My Own Devices:

Linux Device Drivers Alessandro Rubini, Jonathan Corbet, 2001 Provides hands on information on writing device drivers for the Linux system with particular focus on the features of the 2.4 kernel and its implementation Social - Local - Mobile

Gerrit Heinemann, Christian Gaiser, 2014-11-20 In the future shopping will be greatly influenced by a combination of localization issues mobile internet at the point of sale and use of social networks This book focuses on the SoLoMo synergies that arise from this paradigm shift in future shopping which also promises new and effective marketing options for traditional retailers It also reflects the current status of research and business practice analyzing the basic factors of SoLoMo in detail The importance of Location based Services LBS is elaborated and analyzed in an empirical study using a market based case of KaufDA a leading German online shopping network The evidence shows that customers see LBS as an attractive tool and are prepared to change their buying behavior Though LBS is still in its early stages and its professional longevity remains to be seen it also promises tremendous potential for the future

Seers Kristine Bowe, 2013-08-01 On the surface Leesie is just another seventeen year old orphan bouncing from one high school to the next In actuality she is a Seer on clandestine missions Leesie possesses the power to travel into layers of memory manipulating her conquests as directed by the clandestine organization of Seers and her enigmatic preceptor Tobias When challenged by her latest mission Leesie will be left questioning where her true loyalty lies Why is it suddenly difficult to obtain the information she needs What is allowing her to remember fragments of her hazy past And why is it so hard for Leesie to see who has been plotting against her all along An engrossing contemporary novel SEERS explores the fine line between friend and foe and the beauty of determining which memories new and old make us who we are SEERS is the winner of the National Association of Elementary School Principals NAESP Children's Book Competition in the Chapter Book category

Owned Joshua A. T. Fairfield, 2017-07-10 In this compelling examination of the

intersection of smart technology and the law Joshua A T Fairfield explains the crisis of digital ownership how and why we no longer control our smartphones or software enable devices which are effectively owned by software and content companies In two years we will not own our smart televisions which will also be used by advertisers to listen in to our living rooms In the coming decade if we do not take back our ownership rights the same will be said of our self driving cars and software enabled homes We risk becoming digital peasants owned by software and advertising companies not to mention overreaching governments *Owned* should be read by anyone wanting to know more about the loss of our property rights the implications for our privacy rights and how we can regain control of both *Journals: Volume V* Joseph M. In Corpses Ann Granger, 2020-02-03 A classic mystery from an accomplished veteran who knows her history and relates it with charm in this peek at Victorian morals and foibles Kirkus Reviews It is 1864 when Lizzie Martin takes up the post of lady s companion to a wealthy widow who is also a slum landlord Lizzie is intrigued to learn that her predecessor as companion had disappeared supposedly having run off with an unknown man But when the girl s body is found in the rubble of one of the recently demolished slums around the prestigious new railway station at St Pancras Lizzie begins to wonder exactly what has been going on With the help of her childhood friend Inspector Benjamin Ross Lizzie begins to investigate risking her life to unearth the truth about the death of a girl whose fate seems interlinked with her own Historical mystery fans will appreciate the great attention Granger pays to period detail as she evokes a suitably gritty nineteenth century London

Booklist **The Companion** Ann Granger, 2007-06-12 In the corners of the room the shadows cast velvety veils It would not be too difficult to imagine someone stood there and watched I thought of Madeleine Hexham I glanced around me It was likely that I d been given my predecessor s room and that it was here she had planned her flight into the arms of her mysterious lover When Lizzie Martin arrives in London in 1864 to become a lady s companion her first impressions are disturbing She s barely out of the station when her cab encounters a wagon carrying the remains of a young woman recently

dead At her new home Lizzie learns that her predecessor Madeleine Hexham disappeared without a word of warning Despite rumors of immoral behavior surrounding the girl s departure Lizzie is soon persuaded that there s a deeper mystery here Her suspicions are tragically confirmed when Inspector Benjamin Ross delivers shocking tidings Lizzie is determined to unravel the truth about the lost Miss Hexham As too is Ben Ross a man who cares about justice whatever the class of victim But they must tread carefully as a cornered killer is the most dangerous of all **Girl Seeks Place** Brianna Soloski,2020-11-14

Charlotte Vale has just accepted her dream job as a travel writer for an adventure magazine but getting to New York City won t be without its obstacles Her mom Helena is worried about her daughter moving cross country Char s best friend Lucas has secretly been harboring romantic feelings for her which leads to a dramatic turn of events halfway across America All Charlotte wants to do is find her place in the world but will she lose her best friend in the process **Girl Seeks Place** is a coming of age story anyone who has ever questioned their every move will be able to relate to Charlotte and all the obstacles she faces Ultimately though she perseveres and is able to find her place This book is for feisty women everywhere who have fought their way to the top at work at home and everywhere else **Millionaire Women, Millionaire You** Stephanie J.
