My Look Atlife Itself:

The Work Revolution Jonathan Males,2023-12-04 We need to rethink our approach to work leadership and teams This book is designed to allow you to become more effective and more human at work in both team and leadership positions Through introspection and an awareness of our personality and character The Work Revolution helps you develop practical tools and techniques to build a healthy approach to the modern working world In order to create a sustainable change Jonathan Males guides you to new habits and how to put these in to practice in both team and leadership roles The author invites you to assess your relationship with both your work and personal life and to understand what you need to create healthy meaningful and positive change [Looking at Life](#) Floyd Dell,1924 **A Cynic Looks at Life** Ambrose Bierce,2019-11-25 In A Cynic Looks at Life Ambrose Bierce presents a compelling exploration of human nature through the lens of his characteristic sarcasm and wit This collection of aphorisms and observations critiques societal norms morality and the absurdities of life often with a penetrating clarity that reveals the darker aspects of human existence Bierce s literary style deftly mingles humor with biting cynicism encapsulating the mood of post Civil War America where disillusionment was rampant and traditional values were under scrutiny His astute observations while succinct provoke deep reflections on the inherent contradictions of society Ambrose Bierce an author journalist and Civil War veteran is best known for his satirical and scathing outlook on life His experiences during the war deeply influenced his worldview leading him to question the very values that are often held sacred Bierce s background in journalism and editorial writing provided him with a unique platform to express his thoughts with piercing clarity making his works a rich tapestry of insight and commentary A Cynic Looks at Life is a thought provoking read that challenges the reader to confront uncomfortable truths about society and human behavior For those who appreciate sharp wit combined with profound philosophical musings Bierce s work offers a compelling reflection on life that remains relevant and resonant [A Layman's Look at Life](#) Sean Ferguson,2024-05-16 Consider this small book to be a message in a bottle cast in the ocean If you should find it washed up on your shore you will find it is not a request for help or rescue Rather it s more of a treasure map pointing to a road less traveled by many Using science religion philosophy observation common sense thousands of hours pondering and hundreds of hours studying the author offers some interesting thoughts about life It s not an attempt to sell you anything but an effort to pique your curiosity fire your imagination and hopefully point you to a path of new discovery As a recovered alcoholic who has suffered from lifelong clinical depression the author shares a perspective gained by painful experience and a newly discovered strong foundation upon which to stand The result is a new way to view the world which will lead you to your own path of discovery It should make you question and verify everything you believe Keep asking questions eliminate the frivolous and find your rock to stand on **Looking at Life through a Biblical Lens** Robert C. Tannehill,2021-07-01 It may seem that so many sermons have been preached on biblical texts that there is nothing new to say Careful reading and imaginative thought

however can result in new insights especially if the biblical text becomes a lens through which we freshly view issues of human life Larger literary units should be considered rather than isolated Bible verses and there is often a development in the text that is suggestive for development of the sermon Clear thinking is necessary about real issues for people today Discernment of the link between the ancient text and the challenges we face requires both thought and imagination The result should be new suggestions for ways of expressing the gospel message appropriate for our time These sermons are presented as good examples of biblical preaching They illustrate the qualities noted above They can also be used in daily or weekly devotions They are more challenging than much devotional material but that may add to their value in nourishing a thoughtful life of faith
