would love her and promised to send a shower of roses spending her Heaven doing good upon earth until the end of time True to her word the Little Flower has favored countless souls with her friendship and her name and image can be found in every corner of the earth Pope St Pius X called her the greatest Saint of modern times and the nine popes following him have all endorsed her Little Way of Spiritual Childhood She is the Patroness of the missions alongside St Francis Xavier Patroness of France with St Joan of Arc and in 1997 Pope St John Paul II named her the 33rd Doctor of the Church And yet after 120 years of this young nun s universal acclaim author Suzie Andres has found something brand new to say about St Th r se Taking a little known petition from Th r se s Act of Oblation to Merciful Love the author reveals a Eucharistic miracle that the Little Flower not only lived but promoted among those close to her This book begins with an explanation of St Th r se s Eucharistic miracle and goes on to find evidence of this miracle in the lives of other great Saints from Margaret Mary to Padre Pio The author then uses Th r se s own arguments to prove that this particular grace as well as the Act of Oblation to Merciful Love is meant for all little souls Something New with St Th r se is an invitation to readers to take further steps along the Little Way and into the Eucharistic Heart of Jesus

Story of a Soul Saint Thérèse of Lisieux, 1996 Two and a half years before her death in 1897 at the age of 24 as Th r se Martin began writing down her childhood memories at the request of her blood sisters in the Lisieux Carmel few could have guessed the eventual outcome Yet this story of my soul first published in 1898 in a highly edited version quickly became a modern spiritual classic read by millions and translated into dozens of languages around the world Decades later in response to growing requests from scholars and devotees of the Saint a facsimile edition of the manuscripts appeared along with more popular French editions of what the Saint had actually written Here expressed with all of Th r se s original spontaneity and fervor we rediscover the great themes of her spirituality confidence and love the little way abandonment to God s merciful love and her mission in the church and world today Father John Clarke s acclaimed translation first published in 1975 and now accepted as the standard throughout the English speaking world is a faithful and unaffected rendering of Th r se s own words from the original manuscripts This new edition prepared for the centenary of the Saint s death includes a select bibliography of recent works in English on Th r se along with a new referencing system now

widely used in studies of her doctrine Includes general and biblical index with 8 pages of photos Everything is Grace Joseph F. Schmidt, FSC, 2007-01-15 Th r se of Lisieux has been called the greatest saint of modern times but some view her spirituality as sentimental and syrupy Joseph F Schmidt FSC dispels that notion by contending that Th r se s little way is really the gospel message a message that can best be understood in the context of her life Schmidt does a masterful job of weaving together biographical details with Th r se s profound insights on God s love and mercy This book is a must read for anyone who wants an introduction to Th r se s spirituality as well as for those who desire a deeper appreciation of her little way a way that continues to speak to Catholics today Includes photographs of Th r se as a young girl and throughout her life
