My Mum Is Lost:

How I Lost My Mother Leslie Swartz, 2021-03 *How I Lost My Mother* is a deeply felt account of the relationship between a mother and son and an exploration of what care for the dying means in contemporary society The book is emotionally complex funny sad and angry but above all heartfelt and honest It speaks boldly of challenges faced by all of us challenges which are often not spoken about and hidden but which deserve urgent attention This is first and foremost a work of the heart a reflection on what relationships mean and should mean There is much in the book about relationships of care and exploitation in southern Africa and about white Jewish identity in an African context But despite the specific and absorbing references to places and contexts the book offers a broader more universal view All parents of adult children and all adults who have parents alive or have lost their parents will find much in this book to make them laugh cry think and feel

The Lost Parents N. Bridges, 2012-12-26 *The Lost Parents* is a collection of real life stories describing what it means to experience the loss of a close bond within a parent child relationship These interviews are about ordinary people revealing how an absent parent has shaped their personal journey and how these changes affected their lives as adults The circumstances recorded explain relationships divorce prison long term illness bereavement and abuse The men and women featured come from a variety of culturally different backgrounds The most important aspect of these retold accounts is that there is no formula or rule to follow The purpose they serve is to share these everyday tales which so often hold people in a state of disappointment and unhappiness The messages these stories have in common is that each one tells of how these individuals have found courage to move their lives forward from a place of abandonment and loss

The Lost Mother Anne Summers, 2010 My mother had just turned ten in mid 1933 when a young woman approached her as they were both leaving Mass at St Joan of Arc s in Brighton The woman was an artist and she would like to paint her portrait After her mother s death in 2005 Anne Summers inherits a portrait of her mother as a child Mesmerised by this image she finds herself drawn into the story of how the portrait was painted and eventually found its way into her family She soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne s search for the Madonna painting and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Her search soon turns into a parallel quest to rescue Constance Stokes the artist from obscurity and to learn why the collector suddenly abandoned the paintings Along the way Anne finds she must face the truth of the relationship she had with her mother In turn hypnotic and moving *The Lost Mother* is a powerful exploration of art loss and love

CLASH OF THE TOTEMS and the Lost Magaeci Yonnie Garber, 2022-02-15 We know we are responsible for slowly destroying our planet but what if we re wrong What if it s the planet that is slowly destroying us The Earth s fate may well hinge on just one girl Thirteen year old Ellery Brown has a mysterious past brought up by her mother in a tiny remote village knowing nothing of her father or of his family until she

becomes intertwined with her mother's old friend Hendrick Myerscough. In a shocking twist she learns that the mysterious Mr Myerscough is a teacher at a Magaecian school where her father was once a pupil. When Ellery discovers that she possesses a rare gift she finds herself in the centre of a dangerous power struggle destined to consume her if she ignores the advice of those she is closest to. Caught between obedience and freedom, loyalty and betrayal, she must uncover the secrets of her past to understand her destiny in protecting humanity's future. It begins as a personal journey for Ellery but develops into a united mission with her friends as they embark on an audacious adventure of spells, totems and nature's darkest magae in a courageous attempt to bring back balance to Mother Earth before everything shatters. The Lost Lionesses Gail

Emms, 2024-09-26 Inspiring. After reading this book I'm ready to run through a brick wall for these girls. Karen Bardsley ex Lioness. A captivating and moving account of the first England women's football team that took part in the 1971 World Cup, detailing the injustice faced by those who took part and its effect on the women's game as a whole. Told by the team themselves and written by the celebrity daughter of the main striker. Don't laugh, one day there may be a female Arsenal. One headline read amidst the ridicule following the First Women's World Cup in 1971: The spotlight was on the original lionesses, a diverse group of schoolgirls, bank clerks and telephonists primarily hailing from Chiltern Valley football club, run by a 60-year-old multilingual bus driver called Harry. These amateur girls emerged as England's first women's football team at the 1971 World Cup in Mexico, only to face scorn once returned home. They were mocked by the press and their achievements were undermined. Players were banned for three months to two years if they tried to play with another team. The heroes had been punished. But the time has come to tell their truth. Narrated by the daughter of one of the team members, Janice Barton, with unprecedented access to the secrets and insights of the first ever women's team, this is a multi-generational story celebrating the power of a group of women who refused to accept the status quo, revealing how the events of 1971 shaped mother and daughter's lives both personally and professionally. 50 years later, Gail, her mother and the rest of the team are ready to tell their story and share the legacy of the lost lionesses. **What She Lost** Susan Elliot Wright, 2017-03-09 From

the acclaimed author of *The Flight of Cornelia*, Blackwood. All families have their secrets. But the truth will out. Eleanor and her mother Marjorie have always had a difficult relationship and have somehow just failed to connect. Now Marjorie's memory is fading and her grip on the things she has kept hidden is beginning to loosen. When she calls Eleanor to say 'There's something I have to tell you', Eleanor hopes this will be the moment she learns the truth about the terrible secret that has cast a shadow over both their lives. But Marjorie's memory is failing fast and she can't recall what she wanted to say. Eleanor knows time is running out and as she tries to gently uncover the truth before it becomes lost inside her mother's mind, forever she begins to discover what really happened when she was a child and why. Praise for Susan's storytelling: Exquisite storytelling, full to the brim with authentic characters, family secrets and emotional weight. Isabel Ashdown. Passionate, intriguing and beautifully written, deserves to stand on the shelf next to Maggie O'Farrell's books. A powerful and talented

new voice Rachel Hore A brave and moving story about how much can be lost and what happens next Alison Moore *The Lost Sheep* A.D.H. Rodgers,2012-11-18 This is the fascinating story of an Irish radio DJ who lived and worked in Ibiza amongst the glitz and glamour of the island's entertainment industry But when he became a Christian he knew he had to radically change his life

Lost and Found Judith Masson,Christine Harrison,Annie Pavlovic,2019-08-08 First published in 1999 this volume is a collection of essays focused on the theme of partnership with parents in social work practice with children and families It covers issues relating to the quality of care and preparation for aftercare particularly children's identity needs and preparation for life after care which are highlighted in the Quality Protects programme It developed from an action research project funded by the Joseph Rowntree Foundation and conducted by the editors at Warwick University between 1993 and 1996 Through teaching activities associated with the implementation of the Children Act 1989 the editors became aware that there were many parents who had lost contact with both their child and their child's social workers after their child had entered the care system These were the lost parents of the study Partnership with parents has become an integral part of social work with children and families living together or apart Inevitably it concerns many other people involved in the care of children and providing advice to individuals Partnership permeates all aspects of relationships between parents children and those providing care in place of parents Consequently the issues discussed in this book are of relevance to all those working directly or indirectly with children parents and other relatives Amongst these are social workers family placement workers carers and residential workers team managers and policy makers in local authority social services departments guardians ad litem court welfare officers and lawyers acting for children or parents children's rights officers and advisers working in voluntary agencies which support families and children
