Greear,2018-02-06 Pastor and author J D Greear reveals that the secret to a robust passionate faith isn't getting all the right answers about God but seeing God as the awesome glorious and infinite presence that He is We like God small We prefer a God who is safe domesticated who thinks like we think likes what we like and whom we can manage predict and control A small God is convenient Practical Manageable For us thinking of God as so infinitely greater and wiser than we are and who would cause us to tremble in his presence is a leftover relic from an oppressive archaic view of religion But what if this small version of God we've created is holding us back from the greatest experience of our lives from genuine confident world transforming faith In *Not God Enough* J D reveals how to discover a God who is big enough to handle your questions doubts and fears is not silent is worthy of worship wants to take you from boring to bold in your faith has a purpose and mission for you on earth is pursuing you right now The truth God is big Bigger than big Bigger than all the words we use to say big Only a God of infinite power wisdom and majesty can answer our deepest questions and meet our deepest longings God is not just a slightly better slightly smarter version of you God is infinite and glorious and an encounter with Him won't just change the way you think about your faith It'll change your entire life *The Hidden Treasures of the Holy Mass* St Leonard of Port
