Enid Blyton

My Old Grandad:

My Old Grandad Wolf Harranth,1984 Tells the story of a unique relationship between grandson and grandfather and of how their relationship leads to a new understanding and love

My Old Man Damon Runyon,2018-03-28 In a series of essays Runyon reflects on the frank often outrageous opinions of his old man who knows a thing or two about just about everything and even if he doesn't he'll tell you anyway Damon Runyon's old man is neither a small time Broadway crook nor a modest Brooklyn Babbitt He is a salty old commentator on men women and manners who says what he thinks with more force and frequency than tact My Old Man is a classic collection of humorous observations about life from bankers to windbags and it's as relevant and funny today as it was when it was first published in 1939

My Old Man Amy Sohn,2004-09-08 From the New York Times bestselling author and one of the city's most provocative columnists comes a hip contemporary novel about love lust and living in the same neighborhood as your parents When twenty six year old Rachel Block started rabbinical school she didn't think she'd be dropping out after a semester and a half But when a sick man dies under her counseling she realizes she's not cut out for the rabbinate To make ends meet she takes a job as a bartender in Cobble Hill her Brooklyn neighborhood much to her parents' chagrin Until now Rachel has always been the perfect daughter getting straight A's and dating nice Jewish boys Now she's fending off come-ons from sleazy guys and trying to remember the ingredients in a Metropolitan It's the quintessential quarter life crisis compounded by the fact that she's still living just blocks from her childhood home To make matters worse she's having trouble sleeping she can barely get through the night without being awakened by the amorous noises of her sexy friend and upstairs neighbor Liz Kaminsky Then Rachel falls in love with Hank Powell an iconoclastic screenwriter twice her age and a Gentile and finds herself acting more and more like Liz Suddenly she's reassessing her values her surroundings and everything she's ever believed about the right kind of relationship She begins dressing up in outrageous outfits for midday trysts while hiding the dirty details from a newly modest Liz Meanwhile her interactions with her father with whom she's always been close have become increasingly strange Is he distraught that she's dropped out of school Is he having his own midlife crisis Or is he upset over her mother's newfound independence now that she's entered menopause and discovered the joys of a book group Something's up and Rachel is increasingly convinced it might be her father's libido With Rachel's own relationship getting wilder and weirder and her parents acting like teenagers it seems that everyone in Cobble Hill is going crazy A fresh spin on Philip Roth's Portnoy's Complaint My Old Man is a sexy comedy about a dysfunctional Brooklyn family coming apart at the seams

My Old Man and the Sea David Hays,Daniel Hays,1995-01-05 A story of adventure on a small boat for fathers for sons and for those who love them On this voyage the father relinquishes control the son becomes the captain and before long they are utterly alone with only the huge waves of Cape Horn a compass a sextant a pet cat and the tiny boat they've built together The account of the passage related in alternating sections by father and son will be read with delight 100 years from now William F Buckley
