My Life in Black and White Kori D. Miller,2014-01-17 What are you Excuse me You know like where are you from Nebraska No I mean like what are you I ve been asked this question more times than I can count And I always know what the person is trying to ask but I have to admit I kind of like to see them struggle It shouldn t be so hard to ask Hey what race are you But it is Especially when the person doesn t fit nicely into one box This is the plight of every ethnically ambiguous looking person on earth Growing up in the Midwest I never knew I wasn t black until a 12 year old white boy told me so Do you have any idea how discombobulating that is I love that word Anyway it s confusing I d spent the first 11 years of my life thinking I was black All of sudden I didn t know what I was And neither did anybody else So my journey from black to ethnic ambiguity began There were a few challenges along the way like the time a white supremacist accepted me but not my brother or father That was a really strange encounter Or when a drunk white guy asked if he could use a plastic fork to comb my beautiful curls Everyone knows you don t mess with a black woman s hair But one of the best things about being biracial is the superpower that comes with it Yeah you read that right I have the ability to blend into almost every ethnic group on the planet Can you do that With this power comes great responsibility Thank you Uncle Ben And I take it very seriously Being biracial is about accepting who I am and demonstrating a willingness to accept who everyone else is too Just to be clear because I don t want you to be disappointed this book isn t for everyone You ll need a thick skin open mind and a sense of humor to digest it After all that s what s gotten me this far Who is it for I m glad you asked and you re still reading this blurb If you like reading about other people s challenges and how they overcame them then you re going to love this book If you know a biracial kid who s struggling with who they are then give them this book And tell them to get in touch with me I m happy to chat with them If you re curious about what it takes to make it in a black and white world when you re not one or the other this is the book for you Buy My Life in Black and White A book of

experiences and you'll never be discombobulated about race in America again **Reflections on My Life** Thomas H. Olbricht, 2012-04-25 Thomas H. Olbricht grew up in Churches of Christ, has taught in several of their universities and has given religious lectures on six continents and in most states in the United States. He has met most leaders in Churches of Christ globally. He has been active in several religious and rhetoric societies and has worked with leaders in all these organizations to bring about changes over the past sixty years. C. Clifton Black and Duane F. Watson wrote about Olbricht. Tom Olbricht possesses a memory of elephantine proportions. Not only does he have at his fingertips the names and places and dates better than most, he understands how the study of rhetoric has flourished among while cross-pollinating multiple disciplines in the humanities: classics, English, speech, communication, and religion. **My Life as I Remember It** Billy D. Smith, 2009-10-30 In writing my book I tried to the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama. Even though times were hard then I feel very fortunate to have grown up during that time and in that place. I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life. I also had some great teachers which I am thankful for knowing. Most of our teachers loved us and tried to help when they could to prepare for our future. All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions. I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years. **Glimpses of My Life** Richard C. McCall, 2009-01-12 This book is about the defining people, events, and institutions in the author's life. Although he has a PhD in physics and spent his working life in the field of physics, the book has very little to do with the technical and scientific aspects of his life. He began as a farm boy and went to a one-room country school and a small town high school. He did not appreciate the importance of many of these influences at the time. For example, he certainly did not think that working mules on the farm was beneficial, but now he can see that he learned a lot from those aggravating beasts. His education during the years of World War II left a lot to be desired, but it was good enough to prepare him for the rigors of MIT degrees in physics. It is hoped that this book will help some young people in similar situations in their efforts. **My Life of Ministry, Writing, Teaching, and Traveling** Mark G. Boyer, 2021-02-04 In *My Life of Ministry: Writing, Teaching, and Traveling*, The Autobiography of an Old Mines Missionary, I present my life as a child growing up in a French village about sixty miles south of St. Louis in the middle of the twentieth century. After eighteen years of life in Old Mines, the oldest settlement in the state of Missouri, I moved to St. Louis for four years and then to St. Meinrad, Indiana, for four years where education opened my eyes to a world very much larger than my village of origin. Life continued for me after ordination as a priest in the Roman Catholic Church in Springfield and Joplin, Missouri. Because my life is the thread stitching together this book, I have made it manageable by dividing it into four categories: ministry, writing, teaching, and travel. These categories contain the stories of

others whose life threads of seventy years are woven into my lifetime tapestry This is my autobiography one of a missionary from Old Mines to the thirty nine counties forming the southern third of the state of Missouri composed during my seventieth year of life *Man-Eaters: Tomorrow Belongs To You!
