My Memoirs Judge Alphonso A. Christian, 2023-04-28 Many may think that 1917 and 2017 do not have much in common Though times have changed what is essential often stays the same These memoirs are a thrilling narrative of Alphonso A Christian I a barefoot boy in the most remote and undeveloped district of the United States Virgin Islands He never had the opportunity to attend a university He defied the odds to rise to be a judge a commissioner and an executive secretary of the Virgin Islands Legislature one of the most influential United States Virgin Islands legislature positions Alphonso A Christian I is one of the very few who served in all three branches of government A Renaissance man an autodidact polymath he taught himself three languages never forgetting to stand grounded in family by caring for his wife and six children Chapter after chapter allows Alphonso through his life experiences to tell a local story affected to its core by national and at times international life changing events He catches your attention Judge Alphonso A Christian I s vignettes of his early childhood in Frederiksted Saint Croix his relocation to Charlotte Amalie Saint Thomas his job experiences his family life and his public life for seventy five 75 of his almost ninety 90 years of existence on this earth is actual proof that every obstacle has an opportunity built in Some walls do not need to be torn down They need to be demolished to see the opening on the other side Without the obstacles and the walls he encountered he would not have realized the inner strength he so vividly describes and the determination to be true to himself Regardless of age race nationality socioeconomic status or geographic location every reader will be enlightened by Judge Christian s memoirs It is a story a testament that you should never give up on yourself no matter what confronts you End

**Memoirs, Journal and Correspondence. Edited and abridged from the first edition by ... Lord John Russell** Thomas Moore, 1860 **Collections & Recollections** Donna Snethun, 2015-06-26 My raison d'être This is a book of my memoirs but it is more than that It goes back in time to include stories I have heard since childhood about my forefathers and mothers I am grateful that the writing bug has been so strong in the Falla family I look on whatever writing abilities I have as a gift To me it is more than a hobby it's a passion The histories that were written by Uncle Art Falla in the history books of Kinsella and District Hoofprints and Homesteading and of Sedgewick and District Sedgewick Sentinel were invaluable in my writing of this book Picking the brains of family members sisters cousins and Aunt Thordis Taylor have been of enormous assistance While our memories of any particular incident may not be exactly the same the sharing and the jogging has made the memories I have come alive In 2005 my original book Collections Recollections 1st edition was printed It is a book of memoirs I have received wonderful feedback on that book and hope that you enjoy this book as much as did the readers of Collections Recollections 1st edition I have lived too interesting a life to not leave this legacy It seemed only right to include stories about my childrens paternal ancestors the Snethuns and the Sathers After having been married to Andy Snethun for fifty five years in many ways these families seem like my family I hope you enjoy following the unique lives of several generations of these pioneer families I have really tried to write only stories that very few of my readers will be able

to say That happened to me too Scattered throughout my memoirs you will find poetry all of which are my originals Sometimes I write poetry like I talk not knowing when to quit I write poetry as long as the thoughts keep coming I try to control myself when I talk so I don't do the same     The Publishers' Circular and Booksellers' Record ,1929     The Publishers Weekly ,1921     **Catalog of Copyright Entries, Third Series** Library of Congress.
