Waterlines Alison Pelegrin,2016-08-22 In Waterlines Louisiana native Alison Pelegrin gives us poems that describe the terrible power of nature even as they underscore the state s beauty The poet moves from the familiar gaudy delights of life in New Orleans to immerse the reader in the vastly different experience of living north of Lake Pontchartrain In this fractured world the Bogue Falaya River becomes a highway paved with benedictions psalms and praise for ordinary things as Pelegrin searches the unfamiliar for an incarnation of home Water the threat of hurricanes and floods as well as the tangled geographies and histories of the rivers and lakes themselves sustains the poet as she settles into the casual beauty of the

daily route finding spiritual depth and delight in both human and natural wonders It s said that figures as different as Jefferson and Goethe were comfortable in the world because they were at home at Monticello and Weimar respectively and the same is true of Alison Pelegrin Waterlines starts locally and then radiates outward not geographically so much as emotionally and spiritually There are poems about faith poems of wry and even scary self examination poems that combine these themes and more Pelegrin stays close to her roots yet journeys out and back ranging widely and then coming home to tap strength and sustenance In the end Waterlines is a big big book David Kirby author of Get Up Please Bhava NEHARIKA BHATIA, PHALGUNI JAGADEESH, 2020-12-08 Gurudevo Bhava As the title says this book is all about the teacher figure of everyone s lives Apart from teachers everyone in their life one or the other way would have come across someone who becomes our guide ray This book is a tribute to all such amazing souls of our lives This book contains wonderful memories stories of our beautiful writers with their Gurus Journal of the ...
