500 Dangerous Spiritual Prayer Points Michael Chioma Udochukwu, 2021-07-01 If you spend more time with God men and women will be looking for you And I am telling you the truth you cannot be a part time Christian and defeat a full time devil To deal with the devil and give him and his demons technical knocking you must be a full time Christian and also hot fire brand like high tension for Jesus Christ This book will surely unfold the mysteries of the power of prayers and the patterns of prayers that will help you to pray your way out to a break through of success This book will prepare you how to understand the powers of darkness that conflicts your mind and teaches you how to fight this battle through the power of prayers because if here is a man to pray there is God to answer Heavens await you to attend your requests According to His will and His words that are powerful that can destroy the powers that are fighting your destiny your star and your dreams not to come true or get to your desired destinations in life This book is about self deliverance to help you in all the areas of your life By the grace of God He will free you from the evil captivity of the powers of darkness This book will serve as a devotion tool to enlighten educate and teach millions of Christians in the kingdom how to outline their prayer points and pray their way out of problems by presenting their matters before God Almighty This world is full of wickedness in the high and low places not knowing whom to trust and how to deal with the satanic powers and demons that are busy destroying human lives One way or the other with many problems going up and down because every new level that you attend in this life also has a new devil The only way to defeat this unseen enemies with their wickedness of the wicked is by working with Jesus side by side You must be hot all the time as a firebrand Christian Jesus is Lord

Loss, Survive, Thrive Meryl Hershey Beck, 2019-11-22 No one is prepared for the loss of a child No one It feels completely unnatural for children to predecease their parents Although it is not widely known each year there are over 135 000 under 40 year old deaths in the U S alone And according to one study 19% of parents outlive their children often carrying the weight of horrendous grief to their own graves Isolated and alone is how parents often describe the grief process Well meaning friends and family members usually rush to their side in the beginning Once the floral arrangements have wilted and the dinners from caring friends diminish there isn't really much that can be said to bring comfort to a suffering parent especially if those friends haven't experienced

it themselves Unfortunately when these caring friends do bring up the loss quite often they say the wrong things Loss Survive Thrive offers a lifeline of hope Each chapter is an inspirational story written by a parent who also experienced the agony of losing a child reclaimed his her vitality and is now living a fulfilling life Every story is authentic and heartfelt designed to uplift and inspire The collective authors reach out through the pages to virtually hold hands with those who are suffering We the contributors have all been there We know their pain and we know about survival And now through our stories we offer comfort and support in helping them get through the toughest time of their lives Bereaved parents share an unspeakable bond And Loss Survive Thrive imparts insight from what s likely the only voices that grieving parents can hear others who have walked in their shoes This book is a giant step toward healing the grieving heart **91 Days Decrees to Takeover the Year** Prayer M.
