My Of National Costume:

Inside Infinity Vinh Quyen, 2022-10-28 Time in the narrative of *Inside Infinity* takes place just over ten days. However, historical events recounted in the novel span across one hundred years from the uprising of King Duy Tan in 1916. History is not providing a stage for the characters to act upon; rather, history here is scraps of impressions that awakens the main character's desire to find genetic code. The main character is a Vietnamese young man who has lived in America for several years, collecting documents to write his master's thesis, *The Country of Dai Nam: A Great Power of East Asia*. His academic articles also surprise those who are used to thinking of Vietnam as a weak country; the writings confirm an analysis made by the World Bank that the Vietnam of 1820 was a nation with an average personal income approaching the world average, becoming one of the five largest economies in East Asia, a feat that until now, nearly two centuries later, Vietnamese people have yet to replicate. Then one day he suddenly learns he has a father living alone in Hue who has fallen into a coma. The young man goes to be with his father, who passes away just ten days later. During this time, the father wakes briefly, one final moment he looks at his son and holds his hand, their first and also their last connection. But that is enough. The young man feels he is now complete. Those ten days in the deserted villa, exploring shelves of ancient books, conversing with his father, a PhD of Ethnology via scattered notes found in a laptop, the son spends searching for his roots. Each character's journey of mending fractures to connect the infinite past of the clan and of the Vietnamese people is the theme of the novel. **I Shall**

Sign as Loui Rea Galanakē, 2000 In *I Shall Sign as Loui*, the renowned Greek writer Rhea Galanaki has given us a powerful, passionate story of the life of a historical figure told through fictional letters. Loui has grown up in western Greece and has been educated in Italy. He befriends Victor Hugo and Edgar Quinet, travels in the same circles as Karl Marx, and participates in the Italian underground and student uprisings in support of Garibaldi. Loui's letters to Louisa cover a life spent traveling across Europe from Patras and the Ionian Islands to Italy and Paris, and his experiences in the revolutionary movements of mid-nineteenth century Europe and America. With lyrical, haunting prose, Galanaki blends fiction and reality to tell a story as rich in emotion as it is in history. Book Jacket *Wool-Gathering Or How I Ended Analysis* Dan Gunn, 2014-04-04

Wool-Gathering or How I Ended Analysis is a personal and humorous account of the last month of personal psychoanalysis, principally Lacanian in orientation, taking place in a frenetic and strikebound Paris. A diary account interspersed with a commentary on the analysis, *Wool-Gathering* is not only a highly entertaining memoir but also a more academic account of a process opening up a world normally kept private in a new and engaging way. **One Hit Wonderland** Tony
