Dyer, Lauber Lynn, 2012-02-22 From best selling author and spiritual teacher Wayne W. Dyer comes *My Greatest Teacher*, which follows a man's journey to find understanding and reconciliation with his past. Despite having a loving family and a fulfilling career as a university professor, Ryan Kilgore has always held deep resentment and anger toward the father who abandoned him when he was born. When these emotions take their toll on his marriage and his relationship with his own son, Ryan realizes he must confront these unhealed wounds in order to move forward in his life. While at an academic conference, he embarks on a search to track down his father, Big Bob. Along the way, Ryan encounters friends and acquaintances of Big Bob while reawakening memories of his childhood. *My Greatest Teacher* is an inspiring tale of how we can transform suffering and pain into forgiveness and love, and the lessons we can learn through the most difficult challenges we face. *The Essential Wayne Dyer Collection* Dr. Wayne W. Dyer, 2013-09-24 The #1 New York Times best selling author Wayne Dyer has been inspiring people to change their lives for many years. Now, three of his most fascinating books are collected in this single volume. *The Power of Intention* details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. *Inspiration* dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life. All evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. *Excuses Begone* reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending ever.

The Essential Wayne Dyer Collection is a must read for those wanting to explore the power and potential of the human mind as well as anyone who is finally ready to live the best life possible *Don't Die with Your Music Still in You* Serena J.
