1 & 2 Kings Jesse Ceymore Long,2002 *The Road* Libby T. Nance,2007-08 The Road takes you on Lacey s journey and leaves you wanting a deeper understanding of the significance of each character to Lacey why some love her unconditionally while others hate her innocence The Road for Lacey Rutledge begins with her first memory at two years old and maps the path she travels within a small town in Western North Carolina Raised by her parents grandparents and extended family as was common in the 30s her story is filled with colorful characters who unknowingly help establish the woman she becomes Her Pappy is a man deeply devoted to the things of God and captures Lacey s complete affection thus causing her to search for her own spiritual destiny However having that pure heart of a child but faced with a world of prejudiced views Lacey finds herself being singled out by a town full of preconceived ideas and religious bigotry fighting for what is right and against those things that are wrong in the eyes of God

interwoven in this book *An Orchid for Sarah Grace* Krista S. Jakubik, 2014-09-26 Growing up I was told never to ask my Dad about his time overseas in World War II After his passing in July 2003 my mother came across an old shoe box that had been pushed to the back of his closet Upon opening the box she found over one hundred letters he had written to her while stationed in Europe After reading a few letters it became quite clear why he never wanted to talk about the war Although censored these letters spoke of his love for my Mother his belief in God and his wanting to come home Particularly difficult to read is his account of where he was and what he did as a soldier in Europe **Created Words Dreaming** Matthew Caldwell, 2001-11 True life stories thoughts feelings Written in poetic description and beauty Impulsive written creations of the world around us **Magic Of Love Is Infinite...** Mamutty Chola, Spiritual Schizophrenia Dr. Robert Dean, 2010-11-05 SPIRITUAL Schizophrenia Why Do Some Christians Live like Hell Choices life is a myriad of them God has set before us life and death blessing and cursing The choices we make in life will determine which of these will dominate our destiny There are spiritual laws that control our universe the law of the spirit of life in Christ Jesus and the law of sin and death What we decide to do with these laws will determine to a large degree what kind of effect they will have on us Spiritual schizophrenia is a struggle that most Christians face choosing between a spiritual mind or a carnal mind deciding everyday what law they choose to see operate in their life **Life's Journey** Marlenne Schilperoord, 2019-12-03 Often we hear people say that all religions should be forbidden because they only bring misery These reactions are understandable when we see or hear the daily news But where does all this misery come from Is it because former religious leaders pursued self interest too much instead of the Christian faith from the source Or is it our indifferent attitude that offers negative forces a free path To find the answer we must go back to our source of life to the reason for our earthly existence It teaches us that what we call religion is the development of a spiritual consciousness to elevate the human soul the very self And that the words of our Creator do not stop on the last page of the bible He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father Whoever reads the book may realize how important it is to ask yourself life questions How you can give substance to your earthly existence That this book may help you on your way to find your purpose in your life's journey **For You, My Love** Kelvin Mbata, This book is a delight for the mind as its thoughts were creatively whipped out for delightful reads It focuses on strengthening existing relationships while helping to build new ones Hence couples can use it to express affection and solidify what they share Also anyone can gift it to that special person they hope will be a part of their life In all cases this book will do the talking for you So just gift it out **Give Me a Second** Brenda Keough, 2018-07-20 This book is a very powerful read and also very empowering Writing the book in poetry form is an amazing idea and interesting way to get the storyline across to its readers The author is brave for sharing her story with the readers and allowing us to experience the pain and suffering that she had to overcome as an injured worker to become the woman she is now Misdiagnosis happens more than we think this book will empower young women and men to speak up and

stand up for their rights to proper medical care Silence is not golden and each poem is meant to help society learn and stop this from continuing to happen to others now and in the future **A Critical Commentary and Paraphrase on the Old and New Testament, and the Apocrypha ...** Simon Patrick, Daniel Whitby, Moses Lowman, 1851 *The Lie* Moussa Jassem, 2010-08-06 Self published author Moussa Jassem relives a dark decade in the lives of the Iraqis as he renders to print the harrowing events before the fall of Saddam Husseins regime Made available through Xlibris The Lie is a poignant tale of violence fear and deceit as seen through the eyes of a person involved once a victim of war the author himself Told from a unique angle The Lie recreates the atmosphere of uncertainty chaos and turmoil in Iraq 2003 Readers will follow Moussa on his and his friends endeavors during this painful period One of his friends Mustafa joins the intelligence department gets injured during the war and holds a deep secret a lie from the little details to the biggest which is never meant to be revealed How great this secret is and its importance for the people of Iraq awaits readers in this true and poignant tale Emotion stirring The Lie serves as an inspiration for those who have been victimized during the Iraq attacks It is also a wake up call and a reminder for all nations to stop the wars and unite as one peaceful world For more information on this book log on to [www Xlibris com](http://www.Xlibris.com) *Unboxing Love* Bob Hildreth, 2023-12-06 It's always been all about Love it's just that we as humans get lost and so our souls ache What do we get lost in How do we get lost and how in the hell do we find that Love for ourselves and others There was a time when I felt like I was diving off a high diving board into an empty pool The flight was cool but the landing sucked beyond what I thought was possible But one thing I learned through sucky landings is this they are the start of one amazing journey That's really the crux of this book The journey toward a Love that makes my life a blast This book is not a religious text it is a spiritual manifesto to describe the path that lead me out of religious abuse thirty plus years ago and put my life on a whole new path What do we release for peace What do we hang onto for hope What happened to us to create the BS that so easily trips us up Find out by getting this book and taking your time to go through it At the end of each chapter it has several articles that I wrote on my journey Take your time answer the questions and listen to the whisper Want to chat about this book Check out the website [BeGraceFull com](http://BeGraceFull.com) or Facebook group [BeGraceFull com](https://www.facebook.com/BeGraceFull.com) I am also always up for talking with groups
