Ó. Buidé The sixteen exquisitely crafted stories in *Island* prove

Alistair MacLeod to be a master Quietly precisely he has created a body of work that is among the greatest to appear in English in the last fifty years A book besotted patriarch releases his only son from the obligations of the sea A father provokes his young son to violence when he reluctantly sells the family horse A passionate girl who grows up on a nearly deserted island turns into an ever wistful woman when her one true love is felled by a logging accident A dying young man listens to his grandmother play the old Gaelic songs on her ancient violin as they both fend off the inevitable The events that propel MacLeod s stories convince us of the importance of tradition the beauty of the landscape and the necessity of memory

**Father and Son** Marcos Giralt Torrente,2025-09-23 This is a story about two people but I m the only one telling it Many authors have wrestled with the death of a father in their writing but few have grappled with the subject as fiercely or as powerfully as the brilliant Spanish writer Marcos Giralt Torrente does in Father and Son the mesmerizing and discomfiting memoir that won him Spain s highest literary award the Spanish National Book Award Giralt Torrente is best known for his fiction but it is in this often savage memoir that he demonstrates the full measure of his gifts In the months following his father s death from cancer Giralt Torrente could not write until he began to write about his father In many ways they were strangers to each other after his parents relationship ended when he was quite young Giralt Torrente s father remained in contact with him but held himself at a distance Silences began to linger prompted by Giralt Torrente s anger at his father s lies and absences and perpetuated by their inability to speak about the sources of the conflicts between them But despite their differences they had a strong bond and in the months leading up to his father s death from cancer they groped toward reconciliation Here the author commits to exploring it all sparing neither his father nor himself conscious of their flaws but also understanding of them Weaving together history and personal narrative Giralt Torrente crafts a startlingly honest account of a complex relationship and an indelible portrait of both father and son Beautifully translated by Natasha Wimmer the award winning translator of Roberto Bola o and as lyrical and clear eyed on mourning as Joan Didion s The Year of Magical Thinking Father and Son is an uncommonly gripping memoir by an uncommonly talented writer [The Testimonies of Slaves](#) Work Projects Administration,2020-12-17 Musaicum Books presents to you this meticulously collection of hundreds of life stories recorded interviews and incredible vivid testimonies of former slaves from the American southern states including photos of the people being interviewed and their extraordinary narratives After the end of Civil War in 1865 more than four million slaves were set free There were several efforts to record the remembrances of the former slaves The Federal Writers Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves The resulting collection preserved hundreds of life stories from 17 U S states that would otherwise have been lost in din of modernity and America s eagerness to deliberately forget the blot on its recent past Contents Alabama Arkansas Florida Georgia Indiana Kansas Kentucky Maryland Mississippi Missouri North Carolina Ohio Oklahoma South Carolina Tennessee

Ford, 2022-06-08 Judith Ford was a successful psychotherapist with a relatively new second marriage a full time clinical practice and three children She was also a runner a yoga practitioner a dancer and a writer when she came down with a mysterious illness that landed her in the hospital for a full summer and nearly ended her life She recovered through a combination of Western medicine and shamanic journeys A few years later she helped her parents through their final illnesses This book is both her story and theirs about how each of them maintained hope or sometimes despaired It s about how they each suffered and rallied laughed loved forgave and let go And it s about how all of us live in the shadows of the unknown and the unanswerable     **The Harlem Renaissance** Lynn Domina, 2014-11-25 A perfect guide for use in high school classes this book explores the fascinating literature of the Harlem Renaissance reviewing classic works in the context of the history society and culture of its time The Harlem Renaissance is one of the most interesting eras in African American literature as well as a highly regarded period in our country s literary history The works produced during this span reflect a turbulent social climate in America a time fraught with both opportunities and injustices for minorities In this enlightening guide author and educator Lynn Domina examines the literature of the Harlem Renaissance along with the cultural and societal factors influencing its writers This compelling book illuminates the cultural conditions affecting the lives of African Americans everywhere addressing topics such as prohibition race riots racism interracial marriage sharecropping and lynching Each chapter includes historical background on both the literary work and the author and explores several themes through historical document excerpts and thoughtful analysis to illustrate how literature responded to the surrounding social circumstances Chapters conclude with a discussion of why and how the literary work remains relevant today     **Mother -**

**Father God** Randy Doster M. Msc. D.D.,2022-08-01 Our Father which art in heaven begins one of the great lessons taught by Jesus When we hear the words Our Father we are often impressed with an image of a great man with white hair watching over us from heaven above steering our lives As humans we seek a parental authority to tell us when we are straying from optimal behavior It is a primal need In that light the Bible provides us with instructions dictated by a personified God to the masters of the past whose stories are forever preserved in scripture But who is God The first of those biblical stories gives us a clue that we are created in the image of God In those words we infer that since we are human beings we must have been created in the image of an omnipotent humanlike being But is that God Is God a man at all In this book Randy Doster explores these questions and shows us how since ancient times humanity has recognized both masculine and feminine aspects of Creation In male dominated cultures the masculine creative aspect of God has become the dominant image but even in the Lord s Prayer we call on the feminine nurturing aspects of God to give us our daily bread Ancient cultures and philosophies recognized the presence of both masculine and feminine aspects of Creation not necessarily as people but as the creative and nurturing forces of nature that pervade everything which survive in some faith traditions today Some refer to Mother Father God to honor those aspects of Creation that thrive within and around us As we explore these ideas we discover that we are creative and nurturing beings created in the image of a creative and nurturing lifeforce we lovingly refer to as God These pages take you on a journey which reveals new ways of looking at the truth that has always existed They reveal a different way of expressing God not a man in the clouds but a force of life that pervades within us just as it pervades everything around us As we explore our inner truth we find that there is naught else but God serving our highest good What we perceive as good and bad are not judgments of a humanlike deity but our own human perceptions of human life human morals and human judgment All is God All is Good All is     *The Unchained: Powerful Life Stories of Former Slaves* Aphra Behn,Thomas Clarkson,Daniel Drayton,Louis Hughes,Austin Steward,Ida B.
