Uncensored John Lydon,2014-10-09 John Lydon has secured prime position as one of the most recognizable icons in the annals of music history As Johnny Rotten he was the lead singer of the Sex Pistols the world s most notorious band who shot to fame in the mid 1970s with singles such as Anarchy in the UK and God Save the Queen So revolutionary was his influence he was even discussed in the Houses of Parliament under the Traitors and Treasons Act which still carries the death penalty Via his music and invective he spearheaded a generation of young people across the world who were clamouring for change and found it in the style and attitude of this most unlikely figurehead With his next band Public Image Ltd PiL Lydon expressed an equally urgent impulse in his make up the constant need to reinvent himself to keep moving From their beginnings in 1978 he set the groundbreaking template for a band that continues to challenge and thrive in the 2010s He also found time for making innovative new dance records with the likes of Afrika Baambaata and Leftfield Following the release of a solo record in 1997 John took a sabbatical from his music career into other media most memorably his own Rotten TV show for VH1 and as the most outrageous contestant ever on I m a Celebrity Get Me Out of Here He then fronted the Megabugsseries and one off nature documentaries and even turned his hand to a series of much loved TV advertisements for Country Life butter Lydon has remained a compelling and dynamic figure both as a musician and thanks to his outspoken controversial yet always heartfelt and honest statements as a cultural commentator The book a fresh and mature look back on a life full of incident from his beginnings as a sickly child of immigrant Irish parents who grew up in post war London to his present status as a vibrant alternative national hero **A Deliberate Life** Pamela Haskin,2003-07-14 A Deliberate Life is the inspiring and oftentimes humorous story of Pamela Haskin and her life in the Alaskan Bush She says I m not trying to escape society as so many do who come to the Bush I m choosing a lifestyle I want a life with adventure and purpose Life on the homestead was certainly different from the one Pam had known a woodpile instead of a thermostat no running water or indoor plumbing no electricity and no phone And she chose this Go figure Pam touches something in each of us that says life can be more than ordinary We do indeed have a choice and we either exercise or surrender that choice each day Pam s choices changed her life dramatically and set an example for the rest of us Between these pages you will find a hearty and entertaining example of the power of choice **Weekly World News** ,1991-11-12 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Where Did My Life Go? Homeless and**

Out of Business K.D. Sanders,2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I ve come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there s another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author s opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I ve been coming across these days Definitely worth checking out Amazon Review

Living with the Evidence Thomas Q. King,2017-02-22 The stories within these pages tell of my life from the beginning of my time on earth These tell of my first days and how they changed my life forever the many struggles that I encountered because of events early in my life the many difficult times that I faced and how I hid these from others for over sixty years I keep my story as the main subject Many who knew me in the early years were amazed of the events in my life Some cried and others were speechless That was not what I expected but it was a surprise to me With over 150 stories this covers many events of my life I looked at many things that I had to deal with because of how I lived in my early years I can recall shedding tears every day for over seven years I wish this to happen to nobody else But I did not have a choice both my parents took that away from me Some told me that I was too easy on them I will leave their judgment up to the Creator Their judgment will come I dont need to add fuel to their future I needed my story to be presented to show what could happen when parents harm their children Harm can come to children in many ways and I present many of mine A
