of the area and the state park challenged with somehow marking this site Next we travel with Lowe to Hannibal Missouri Clemens s childhood home which he saw become a tourist destination in his own lifetime Today mannequins remind visitors of the man that the boy who lived there became and the literature that grew out of his experiences in the house and little

town on the Mississippi Hartford Connecticut boasts one of Clemens's only surviving adulthood homes the house where he spent his most productive years Lowe describes the house's construction its sale when the high cost of living led the family to seek residence abroad and its transformation into the museum Lastly we travel to Elmira New York where Clemens spent many summers with his family at Quarry Farm His study is the only room at this destination open to the public and yet tourists follow in the footsteps of literary pilgrim Rudyard Kipling to see this small space Literary historic sites pin their authority on the promise of exclusive insight into authors and texts through firsthand experience As tempting as it is to accept the authenticity of Clemens's homes Mark Twain's Homes and Literary Tourism argues that house museums are not reliable critical texts but are instead carefully constructed spaces designed to satisfy visitors This volume shows us how these houses' portrayals of Clemens change frequently to accommodate and shape our own expectations of the author and his work

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, Natureis Adventure: **My Last Million Readers** .
