GOD

William J. Murray

Son of outspoken atheist
Madalyn Murray O'Hair,
now freed from his
mother's oppressive beliefs,
tells the **true story** of the
Supreme Court victory
which removed prayer from
public schools—and the
seedbed of violence, delu-
sions of grandeur and
Communist involvement
which nurtured it.

One Lost Sheep J. Richard Baran, 2025-03-06 One Lost Sheep: Opening Your Heart to Jesus Christ is a plain, easy-to-understand book about Christianity and salvation through faith in Jesus Christ. This book covers the basic aspects of Christianity for those seeking information on the longing one feels when separated from God. Salvation restores one's relationship with God, eliminating that empty feeling. Only through grace and faith can Jesus Christ forgive our sins, and a supernatural changing of the heart can occur, revealed in our repentance before God. One Lost Sheep is not only for the new or unbeliever but will also strengthen believers in their faith and assurances in their salvation. [Guru Nanak's Divine Teaching](#)

The Christian's Charge: Never to Offend God in Worship John Forbes, C. Matthew McMahon, 2018-03-19 Mr. Forbes will show you that the house of God should be ordered by God's rules. In this, it should be seen as wholly appropriate that God's people are to be ordered by God's rules. Such worship should show reverence, piety, love, desire, and joy in God, and it should be structured and ordered according to God's holy principles. Worship for the Christian should be an expression of God's heart back to God, filtered through his congregation. We ought to reflect back to God how wonderful and most blessed He is in pure and undefiled worship. Mr. Forbes demonstrates from 1 Timothy 6:13-16 that it is impossible to worship God by human invention. It is equally impossible to worship God by human ingenuity. And it is impossible to worship God in an atmosphere that has not been structured and ordered by God and His word. The Regulative Principle expresses clearly that God alone determines the manner sinners are to approach him in worship. Such a doctrine, such a concept, should not be placed by the wayside because we and our contemporary culture are more fascinated and captivated by being entertained rather than by God's truth. This work is not a scan or facsimile; it has been carefully transcribed by hand, being made easy to read in modern English and has an active table of contents for electronic versions.
