Need Another Wave is a critique of the ways in which feminism is discussed in the mainstream media Today s young feminists are wary of being labeled They are media savvy hyper aware of being categorized and marginalized and are here to tell the world that feminists are feminists diverse in age and experience and that it s time to drop the labels in favor of proactive agendas and united goals Topics that matter to young feminists range from lighter issues such as DIY culture and craftivism to heavy hitting issues that feminists have struggled with for generations including abuse rape shame and self hatred The young writers in this collection band together under the banner of feminism to share the message that the F word is a good thing and that feminists are breaking new ground while still valuing the traditions and achievements of their sisters and foremothers We Don t Need Another Wave brings a message of unity and a message to get beyond subcategorizing a movement that needs cohesiveness and strives on strength in numbers      **Just Don't Fall** Josh Sundquist,2010-12-28 Just Don t Fall is one of the most inspiring books I have ever read not too mention poignant and funny A J Jacobs author of The Year of Living Biblically This winning memoir of triumph over tragedy tells a story that has deeply affected thousands of readers When he was just nine years old Josh Sundquist was diagnosed with Ewing s sarcoma a virulent cancer strain that eventually claimed his left leg Told in a wide eyed often heartbreaking voice Just Don t Fall is the astounding story of the boy Josh was and of the young man he became an utterly heroic struggle through numerous hospitalizations and worse to become an award winning skier in the Paralympics and renowned motivational speaker What emerges is one of the most fresh and sincere works of inspiration to come along in years      **Help Yourself** Lindsay Maitland Hunt,2020 More than 125 gut healthy recipes plus advice and strategies to relieve inflammation induced symptoms such as fatigue weight gain mood swings and chronic pain      *Don't Stop the Swagger* Damon J Smith,2015-11-25 A SWAGGER can t be acquired by material objects It comes from a source deep within that you may have never known you possessed The swagger never lets circumstance or criticism interrupt the mission But what happens when your uncommon dream doesn t go as planned your business fails tragedy hits you make a bad decision your marriage goes down hill your athletic aspirations don t pan out or you re in a job that just doesn t do it for you You see with every little hiccup in life you lose energy excitement and drive YOU LOSE YOUR SWAGGER These are the stories rarely discussed by the mainstream sports media stories that will empower your walk through life show you what mental toughness really means and give YOU a SWAGGER      Visa, Stickers and Other Matters of the Soul Lom Harshni Chauhan,2014-12-04 Thus it was that as I rocked my little baby to sleep I often wondered what I should give her a mind conditioned towards the accepted societal concept of God or a blank mind that would make its own opinions once older One of the major concerns of Indian parents is how best to pass on to their children the time honoured traditions of Indian culture and spirituality even as they try to raise global citizens Visa Stickers and Other Matters of the Soul is a delightful and endearing account of a young mother s experiments with raising her daughter in the Indian spiritual way while living in atheist China As she begins to educate her daughter she is surprised by her daughter s sense of

understanding and realizes that parenting is her biggest life lesson with her daughter as her teacher      Themes and Stories in Youthwork Practice Mark Krueger, 2012-12-06 Learn to follow the rhythms of building a relationship with youth at risk Themes and Stories in Youth Work Practice takes a refreshing look at the creative possibilities of working with youth in a variety of group care and developmental settings Author Mark Krueger presents an innovative approach to developing relationships through shared experiences that plays out like modern dance choreographed according to individual needs and strengths but always open to improvisations that follow the rhythms of life The book also promotes a framework of understanding youth work through personal stories constructed alone and together by youth and youth workers Themes and Stories in Youth Work Practice offers a unique perspective on theory and practice as it examines human interaction as an interpersonal inter subjective and contextual process The book recounts a day in the life of a youth worker examines qualitative inquiries conducted by youth workers recalls personal stories and addresses the ways youth workers experiences influence their interactions with youth Counselors working in community centers group homes treatment centers and community and group care programs will discover how to use the interactive dance between workers and youth at risk to create human compositions advancing the story and getting a feel of where they are in moments of connection discovery and empowerment From the author Youth work is like a modern dance We bring ourselves to the moment and try to interact in synch with youths rhythms for trusting and growing As we interact we are in a sense in and passing through youth The challenge is to know ourselves so that we can know each other and this comes about in part through a constant exploration of our stories It also comes about when we are in youth work with youth learning how to dance Geared toward experienced youth workers but equally relevant for students and anyone new to the field Themes and Stories in Youth Work Practice is an enlightening read for anyone working in or for residential treatment centers group homes shelters foster care juvenile justice programs community based youth serving organizations after school programs recreation programs camps churches and neighborhood centers      Unbecoming Anuradha Bhagwati, 2020-03-03 Brimming with the ebullient Bhagwati s fierce humanism seething humor and change maker righteousness Shelf Awareness a raw unflinching memoir by a former US Marine Captain chronicling her journey from dutiful daughter of immigrants to radical activist fighting for historic policy reform After a lifetime of buckling to the demands of her strict Indian parents Anuradha Bhagwati abandons grad school in the Ivy League to join the Marines the fiercest most violent most masculine branch of the military determined to prove herself there in ways she couldn t before Yet once training begins Anuradha s GI Jane fantasy is punctured As a bisexual woman of color in the military she faces underestimation at every stage confronting misogyny racism sexual violence and astonishing injustice perpetrated by those in power Pushing herself beyond her limits she also wrestles with what drove her to pursue such punishment in the first place Once her service concludes in 2004 Anuradha courageously vows to take to task the very leaders and traditions that cast such a dark cloud over her time in the Marines Her efforts result in historic change
